

A Man Like None Other

Novel

Chapter 2646

But the second elder didn't show any weakness, and slapped it out with one palm!

"You are so courageous. For the sake of a brat, you dare to attack your senior brother. When senior brother comes back, I will report the truth and punish you..." The palms of the second elder and the

third elder collided fiercely. !

The body of the third elder flew upside down in an instant, and it was obvious that his strength was inferior to that of the second elder!

After all, the Second Elder is in charge of the Jade Cauldron Sect's materials, and as the saying goes, he gets the moon first if he is close to the water, and his cultivation resources are not comparable to the Third Elder!

So it's normal to have some gaps in strength!

The third elder was forced to retreat with a palm, he could only look at David helplessly, he had no way to save David!

But at this moment, David didn't seem to be afraid. Looking at the monster rushing towards him, the dragon crystal on David's chest kept flashing blue light!

Soon within the blue light, a green dragon about tens of feet long emerged. The green dragon's eyes were like torches, and it let out bursts of roars!

Everyone looked at the green dragon in front of them, and they all gasped!

If the golden dragon that David began to transform into appeared mighty and intimidating, but everyone saw it, after all, it felt illusory!

But this green dragon is different. This green dragon is like its essence, whether it is beard or scales, it is so clear!

This is a real giant dragon, not just an illusion!

The green dragon circled above David's head, roaring one after another, bursting out bursts of sound waves, making Kuang Biao and the monster stagnate!

Looking at the green dragon in front of him, the ultimate monster stopped for a moment, and a complicated expression flashed in his eyes!

"Kill me...kill me..."

Seeing that the monster hesitated, Kuang Biao urged loudly!

Under Kuang Biao's urging, the monster also let out a roar, and rushed up without fear!

Seeing this, Qinglong suddenly spewed out a faint blue flame from his mouth, and instantly the monster was surrounded by flames!

Surrounded by flames, the monster let out roars. The golden horn on the top of its head emitted endless rays of light. When the rays of light shone on the flames, they instantly extinguished the flames!

Kuang Biao, who saw this scene, had a look of complacency on his face again!

And David frowned slightly, he didn't expect this monster to be so powerful!

Seeing that the monster had already arrived in front of David, Qinglong let out a roar, dragged David in an instant, soared into the sky, and avoided a blow!

"If you want to run, it's not that easy, chase after me..."

Kuang Biao commanded the monster, and chased after David in an instant!

The golden horns of the monster kept emitting rays of light, and the rays of light hit the green dragon, causing the green dragon to howl continuously, but even so, the green dragon still dragged David straight into the sky!

David frowned. He knew that if he kept going, he would be killed by that monster sooner or later.

David, who had no other choice, took out the dragon pattern clock from the storage ring, although he didn't want to expose all his strength and magic weapon so soon!

But now the situation is critical, there is no other way!

"This time, it's impossible for David to escape. I didn't expect this kid to be able to summon a real dragon, but the real dragon he summoned is too good..." The

second elder said with a smile on his lips!

The third elder didn't pay attention to him but looked up nervously. At this moment, David and the others were already out of sight!

Just when everyone didn't know what was going on, a black shadow suddenly fell from the sky!

Soon, the black shadow became bigger and bigger, and finally, something the size of the ring slammed down heavily!

boom.....

The black shadow hit the ground in an instant, and a violent shock erupted, and many houses in the Jade Cauldron Sect were knocked down!

Many people were also thrown out, and the black shadow was deeply embedded in the ground!

Chapter 2647

Only then did everyone see clearly that the black shadow turned out to be an incomparably huge bell, and nine lifelike dragons were engraved on the bell body!

Everyone was very surprised, how could such a big clock suddenly fall from the sky.

But at this moment, there was a sound in the dragon pattern clock, and the roar of monster beasts came out from the dragon pattern clock!

Only then did everyone realize that the monster was trapped inside!

Seeing this, Kuang Biao hurriedly stepped forward with a Bagan ruler in his hand, and slammed it fiercely at the dragon clock in front of him. He wanted to smash the dragon clock and release the monster!

But when Kuang Biao hit the Dragon Pattern Clock, he was suddenly sent flying by a huge counter-shock force!

The monsters are rampaging in the dragon pattern clock, but there is no way to break out of the dragon pattern clock!

At this time, David slowly descended from the sky with a bell and hammer in his hand, and the green dragon had already disappeared!

"Little beast, today I will let you taste the power of grandpa..."

David was full of anger, he was beaten out of his temper by this monster!

I saw David holding the bell hammer, and then slammed it on Long Wenzhong's body!

Buzz...

A melodious voice came out, and everyone hurriedly covered their ears. Some disciples with low realms all looked pained and covered their hearts!

Just this sound, many people couldn't bear it anymore, but David didn't stop, and knocked it down with a bell hammer again!

After knocking seven times in a row, there was no more movement in the dragon pattern clock!

And some Jade Cauldron Sect disciples with lower strength had already vomited blood and passed out in a coma!

Seeing that there was no movement in the dragon pattern clock, David made a quick move, and the dragon pattern clock instantly became smaller and entered the storage ring!

At this time, that monster, which looked like a horse but not a horse, was lying on the ground dying, and the golden horn on its head had lost its luster!

Moreover, on the body of the monster, the blue dragon was clutching the monster tightly, and it was already spitting blood, dying!

The reason why David was able to cover the monster with the dragon pattern clock was all due to Qinglong desperately catching the monster. This is a risk of life!

Otherwise, with the strength of that monster, David might have a hard time covering that monster in the Dragon Pattern Bell!

Looking at the dying Qinglong, David stepped forward, gently stroking Qinglong's head, and on his chest, the dragon crystal radiated light again!

The cyan light shrouded Qinglong's body. The dying Qinglong seemed to gain vitality in an instant. After getting up, Qinglong let out a roar, and then flew into the sky... Qinglong left, and David held the dragon-slaying sword

, Look at that monster coldly!

At this time, the monster has already lost the ferocious aura just now, and there is fear and pleading in its eyes!

It seems to be begging David to let him go!

David's hand holding the sword did not stab, but suddenly turned around, and a sword beam went straight to Kuang Biao!

Kuang Biao was caught off guard, and a deep wound was drawn on his chest by the sword light in an instant, and his whole body fell from midair to the ground!

The Bagan barren ruler in Kuang Biao's hand fell in front of David!

David bent down and picked up the eight thousand barren rulers!

"Give it back to me, give it back to me, that's my magic weapon..."

Seeing this, Kuang Biao wanted to step forward to snatch it, but found that he couldn't get up at all!

David held the Baganhuangchi, and his spiritual consciousness instantly covered it, and then the eight gems began to light up, and the seriously

injured monster was shrouded in a black mist, and then slowly disappeared, returning to the Baganhuangchi. middle!

"This is a good thing, maybe it can be used by Yuqi if you keep it..."

David directly threw eight thousand barren feet into the storage ring!

Seeing that David had taken his weapon away, Kuang Biao yelled angrily, but there was nothing he could do!

David looked at Kuang Biao, stepped forward, and stepped on Kuang Biao's head!

Chapter 2648

"I said, you are not my opponent, but you don't believe me, now you believe me?"

David looked down at Kuang Biao, his eyes were full of sarcasm!

"I don't believe it, I don't believe it..."

Kuang Biao struggled, it was already at this time, Kuang Biao still didn't admit defeat!

But no matter how hard Kuang Biao struggled, his head was always stomped on by David, and he was extremely embarrassed!

"Believe it or not, you have already lost, and it's time to send you to hell!"

David's dragon-slaying sword touched Kuang Biao's neck!

Feeling the coldness coming from his neck, Kuang Biao was finally afraid at this moment!

"Don't, don't kill me, I admit defeat, admit defeat, I can crawl under your cover..."

Kuang Biao felt the breath of death, and his whole body began to tremble!

He has a bright future, and he doesn't want to die...

At this time, Kuang Biao regretted why he wanted to provoke David, and he waited for the medicine pool to open. What kind of Jade Cauldron Sect is, and what does it have to do with him?

Now Kuang Biao has figured it out, what big brother is not a big brother, as long as he is alive!

"Admit defeat?" David sneered coldly, "I gave you a chance, but it's a pity you didn't cherish it!"

As David said, the dragon-slaying sword in his hand chopped off at Kuang Biao's head!

"Stop it, stop it for me..."

Seeing this, the second elder immediately roared, and was about to rush towards David!

The Second Elder, who was full of complacency just now, turned extremely ugly at this moment!

"Senior brother, what are you doing? They are fighting for life and death. As long as people don't die, it's not over. If you rush up like this, won't you break the rules of the Jade Cauldron Sect..." The third elder shot instantly and stopped the second

elder down!

"Get out of here..."

The Second Elder roared, and swung his palm towards the Second Elder!

He doesn't care about the rules, he must not watch his disciple die in David's hands!

The third elder also fought hard, and followed the second elder to slap each other!

"Master, save me, save me..."

Kuang Biao roared, he could feel the killing intent on David, David wanted to kill him, it was not just for fun!

Seeing Kuang Biao like that, the Second Elder was so anxious that he kicked his feet suddenly, and his body flew into the air in an instant!

Facing the second elder who rushed over, David smiled faintly at him, and then swung the dragon-slaying sword down!

Pfft...

A burst of blood shot out, Kuang Biao's head flew up in an instant, and landed firmly in the hands of the second elder!

Looking at the head in his hand, the second elder stood there in a daze!

"Tu'er, Tuer..."

the second elder roared angrily!

"David, I'm going to kill you, I'm going to kill you..."

The second elder burst out with a terrifying breath, and then he slapped David with a palm!

"Second Martial Uncle, this is a competition, are you going to blatantly violate the rules?"

Seeing this, Nie Heng hurried forward to stop the Second Elder!

"Go away, or I will kill you together..."

The second elder waved his hand, and a huge breath instantly sent Nie Heng flying!

Everyone saw that the second elder was red-eyed, and they all avoided, after all, he even shot Nie Heng!

"Senior brother, you have to think about it clearly. If the senior brother is not here, Nie Heng is the acting suzerain of the sect. How dare you do anything to him?"

"It seems that you have been spying on the suzerain's position for a long time, and you want to seize the suzerain's position?" The

third elder shouted loudly at the second elder!

"I'm just avenging my apprentice. No matter who it is, don't stop me." "

Otherwise, don't blame me for being rude..."

The second elder yelled like crazy, with scarlet eyes. He didn't care about the third elder's warning at all. David made a move!

Seeing this, the third elder could only stand in front of David, gritted his teeth and fought with the second elder!

But the strength of the third elder was inferior to that of the second elder after all. After a few moves, the third elder was almost killed by the palm of the second elder!
