

A Man Like None Other Novel

Chapter 2661

Then he walked out of the room and walked towards the Jade Cauldron Sect warehouse!

The disciples guarding the warehouse are all from the second elder's lineage, so when they saw the second elder, they didn't stop them at all!

The second elder walked into the warehouse, and then opened a secret room in the corner of the warehouse!

There are many high-level pills and various herbal resources in the secret room!

The Second Elder didn't hesitate at all, he packed a lot of pills and herbs in a cloth bag, then took out a spell and gently placed it on the ground!

Biting his finger, a drop of the Second Elder's blood dripped onto the spell, and soon a magic circle engraved on the spell began to flicker with light. The Second Elder walked into the formation, and his body slowly disappeared!

When the Second Elder appeared, he was already in a dark place, surrounded by black mist, and in front of him, a man whose whole body seemed to be burning with flames was watching him quietly!

"Is the time ripe?"

the man said slowly to the second elder!

The second elder shook his head, "The time is not ripe, but I'm going to use you in advance, and now I want you to help me kill..." "

Kill?" The man was slightly taken aback, and then he was a little surprised, "Kill who?

" Zheyang, I saved your life and raised you for so many years, just to let you obey my orders, not to question me." "You do what I tell you to do, there are not so

many reasons, you There is no need to ask!"

The second elder said with a cold face!

Zhe Yan didn't speak, and the flames on his body became more intense. It could be seen that he was very dissatisfied, but it didn't explode!

Seeing Zhe Yan's performance, the Second Elder was satisfied and threw out the pills and herbs he had brought!

"Here are the top pills and herbs of our Jade Cauldron Sect. I won't let you contribute in vain."

"When I become the suzerain of the Jade Cauldron Sect, you don't have to hide like this anymore. You demons are now festive rats. If it wasn't for me back then, you and your subordinates would have died tragically!" The second elder gave both kindness and power

. He rescued Zhe Yan at the risk, in order to help him seize the suzerain position one day!

Regardless of the fact that the Second Elder felt ignorant in the Jade Cauldron School, and his alchemy skills were terrible, he was just confusing Hu Yixiao by doing this!

The second elder's ambition is no smaller than that of Hu Yixiao!

"I understand, I'll send someone there right now, if you want to kill someone, just keep the information!"

Zhe Yan said!

"No, you have to take someone there yourself. This guy is very powerful, so don't be careless!" "

If this guy doesn't die, it will definitely be a variable if I want to become suzerain!"

said the second elder!

Seeing this, Zhe Yan could only nod his head and say, "Okay, I'll lead someone to do it myself..."

After the second elder left David's message, his body disappeared instantly and he returned to the warehouse!

"David, just wait for me, I will let you know what will happen if you offend me!"

The second elder walked out of the warehouse with fierce eyes!

.....

Inside the secret cave!

The third elder and David found Ruyan Liu again, in order to discuss how to get Ruyan Liu into it when the medicine pool opens in a few days.

This time, when Liu Ruyan saw David, her attitude was obviously much better, and she was also a little embarrassed!

After all, David saved her, but he misunderstood David and attacked David, which made Liu Ruyan feel very sorry!

"David, I apologize to you for what happened two days ago. I checked, and you really didn't touch me."

Liu Ruyan followed David to apologize!

"It's good to check it yourself, otherwise my innocence in this life will be ruined..."

David pretended to be very painful and said!

When Liu Ruyan heard this, she raised her eyebrows and said, "You bastard, do you feel so uncomfortable after sleeping with me? Maybe I'm not as good as those women of yours, but I'm not bad either?"

Chapter 2662

"It's not bad, it's just that the character is gentler, don't hit people every now and then!"

David said with a smile!

"You..."

Liu Ruyan waved his hand and was about to attack David again!

"See if you hit someone if you disagree with me, you don't look like a woman..."

David hurriedly hid behind the third elder!

The third elder looked at David and Liu Ruyan's flirting, and a playful smile appeared on his face!

"Mr. Chen, you go out first, I have something to tell the eldest lady!"

The third elder said to David!

"Well, I'll wait for you outside..."

After David finished speaking, he walked out directly!

After David walked out, Liu Ruyan asked, "Third Elder, what's the matter with you?" "

Miss, what do you think of David?"

The Third Elder asked!

Liu Ruyan didn't know why the third elder asked such a question, but she still answered truthfully, "This guy looks unreliable, but from him, people always feel a sense of security, and I don't know why!"

" David is absolutely extraordinary, he directly killed Kuang Biao with the power of transformation, and even the ultimate monster within eight thousand barren feet was defeated by David!" "Besides, this person has many treasures,

even And the Shennong Cauldron that we in the alchemy world have been looking forward to!" "

Although I don't know the real identity of David yet, his courage and strength are definitely not ordinary people, maybe he is a son of some family! "

The third elder kept praising David!

"Third Elder, you have said so much, what exactly do you want to tell me?"

Liu Ruyan asked in confusion!

"Miss, with our current strength, it may be very difficult to take the Jade Cauldron School back from Hu Yixiao's hands. Besides, Hu Yixiao should have cooperated with Mingli King City this time!" "So

we If you want to take back the Jade Cauldron Sect, you need helpers, and this David is the best helper!"

said the third elder!

"Then ask him to help, what's the matter? Doesn't this guy often help you too?"

Liu Ruyan knew that David often helped the third elder!

"Miss doesn't know, the reason why David lives in the Jade Cauldron Sect is to wait for the medicine pond to open, and when the medicine pond opens, he might leave after soaking in the medicine pond!" "So if you want David

to Ping wholeheartedly helped us, we must...must..."

The third elder stammered, showing embarrassment!

"What must be done? If the third elder has something to say, just say it directly."

Liu Ruyan urged anxiously!

"The eldest lady must follow David to form a Taoist couple. When the two of you become husband and wife, can David help you?" The

third elder gritted his teeth and revealed his plan. !

When Liu Ruyan heard this, her face immediately turned red, and she hurriedly shook her head, "What's the matter, I'm not that kind of person..." "

Miss, don't you want to take the Jade Cauldron School back from Hu Yixiao's hands?"

"Don't you just watch the painstaking efforts of the old suzerains go to waste?"

"After your father took over the Jade Cauldron Sect, he has been serving the world and building a great reputation for the Jade Cauldron Sect, but now this reputation has been ruined by Hu Yixiao hand."

"Aren't you just looking at the old suzerain underground and not having peace?"

The third elder moved Liu Ruyan's father out, and the third elder knew that as long as he held David firmly in his hands, Yu Dingzong will be able to catch it!

"This..." Liu Ruyan hesitated, bit her lips tightly, and said after a moment of hesitation, "Even if I think about it, David might not be happy about it, after all, his woman is much more beautiful than mine." "

Miss, even if David's woman is beautiful, she is no longer by his side now. As the saying goes, she can't quench her thirst. I am a man, so I know men best."
"As long as the lady takes the initiative a little,

then David will definitely not be able to bear it, and he will definitely bow down under the pomegranate skirt of the eldest lady."

The third elder comforted Liu Ruyan!

Chapter 2663

"Okay then, I'll try..." Liu Ruyan made up her mind, ready to give it a try!

"Miss, I have a bottle of Hehuansan here. If David's concentration is too strong, you can use a little. Then David will definitely submit obediently." The

third elder took out a porcelain bottle from his pocket and said!

Liu Ruyan took the porcelain vase, her face was burning with pain, she was really embarrassed to ask her a big girl to do such a thing!

But for the Jade Cauldron Sect, Liu Ruyan can only fight!

When Liu Ruyan walked out of the cave, David was relying on a big tree in every possible way, whistling in his mouth!

Seeing Liu Ruyan came out, David was taken aback and said, "Why did you come out? Where's the third elder?" "The third elder

has something else to do. I haven't come out for a long time. Can you walk around with me?"

Liu Ruyan exhaled like blue and asked David!

Feeling Liu Ruyan's tone, David was a little surprised. He didn't understand when Liu Ruyan changed his mind?

"What? You don't want to?" Seeing that David didn't speak, Liu Ruyan said in a small mouth!

Looking at Liu Ruyan's coquettish appearance, David felt a little relaxed and happy!

"Okay, I'll walk with you..."

David nodded and said!

David followed Liu Ruyan in the jungle on the mountain, maybe he hadn't been out of the cave for several years, Liu Ruyan looked at the lush green trees, and he was very happy!

Seeing Liu Ruyan's happy look, David suddenly felt distressed!

A girl with such a heavy responsibility on her body, David didn't know if Liu Ruyan could snatch the Jade Cauldron Sect from Hu Yixiao!

"David, where are you going after you come to our Jade Cauldron Sect and soak in the medicine pool?"

Suddenly, Liu Ruyan asked David!

David was taken aback for a moment, and didn't know how to answer for a while!

There are too many things that David needs to do. He needs to find the God King Bow, find Sonya and the others, find Priest Wuji to rescue the old lady, and go to the Fire Sect to rescue the suzerain of the Artifact Sect. It's not easy to follow Ruyan Liu!

Seeing that David didn't speak, Liu Ruyan hurriedly smiled and said, "Since it's inconvenient to say it, then there's no need to say it..." "

I'm asking you, what do you think of our Jade Cauldron Sect? It's within a thousand miles, Our Jade Cauldron Sect is the only medicine refining sect, and we can get the respect of many sects!" "

And our Jade Cauldron Sect cooperates with many sects, and our Jade Cauldron Sect has countless resources." "

You Do you want to take all these resources into your pocket?"

Liu Ruyan stared firmly into David's eyes, and there was a bit of tenderness in the eyes! David didn't dare to look into Liu Ruyan's eyes, and dodged his eyes and said, "I don't

understand what you mean?"

It's yours."

"And I'm yours too, maybe I'm not as good as your other women, but I can also make you want to die!"

Liu Ruyan was going all out, and when she said these words, Liu Ruyan Ruyan's face was already flushed red!

"You... you want to form a Taoist partner with me?" David was full of surprise!

He didn't expect Liu Ruyan to be able to say such words!

"Yes!"

Liu Ruyan nodded, "As long as you help me regain the Jade Cauldron, I will be your woman, and then you will gain both fame and fortune, isn't that great?"

Hearing Liu Ruyan's words, David He laughed immediately, it seems that the reason why Liu Ruyan said this was because he wanted to help him regain the Jade Cauldron Sect!

"What are you laughing at? Isn't it right? You help me take back the Jade Cauldron Sect. When we become Taoist couples, you can stay in the Jade Cauldron Sect to practice with peace of mind. The entire Jade Cauldron Sect is yours, and in your When you need it, I can serve you anytime!"

Liu Ruyan said to David seriously.
