

A Man Like None Other

Novel Chapter 2712

Chapter 2712

“Li Xing, you came just in time, I advise you to go back quickly, I already have a sweetheart.” “

His name is David, he is my boyfriend, the two of us have been together for a long time, and I am not good at it.” I have given birth to his child.”

Princess Isa snuggled up to David with a happy look on her face!

Princess Isa’s words almost sent David away. David looked at Princess Isa in disbelief!

When did he have a child with Princess Isa?

Although David knew that Princess Isa was trying to stimulate that Li Xing, David felt that it was inappropriate to make a joke of his innocence!

After Li Xing heard Princess Isa’s words, he froze for an instant, and then burst into endless anger!

In just a split second, Li Xing’s anger was extinguished, and a sneer appeared on his face!

“Isa, do you want to use this method to make me give up? You are not pregnant at all, and your body is still intact.” “

You forgot that our animal physique cannot be combined with humans. How could you be so bad? A child of the human race.”

"I was almost deceived by you!"

Li Xing said to Isa, then looked at David and said, "Boy, I don't care where Isha found you, just disappear from here, otherwise I will eat you alive and turn you into a pile of bones!"

Li Xing said, his face began to twist, and then a tiger's head appeared, opened his bloody mouth, and roared at David twice!

Then Li Xing returned to his human form, and looked at David coldly!

"It turned out to be a tiger monster, but I and Yisha really love each other. If you want me to go, do I have to go?" "

And my ancestor is Wu Song, who specializes in fighting tigers..."

David said with a faint smile!

When Isa heard what David said, the smile on her face became stronger, and she hugged David even tighter!

Seeing this, Li Xing was so angry that his whole body began to tremble slightly, his teeth were clenched, and the terrifying breath enveloped David's head again!

"A little cultivator at the junior level of the Composite Body Realm dares to talk to me like that!"

Li Xing glared at David, ready to attack David!

"Li Xing, you dare to do something in my Demon Imperial City, you are too brave..."

Seeing that Li Xing was going to do something to David, Yisha hurried forward to block David!

After all, this Li Xing is a fifth-grade monk of the Composite Body Realm, and David, who has just been promoted to the Composite Body Realm, cannot be Li Xing's opponent!

"Isa, get out of the way, I'm going to kill this ignorant guy, and break your thoughts!"

Li Xing said coldly to Princess Isa!

"Impossible, if you want to touch David, attack me first!"

Princess Isa said firmly!

"Okay, then don't blame me for being rude, I will control you first and kill this kid!"

Li Xing said, and he was going to attack Princess Isa!

But at this moment, a huge aura hit, instantly blowing away the terrifying coercion exuded by Li Xing!

"Prince Li Xing, why are you so angry? Besides, if you do something in our imperial city, don't you think that people in our demon imperial city are too disrespectful?" Elder Pei walked over slowly, with his

face With a smile, but the tone of speech is extremely cold!

"Elder Pei, Yisha..."

"Prince Li Xing, as I said, according to the rules of our Demon Imperial City, it is not allowed to do anything in the imperial city. I don't want to hear your reasons, not for any reason."

Pei The elder didn't wait for Li Xing to finish, and said coldly again!

Li Xing looked at Elder Pei in front of him, and could only helplessly put away the burst of aura, and then looked at David full of killing intent and said, "Boy, you wait for me, I will let you know how powerful I am. Don't leave this imperial city for the rest of your life."

After Li Xing finished speaking, he turned and left angrily!

Chapter 2713

"Mr. Chen, Princess Isa, you continue..."

Elder Pei smiled, and then hurriedly turned and left!

"Elder Pei, wait a moment..."

David wanted to make Elder Pei wait a while, and then get rid of Princess Isa!

But Princess Yisha held on to David tightly, and Elder Pei pretended not to hear David's shout, and quickly left!

"David, am I not beautiful? Am I out of shape? Or is my status not good enough for you?"

Princess Isa stared at David and asked!

"No, it's pretty good, and it's also very beautiful..."

David said hastily.

"Then why do you still want to avoid me?"

"Do you dislike me as a demon cultivator? Let me tell you, I am no different from you human women. What you human women can give you, I can also give you! "

And I can serve you better than them, or you can come with me to the room and try..."

Princess Isa said, and she was about to drag David into the room!

David was taken aback. He didn't expect Princess Isa to be so unrestrained. The two of them didn't know each other very well. She was about to drag herself into the room and do some exercise for two!

"Don't, don't, don't... I think it's better for us to get to know each other better. Maybe after a long time, you'll find that I'm not the kind of person you like."

David hurriedly broke free and said!

"Are you stupid? You don't even want a woman who comes to your door. Are you a man?"

Princess Isa looked at David in disbelief. In her opinion, when a woman takes the initiative, a man generally has no way to refuse it!

What's more, her figure, appearance, and status are all one in a million. Many men are overwhelmed by her, but now that she takes the initiative, David dares to refuse!

"I think it's better not to force this kind of thing, let's learn more about it first..." After

David finished speaking, he left quickly!

Princess Isa looked at David's back, and her affection for David became stronger!

"David, I will never let you escape from my palm, I will definitely be your woman!"

Princess Isa smiled slightly!

.....

Inside the main hall of the Demon Imperial City!

Yihe Yaohuang drank his tea happily. If David could get together with Yisha, he would agree with it with both hands!

Anyway, David is the master of Tianlong Palace, and his status is many times higher than that of Li Xing!

It's just that Yihe Yaohuang never dared to think about letting his daughter follow David, so he offered to marry Yisha to Li Xing!

If he knew, he would never let Yisha marry Mingli Wangcheng again!

"Father-in-law..."

At this moment, Li Xing walked in angrily!

Seeing Li Xing, Yihe Yaohuang didn't have the same happy expression on his face as before, but asked calmly, "What's the matter?"

"Do you know this situation?"

Li Xing asked Yihe Yaohuang!

"En, I know!" The Demon Emperor Yihe nodded.

He knew that the human man Li Xing asked must be David!

"Father-in-law, what is the identity of the human man? Why is he in the Demon Imperial City?"

Li Xing asked in a bad tone.

"Are you questioning me?"

The Demon Emperor Yihe narrowed his eyes slightly, his face turned cold instantly and said, "This is my Demon Imperial City, is there anyone who wants to report to you?"

Li Xing felt the icy aura from Yihe Yaohuang's body, and hurriedly apologized, "My father-in-law, I didn't mean that, I was just curious..." "Okay, don't

call me my father-in-law in the future, you and Yisha are still together." If you are not married, you will be ridiculed if you shout like this." "

Didn't you say that you would make Isa fall in love with you? Whether you can make Isa marry you depends on your ability. I have to do everything It has already been done."

Yihe Yaohuang said coldly!

Chapter 2714

"Yue... Don't worry, the demon emperor, I will let Yisha know who is the man she should like."

Li Xing felt the change in Yihe's demon emperor's attitude, and his face became ugly!

"However, I have something to remind you, in my Demon Emperor City, fighting is absolutely not allowed. This is my rule, and no one can violate it."

Yihe Demon Emperor warned Li Xing!

"I understand!" Li Xing nodded, then turned and left!

As soon as he walked out of Yihe Yaohuang's palace, Li Xing's face was cold, and he gritted his teeth and said, "What an old Yihe, dare to play me, do you really think I'm so easy to deal with?" After Li Xing finished speaking, he

pinched A voice-transmitting jade slip, followed by his father, King Li, on the phone!

"Xing'er, what's the matter? When will you set off and come back?"

Li Wang asked Li Xing!

"Dad, I'm afraid I won't be able to go back in a short time..."

Li Xing simply told Li Wang what happened just now!

After hearing this, King Li was also furious!

"Yihe, this old guy, really doesn't pay attention to my Mingli King City."

"Xing'er, if you can't do it, you can come back. At worst, you won't marry that Yisha. As the prince of Mingli King City, Are you still afraid of not having a wife?"

"At that time, I will find a chance to destroy the Demon Imperial City, and see if old Yihe dares to trick me!"

Li Wang said very angrily!

"Dad, I must get Yisha and go back. I just took this opportunity to explore the strength of Demon Imperial City."

Li Xing said!

"Where you are, pay more attention, and don't act recklessly." Li Wang told Li Xing!

"Don't worry, even if I do something outrageous, the old Yihe won't dare to do anything to me, unless he wants to be removed from the beast clan!"

Li Xing said confidently!

After speaking, Li Xing ended the call and went straight to the mansion where he lived!

But as soon as he walked out of the palace, Li Xing saw many people watching on the street, and Li Xing walked up curiously!

After getting closer, Li Xing realized that it was Huben and David who were fighting tit for tat!

"Boy, I advise you to stay away from our princess and get out of our Demon Imperial City immediately, or don't blame me for being rude!"

Hu Ben said angrily at David!

David looked at the tiger ben, and smiled faintly, "Why do you want to be rude to me?"

David, who has broken through the state of integration, is not afraid of the tiger ben anymore!

Moreover, in this imperial city, private fighting is not allowed. As the guarding general, Huben knows this rule even better!

"If you don't leave, then I will let you die here, and never leave!" After

Huben finished speaking, his hands mutated into two huge bear paws!

David looked at Huben's bear's paw, and laughed out loud!

He always thought that Huben was transformed by a tiger demon. After all, his name is Huben, so it's normal to be a tiger demon all the time!

Unexpectedly, Huben turned out to be a bear!

"I thought you were a tiger, but you turned out to be a bear. What a waste of such a good name!"

David said sarcastically!

"You fu**ing court death..."

Huben was furious, and his huge bear paw was about to slap David!

Seeing this, Li Xing was very happy, he didn't know that this Huben had a feud with David, so he could use Huben to get rid of David!

"Kill him, kill him..."

Li Xing shouted in his heart!

"Hu Ben, don't forget that fighting is not allowed in this imperial city, do you dare to disobey the rules of the Demon Emperor?"

David said to Hu Ben!

When Huben heard this, the palm he had originally slapped stopped in mid-air!

As the general of the guard, of course he knew the rules, but he was so angry just now that he almost violated the rules!
