

A Man Like None Other Novel

Chapter 2718

"General, the Demon Emperor is looking for you..."

the guard said to Huben!

After hearing this, Huben's expression changed slightly, he seemed to have guessed why Yihe Yaohuang was looking for him!

When Princess Yisha left, she said that she would report this matter to Yihe Yaohuang!

Huben followed the guards towards the palace!

When I came to the palace, I found that the demon emperor Yihe was full of anger, and Princess Yisha was standing beside the demon emperor Yihe!

"Demon Emperor, you are looking for me..."

Hu Ben lowered his head and asked softly!

"Hu Ben, let me ask you, did you do anything to Mr. Chen just now?"

Yihe Yaohuang asked!

"Yes!" Huben dared not lie!

After all, there are so many people watching, and there is no way to lie. If no one is watching, Princess Isa will not come to the door so quickly!

"You are so brave, don't you know the rules of my imperial city? As the general of the guard, you openly disobeyed!"

Yihe Yaohuang slapped the table fiercely and roared loudly!

Huben trembled in fright, then quickly fell to his knees!

"Yaohuang, that David bullied others and oppressed the people of my imperial city. As the general of the guard, I acted."

Huben actually lied to Yihe Yaohuang according to Li Xing's words!

When Yihe Yaohuang heard this, he was furious!

One must know that David is the master of Tianlong Palace, and the entire Demon Imperial City belongs to David, how could David bully his own people!

"Hu Ben, you are so bold, you dare to lie to me."

"I tell you, from now on, you must obey Mr. Chen honestly, and you will listen to what he says!"

"I think you are the first offender this time, and I will punish you to guard the city gate for ten days. If you dare to disrespect Mr. Chen again, I will kill you..."

Yihe Yaohuang said with an angry look at Huben!

He, the demon emperor, wants to obey Davidyan, and Hu Ben, a general who protects him, even fights against David, he is courting death!

Huben felt dissatisfied at this time, but he didn't dare to show it in front of Yihe Yaohuang, so he could only nod his head and say, "Yes!" "

Okay, let's go down..."

Yihe Yaohuang waved his hand!

After Huben walked out of the palace, he slowly raised his head, his eyes were full of fierceness!

Huben walked on the street with a cold face, extremely angry in his heart!

He didn't understand why Yihe Yaohuang was so kind to David and respected a mediocre human being so much!

One must know that he is the guard general who has guarded the Demon Imperial City for many years. If it wasn't for him, the Demon Imperial City would have suffered countless attacks!

But now, he is not as good as a small human being!

The more Hu Ben thought about it, the more angry he became, and finally he walked towards Li Xing's residence!

Li Xing was drinking tea, when he saw Hu Ben coming, he hurriedly stood up to greet him!

"Brother Huben, please come in..."

"This is the good tea I brewed, you have a taste..."

Li Xing lowered his posture and poured a cup of tea for Huben!

Huben gulped it down in one gulp, then looked at Li Xing and said, "Prince Li Xing, you said that you were sworn brothers with me, but did you mean it?"

"Brother

Huben, of course you meant it, don't you believe me?"

Li Xing asked back!

"Of course I believe it. Since Prince Li Xing thinks highly of me, then I will make a sworn oath with Prince Li Xing. Then I will listen to Prince Li Xing's arrangements!"

Hu Ben gritted his teeth, as if he had made up his mind!

"Brother Huben, it's so kind, we'll make obeisance right away..."

Li Xing ordered people to prepare the incense table, and then followed Hu Ben to start obeisance!

After the sworn ceremony was over, Huben looked at Li Xing and said, "Prince Li Xing..." "

Brother Huben, you and I are sworn brothers, and you still call me like that, isn't it too strange, just call me brother." Li Xing

hurried Interrupted Huben said!

"Brother, since you and I have become sworn brothers, if you have anything to do in Yaohuang City, you can just come to me."

Huben looked at Li Xing gratefully and said!

"Brother Huben, the top priority is, the two of us have to find a way to get rid of David. Since it is difficult to do anything in the imperial city, we will lure him out."

Li Xing rolled his eyes, and then plotted with Huben!

Chapter 2719

At this time, David was in the library pavilion in the imperial city, where there were geniuses carefully selected by the Demon Emperor Yihe, and they were all learning the art of refining medicine!

Ever since David used the ancient books of the orcs to create a medicine refining technique that the orcs could learn, the Demon King Yihe has sent people to learn it!

If they had their own pharmacists in the Demon Imperial City, their strength would definitely increase a lot, and they wouldn't have to be controlled by others!

"Mr. Chen..."

Seeing David coming, Elder Pei hurried forward to say hello!

Now these people are under the jurisdiction of Elder Pei, who urges them to study every day!

"Although the alchemy technique looks extremely simple compared to other exercises, it still needs to be done gradually, and don't be too hasty."

David glanced at the people who were studying, and then said to Elder Pei!

"Mr. Chen is right, I will pay more attention..."

Elder Pei said very modestly!

"Well, take them to continue studying. I'll go upstairs and have a look..."

Last time, David just took a brief look at the Library Pavilion, and didn't go deep into it. You must know that the Library Pavilion is divided into several floors, so David wants to go up there to have a look!

"Mr. David, I'd better go up with you, the demon emperor has set taboos up there."

Elder Pei said hastily!

"There are also taboos. Could it be that there are important things on it?"

David asked in bewilderment!

Elder Pei nodded, and walked with David and said, "There is indeed a very important ancient book stored upstairs." "

It is said that it was written by the oldest beast king of our monster clan, and there is a record in it. The palm technique is called Benlei Palm, it is said that mastering this palm technique can communicate with the heaven and the earth, attract the thunder from the sky, and its power is extremely powerful!"

"It's just that this ancient book has been sealed, and no one has been able to unlock it so far. The demon emperors of all generations have tried, but they can't open this ancient book. Now the ancient book has been stored at the top of the library!" Elder Pei knew that Chen

Ping His status in the Demon Imperial City, so he didn't hide it from David, and told the truth!

Hearing this, David's eyes lit up instantly, "Ben Lei Zhang? It sounds very good, take me to have a look..." Elder Pei nodded, took

David upstairs, and then walked to a In front of this thick ancient book!

This ancient book is covered with dust, it must have been cleaned for a long time!

"Mr. Chen, the seal of this ancient book is very domineering. Let alone picking up the ancient book, even if you approach it, you will be injured by the power

inside, so no one cleans this place!" "If you want to see it, you should stand and watch from a

distance Just take a look, don't get too close!"

Elder Pei said to David!

"Thank you for reminding me, but I think it's better for me to take a closer look!"

David said, walking towards the ancient book. As soon as he got close to the ancient book, David felt a huge force. It was distributed among the ancient books, and then David's body made a rattling sound, as if something was pressing on him forcibly!

Feeling this force, David only felt that his internal organs were constantly rolling, and his body trembled involuntarily!

"There is really something..."

David gritted his teeth, and the power of the dragon burst out instantly, resisting this huge force!

Just after the power of the dragon in David's body exploded, that power seemed to sense something, and disappeared without a trace in an instant!

David was taken aback for a moment, then reached out and grabbed the ancient book!

David's palm shone with golden light, shrouded in the power of the dragon!

The power of the dragon entered the ancient book one after another, and the seal on the ancient book collapsed and disappeared under the impact of the power of the dragon in an instant!

And David directly grabbed the ancient book in his hands and then flipped through it.

Seeing this scene, Elder Pei instantly opened his eyes wide and looked at David in disbelief.

You must know that Yihe Yaohuang has tried many times, and there is no way to get the ancient books, let alone read them!

Chapter 2720

However, David didn't notice Elder Pei's shocked expression, he just put all his attention on the ancient book!

In David's eyes, the obscure animal language began to become simple!

It's just that as David kept reading, the surprised expression on David's face became more and more intense!

David unconsciously held the ancient book, and started to practice slowly with one hand!

I saw David's palm waving lightly, and afterimages appeared in an instant, and then the ancient books began to flash with light, and I saw it pouring into David's mind, and then these lights turned into a figure, constantly Practicing various palm techniques!

Seeing this, David began to flip quickly. With David's fast flipping, the figure in his mind moved faster and faster!

In the end, David finished reading the thick ancient books in a very short time!

Afterwards, David put the ancient book back again, and then raised his palms slightly upwards, a soaring aura broke through the roof of the Zangshu Pavilion, and instantly sank into the sky!

Booming...

In an instant, there was an explosion of thunder, and a huge palm print appeared in the sky, and on this palm print, the scene of lightning and thunder could be clearly seen!

The pressure of the palm prints became lower and lower, a gust of wind blew up in an instant, a thunderbolt suddenly fell from the sky, and struck a hill in an instant, directly splitting the hill to pieces and razing it to the ground!

David's eyes were full of excitement, and as the breath in his body continued to surge, the huge palm prints gradually became clearer and clearer!

"Mr. Chen..."

Sensing the terrifying aura, Elder Pei hurriedly yelled at David!

David's body was shocked, he quickly reacted and quickly restrained his breath, and the huge palm print disappeared!

"What a powerful Ben Lei Palm..."

David looked at his hands and couldn't help sighing!

Elder Pei looked at David in shock, and said in disbelief, "Mr. Chen, you have not only opened the seal, but you have also learned the Thunderclap Palm in such a short period of time. You are a genius among geniuses!

" Thunderbolt Palm is unpredictable, even though it is only one move, it is ever-changing, and I am just scratching the surface, as my cultivation base and understanding of Thunderbolt Palm deepen, the power of Thunderbolt Palm will definitely become greater! "

David said excitedly!

Elder Pei was shocked. It was just superficial, but the explosive power should not be underestimated!

The change just now caught the attention of Yihe Yaohuang, so he hurriedly brought people to Zangshu Pavilion!

However, after hearing that it was David who opened the ancient book and comprehended the Ben Lei Palm, Yihe Yaohuang not only did not blame Elder Pei, but was very happy!

“Mr. Chen learned to run the thunder palm so easily. It seems that this ancient book has been stored for many years, and it was prepared for Mr. Chen.”

Yihe Yaohuang said excitedly!

“What I’ve learned is only superficial, and I still need to understand it deeply. I won’t be here with you anymore...” After

David finished speaking, he hurriedly left and returned to his residence!

Sitting cross-legged, David closed his eyes slightly, and began to immerse himself in the palm technique of Ben Lei Zhang, carefully comprehending it!

“If the ultimate fire in the body is fused with the Thunderbolt Palm, will it increase the power of the Thunderbolt Palm?”

Suddenly, David had a flash of inspiration, and then began to experiment!

It’s just that he tried many times and failed. He couldn’t really fuse Zhihuo and Benleizhang!

“Perhaps I don’t have a deep understanding of the Ben Lei Palm. If I can cultivate the Ben Lei Palm to the peak, maybe I can merge it!”

David thought to himself!

At that time, the Benlei Palm and the Supreme Fire will merge, and in the sky, the huge palm print will wrap the Demon Race to the Fire. The scene is unimaginable. At that time, every thunder that is triggered will descend from the sky with raging flames, which can burn everything into pieces. Ashes!

Chapter 2721

In the room, David comprehended the Thunderclap Palm for three days.

In the past three days, in David's sea of consciousness, a figure continuously showed various palm print techniques, and all the records in the ancient books have been deeply buried in David's sea of consciousness!

In three days, David basically grasped the essence of Ben Lei Zhang, but he still needs to consolidate it repeatedly!

"It's really a good palm technique..."

David opened his eyes, and there was a flash of light in his eyes!

David has basically comprehended the Thunderbolt Palm, and what he needs now is to consolidate his practice and participate in actual combat experience!

"The Thunderbolt Palm has a ninth level of realm. I have just reached the first level. I don't know how powerful the Thunderbolt Palm will be when I reach the ninth level. Can it poke a hole in the sky?" Chen said

. Ping lamented the mysterious conception of Ben Lei Zhang!

Boom, boom, boom...

Suddenly, a knock on the door interrupted David's thoughts!

When David opened the door, he found that it was an imperial city guard in silver armor!

"Mr. Chen, our Princess Isa invites..."

the guard said respectfully!

"Isa? What is she looking for me for?"

David was a little surprised. He didn't understand what Princess Isa was looking for. According to Yisha's temperament, if she was looking for her, she would definitely come in person and would not let the guards come!

"Mr. Chen, I don't know about this, I need you to ask Princess Isa in person!"

the guard said in embarrassment!

David did not suspect him, and left with the guards!

But the guard took David, but walked towards the outside of the imperial city, which made David frown involuntarily!

"Is Princess Isa outside the imperial city?"

David asked suspiciously!

"Yes, it seems that Princess Isa said to give you a surprise, I don't know what it is!"

The guard smiled and said!

When David heard this, he immediately dispelled his doubts, and said with a faint smile, "This Princess Isa can do things, so what surprises are you going to give me?"

David relaxed his vigilance, followed the guards all the way out of the imperial city, and then walked towards Go to the mountains and forests!

But at this moment, in the depths of the mountain forest, Li Xing and several of his subordinates, as well as Huben, are hiding here!

“Brother Li Xing, David doesn’t seem to have a high level, but his strength is not low. I fought with him in the imperial city, and you have seen it. If I lead someone to intercept him, I’m afraid I won’t be able to beat him!”

Huben Said with a worried face!

In fact, the reason why Huben said this was because he wanted Li Xing to do something. When Li Xing killed David, even if Yihe Yaohuang pursued him, it had nothing to do with him. Huben knew David’s status in the imperial city!

Li Xing glanced at Huben, smiled slightly and said, “Brother Huben, don’t worry, I will lead someone up later, if I am not David’s opponent, and you are making a move, I don’t believe that the two of us can’t beat him!” “Besides

you You still have a magic weapon to restrain human beings in your hand, what are you afraid of!”

After hearing this, Huben nodded and said, “Okay, you come forward first, if you kill that David, I won’t come forward, or pass the news Go out, the two of us killed that David, it’s too shameful...”

Li Xing looked at Huben’s appearance, smiled and didn’t speak, he knew the small plan in Huben’s heart, but he didn’t expose him, after all, now He still wants to use Tiger Ben!

David followed the guard and walked straight forward, and soon entered the dense forest, but the guard had no intention of stopping!

David frowned, his spiritual consciousness instantly dispersed, and the huge spiritual consciousness instantly covered an area of several miles around!

Li Xing and Huben, who were originally hiding, planned to make a surprise attack on David. When they were instantly enveloped by David's huge spiritual consciousness, they knew they had been exposed!

And after David exuded his consciousness, he also immediately noticed that there were people hiding around, and his face turned cold in an instant, "You are so brave, how dare you lie to me?"

Chapter 2722

Seeing that David found out that he had been deceived, the guard wanted to run away, but was slapped by David, and the guard was sent flying in an instant!

The guard spat out a mouthful of blood, and instantly fell to the ground and died!

"Come out, what are you doing sneakily tricking me here?"

David looked into the depths of the forest and said!

"I didn't expect you to be cheated, it seems that in your heart, Isa is very important!"

Li Xing led people out from the hiding place, but that tiger didn't show up!

"So it was you."

David frowned slightly, and a cold light flashed in his eyes!

Being able to send guards to deceive him, David thought it would be that tiger ben, but it was Li Xing who didn't want to appear!

David didn't understand why the guards of the imperial city obeyed Li Xing's orders!

"Boy, we met again. In the Demon Imperial City, I have Isa protecting you. I can't do anything to you, but here, no one will care about you!" Li Xing said proudly

!

David glanced at Li Xing and the few subordinates he brought, and couldn't help but sneered and said, "Call everyone out, just you guys, you are not my opponent at all!" Li Xing was stunned, and

then He laughed loudly and said, "Hahaha, you are so fu**ing arrogant, you are just a newly promoted cultivator in the body-fit state, you dare to say such a thing, without other people, I can beat you to the point of crying!" "

"If you kneel down and apologize to me now, promise not to get close to Yisha in the future, and get out of Demon Imperial City from now on, I can consider to spare your life!" "Really? Then let me tell you,

if you kneel now Apologize to me, get out of Demon Imperial City from now on, I can think about it, and don't bother with you about deceiving me." David said with a cold smile!

"Damn, it seems that you are really courting death..."

Li Xing frowned, then waved his hand and said, "Give it to me, grab him..."

Six of Li Xing's subordinates rushed towards David in an instant. These people followed Li Xing to the Demon King City, specially selected guards!

Each of them has reached the cultivation base of the Composite Body Realm, and two of them have even reached the second rank of the Composite Body Boundary!

Li Xing thinks that there will be no problem for the six monks in the Composite Realm to deal with David, a newcomer in the Composite Realm!

"You should do it yourself, don't let your subordinates die in vain..."

David said to Li Xing!

"Don't be crazy, first defeat my subordinates!" Li Xing sneered!

But just after Li Xing finished speaking, the smile was still on his face, but he found that there was an extra sword in David's hand, and then the sword light flashed!

His six subordinates in the Fit state all stopped in an instant, and then fell to the ground with a plop!

There is a bloodstain on everyone's neck, and the blood keeps gushing out!

Seeing this scene, Li Xing's smile froze on his face.

"You...you..."

Li Xing looked at David in disbelief. Even if David's strength was much higher than his realm, it was impossible for him to do so in the face of six Compatible Body cultivators. Kill with one hit!

Li Xing himself would never be able to do it!

"Can we call other people out now?"

David looked at Li Xing coldly and asked.

"Let me test your strength first..."

After Li Xing finished speaking, he roared instantly!

This roar resounded throughout the entire mountain forest!

I saw Li Xing rushing towards David very quickly, and at the same time Li Xing's brows were filled with blood, and his fighting spirit surged wildly!

David was not careless about Li Xing's attack, because he knew that, as the prince of Mingli King City, Li Xing must have hidden skills!

David held the Dragon Slaying Sword in his hand, and the indestructible golden body on his body instantly activated, and as he held the Dragon Slaying Sword high, the spirit energy of the surrounding world swarmed in!

Chapter 2723

Li Xing looked at the Dragon Slaying Sword in David's hand, and frowned slightly. In the bloody light between his brows, a huge battle ax appeared in Li Xing's hand in an instant!

"Create the world..."

Li Xing slashed at David with an axe.

The ax carried the momentum of thunder, and the entire mountain forest resounded with rumbling sounds, and the surrounding trees were uprooted one after another!

David swung the Dragon Slaying Sword across his head, directly blocking Li Xing's blow!

Boom...

With an explosion, the Dragon Slaying Sword and Li Xing's giant ax collided together!

David got short, and immediately stood up, while Li Xing was instantly sent flying by the huge counter-shock force, flying more than ten meters before stabilizing his body!

"Sure enough, it's a good sword. I'm a sky-splitting axe. Under this blow, the sword in your hand is still intact!"

Li Xing looked at the Dragon Slaying Sword in David's hand, and couldn't help but see a little more in his eyes. Very greedy!

"Sky-opening axe? It's a resounding name, but you won't have a sky-opening axe in the future."

After David finished speaking, he activated the power of the dragon this time, and saw the dragon-slaying sword shining brightly, accompanied by a burst of light. The dragon chant sounded!

"Chop..."

David yelled loudly, and instantly chopped off the dragon sword!

A dazzling and bright sword light went straight to Li Xing!

The terrifying sword light left a deep gully on the ground and reached Li Xing at a very fast speed!

Seeing this, Li Xing quickly raised the sky-opening ax in his hand to block in front of him!

Boom...

The huge force caused Li Xing's body to fly backwards again. After knocking down more than a dozen trees, he fell heavily on the ground!

Li Xing's face was extremely ugly, he got up slowly, and looked at David with terrified eyes.

But when he picked up his Sky Opener, his expression became even more frightened!

I saw that Li Xing's huge sky-opening ax had been cut in half at this moment, and only the handle of the giant ax was still in Li Xing's hand!

"How is it possible, this... this is a sky-opening ax made of tungsten steel, how could it be like this!"

Li Xing couldn't understand how the invincible sky-opening ax in his hand could be defeated by David's sword. Next, it becomes two halves!

The sword in David's hand, what kind of magical weapon is it!

"Your sky-opening ax is gone, should you call your companion out?"

David asked Li Xing!

Li Xing gritted his teeth and said, "Brother Huben, it seems that this kid needs the two of us to deal with it together..."

Following Li Xing's voice, Huben stood up from his hiding place!

After seeing Huben, David instantly understood why the guard lied to him just now!

"Hu Ben, you, as the general guarding the Demon Imperial City, joined forces with Li Xing to trick me here, are you guilty?"

David asked Huben!

Speaking of which, Huben should also be regarded as David's subordinate.

"Convicted? Convicted of what crime? I just can't understand you. I followed Brother Li Xing to deal with you. What can I do?"

"I will be the Heavenly King of the Demon Imperial City."

“Even if I kill you today, I believe that Princess Isa and the Demon Emperor would not dare to do anything to me!”

Huben said with a look of disdain! “Kill me?” David sneered, “If you really dare to kill me, your demon emperor

will tear you to pieces!”

won’t know.”

After Huben finished speaking, he actually took out a ball from his bosom, and

Suddenly, the entire mountain forest was wounded, and the air suddenly shook, accompanied by a ray of light, the sphere floated in the air like the sun and was irradiated by thousands of golden lights, the place where the golden light shone seemed to be sealed!
