

A Man Like None Other Novel

Chapter 2847

Seeing this, several guards quickly took out their weapons and surrounded David!

Seeing this, the three heroes of the strange thieves hurriedly guarded around David!

They can't let David have an accident, if David has an accident, it's their accident!

"The three of you step back, these guards won't do anything to me."

David said confidently!

Seeing this, the three masters of the strange thief retreated back!

One of the guards said to David, "You are so brave, you dare to fight privately in Jialing County, are you tired of working?"

", is not a person with status at all!

"Which eye of yours saw me fighting privately? I didn't fight privately, and I didn't hit anyone."

David said!

"Someone has already sued you, and you still want to deny it, not to mention that we have already captured the aura that just came out. Don't think that we can't admit it because we can't see it." The guard said sharply

!

"Then I'll sue them, are they the ones who beat me?" David said with a cheeky look!

"David, you don't have to quibble. There are so many people watching, and they can all testify that you hit our young master, and our young master didn't fight back at all!

"Is the messenger so easy to fool?"

After Shi Tieqiao finished speaking, he actually walked up to several guards, and said with a smile on his face, "Several servants, this guy is too bad. He broke the rules of Jialing County. You still deny him in every possible way, you can't let him go lightly!"

Shi Tieqiao said, and even took out some spiritual coins and gave them to several guards!

Several guards put away the spirit coins, smiling all over their faces, "Elder Shi, don't worry, anyone who dares to fight privately in our Jialing County will not be lightly forgiven."

"I'll arrest him right now, but I still need your Young Master Ji to go with him. As long as the injury is checked, his sophistry is useless!" These guards seem to

know people from the Feitian Sect, after all, the Feitian Sect is nearby. It's a big sect!

"This is no problem, we fully cooperate!"

Shi Tieqiao nodded repeatedly!

"Boy, come with us. If you break our rules, you will be punished!"

A guard said, stepping forward and grabbing David's shoulders!

"Stop..."

At this moment, there was a sudden cold shout, and then Master Yan's figure appeared!

"Master Yan..."

Seeing Master Yan, the guard hurriedly packed his luggage!

Even Ji Yun and Shi Tieqiao of the Feitian Sect, including other people in the yard, respectfully called out to Lord Yan!

After all, in this Jialing County, apart from the princess of Jialing County, it is Mr. Yan who has the greatest power!

Many people have never seen the appearance of the princess, but they can see this Lord Yan!

"What's going on?" Lord Yan asked the guard!

"Reporting to Master Yan, this guy is fighting privately in our Jialing County city, and I'm about to arrest him!"

said the guard!

"Did you see him fight privately?" Lord Yan asked!

"Eh..." The guard was stunned, "That's not true, but there are witnesses. Many people have seen him beat Young Master Ji of the Feitian Sect." "Master Yan,

this guy really did something to our young master. Our young master's face
Come on, you still have scars on your body!"

Shi Tieqiao said hastily!

Master Yan looked at David, and David said with a relaxed face, "Master Yan, why do you guards in Jialing County still accept spirit coins? Of course you will accept the spirit coins from Feitianzong in front of so many people." Follow what the people of Feitianzong said."

"Anyway, I didn't fight privately, and I didn't do anything..." "

But since Master Yan is here, I just happened to borrow some spirit coins from Master Yan." "

How much!" Yan Yan asked. asked the adults!

"A billion spirit coin." David stretched out a hand and said!

Chapter 2848

"One hundred million?" Master Yan was taken aback for a moment, and then said, "I don't have a hundred million spirit coins on me, I need to withdraw it." Master Yan is really a wonder to borrow money!

"David, our son's injury is still there, it's useless if you try to deny it." Seeing David's refusal, Shi Tieqiao shouted angrily!

"That's because your son is stupid, he fell by himself, what's the matter with me?"

David said with a disdainful smile!

"You..." Shi Tieqiao was so angry that he was half dead!

And those guards also looked a little ugly at the moment, they didn't expect Lord Yan to come!

"Okay, since we haven't seen this incident, let's just leave it at that, no one is allowed to fight privately in Jialing County!"

Lord Yan waved his hand and said!

Obviously, let's forget about this matter, let's not pursue it!

Hearing what Master Yan said, Ji Yun immediately became unwilling.

"Master Yan, I have an injury on my body, and someone saw it, but you just said a word and let it go?" "

If this is the case, can I fight privately in Jialing County?"

Ji Yun turned to Master Yan. questioned!

"Try..." Master Yan's face turned cold, and he looked at Ji Yun with a stern expression!

Seeing Lord Yan's expression, Ji Yun hurriedly said, "I'm just making an analogy. I will never do anything to break the rules of Jialing County!

" "

"I've said it before, but I didn't see it. If I see him fighting privately, I will definitely punish him."

Lord Yan said!

"Okay, then I'll show Lord Yan how crazy this guy is!"

After Ji Yun finished speaking, he went straight to David, then glanced at Liu Ruyan beside David and said, "David, this woman is your Taoist companion, right?"

"It's too wasteful, after you leave Jialing County, watch how I strip off this woman's clothes and let everyone ride on it..." "

Bastard, rascal..."

Liu Ruyan cursed with her face flushed. Go!

But Ji Yun looked at David with a faint smile on his face. He was deliberately provoking David so that David could beat him. In this case, Master Yan saw it with his own eyes!

"Are you provoking me on purpose to hit you?"

David asked!

"That's right, weren't you awesome just now? Why are you afraid that Master Yan is here?"

"Hit me, hit me..."

Ji Yun put his face in front of David, constantly provoking!

"Since you want to be beaten so much, then I will grant you..."

David said, raised his hand and waved it out!

Snapped!

With a crisp sound, Ji Yun was slapped hard!

But when Ji Yun was very happy and was about to let Lord Yan punish David, David didn't stop, and then his palm fell down again!

Pa, pa, pa...

A series of crisp sounds hit Ji Yun's face directly!

Everyone on the side looked dumbfounded, only to see that Ji Yun's head was like a rattle, being whipped back and forth by David, Ji Yun didn't dare to fight back!

"Master Yan, did you see, did you see that David has made a move, he is beating our young master..."

Upon seeing this, Shi Tieqiao hurriedly stepped forward and said to Master Yan!

"I saw it, I don't need you to remind me." Lord Yan said coldly!

"Since you saw it, why don't you stop him quickly?"

Shi Tieqiao said anxiously!

At this time, Ji Yun had already been slapped dozens of times by David. He wanted to hide, but he couldn't dodge, he was dizzy from the slap!

"Are you ordering me?" Lord Yan looked at Shi Tieqiao with a cold expression!

This made Shi Tieqiao tremble with fright, he waved his hands again and again and said, "No, no, I dare not..."

Everyone just watched Ji Yun being beaten into a pig's head quietly, and no one stepped forward to stop him!

Chapter 2849

"Ah..."

After being beaten for a long time, Ji Yun became angry when he saw that no one was stopping him, so he roared and swung his palm towards David!

Seeing this, David backed away quickly, avoiding Ji Yun's palm!

Ji Yun is at the seventh rank of the Fit Body Realm, and he still strikes with anger. This palm is very powerful, and David will not take it hard!

Seeing that David dodged his palm, Ji Yun's eyes were full of anger, he jumped up again, and went straight to David!

But just as Ji Yun jumped up, Lord Yan waved his palm lightly, and instantly pressed down with great force, pinning Ji Yun in place and unable to move!

"How dare you do it in front of me?"

Lord Yan shouted sharply!

"Master Yan, it was David who hit me first, and you saw it too."

Ji Yun said angrily!

"Of course I saw it. He beat you and violated the rules of Jialing County. Of course I will punish him." "

And if you fight back, it's a fight. Both of you will be punished!"

Master Yan said!

As soon as Ji Yun heard this, he quickly explained, "Master Yan, it was David who struck first. If I don't fight back, I will be beaten to death

."

There is no room for bargaining, but since you were beaten back, you will be given a lighter punishment, and David will be given a heavier punishment."

Master Yan said!

Hearing this, Ji Yun felt better, and then looked at David coldly and said, "David, don't be crazy, if you dare to do something in front of Master Yan, just wait and see how you will be punished later." You!"

David didn't care at all, with a sneer on his face!

"David, you fought privately in public and violated the rules of Jialing County. I think I will punish you. You are limited to leave Jialing County within half a day. If you don't leave within half a day, I will arrest you and put you in a dungeon." Go inside!"

Master Yan said to David with a serious face!

"No problem!" David nodded!

Originally, David planned to leave Jialing County, half a day was enough!

But Ji Yun was dumbfounded when he heard this punishment. He looked at Master Yan in disbelief and said, "Master Yan, this...is this a severe punishment?" "Why? You think it's inappropriate?" Master Yan asked

!

"No, no, that's not what I mean." Ji Yun shook his head again and again, "Then how did Lord Yan punish me?" "

You should be given a lighter punishment, just pay a fine of 1 billion spirit coins, and I won't drive you out of Jialing County!"

Lord Yan said very casually!

"A fine of one billion spirit coins?" Ji Yun's lungs were about to explode when he heard it!

How can this fucking be a lighter punishment, it is even heavier than David's punishment!

But Ji Yun didn't dare to say anything, after all, this is in Jialing County, on his territory!

"Why? Do you think it's less?" Master Yan asked!

"No, no, a lot, a lot..." Ji Yun quickly shook his head, and hurriedly asked Shi Tieqiao to take out a hundred million spirit coins to fine him!

Although a billion spirit coin is nothing to Feitianzong, after all, Feitianzong is mainly engaged in business and is very rich!

But this unfair punishment made Ji Yun very uncomfortable!

Ji Yun didn't expect that something that made him even more uncomfortable appeared next!

After receiving a fine of 100 million spirit coins, Master Yan threw it directly to David.

"This is a 100,000,000 spirit coin you borrowed, take it away..."

Master Yan said as he threw the spirit coin to David!

"Thank you, Master Yan!" David smiled and put away the spirit coins!

Pfft...

Seeing this scene, Ji Yun was so angry that he vomited blood, but even so, he didn't even dare to fart.

"I warn you, whoever dares to fight privately will never be lightly forgiven!"

After Master Yan finished speaking, he disappeared with a shake of his body!

Several guards also left in despair, while others looked at David in shock!

Even if they are blind, they can see that Master Yan is obviously favoring David!

Chapter 2850

Ji Yun was so angry that he trembled all over, looked at David coldly, gritted his teeth and said, "Boy, you wait, as long as you leave Jialing County, I will kill you!" "I'm waiting..."

Chen

Ping He smiled flatly, then turned and walked into the living room!

Others also walked in, but this time, many people looked at David with strange eyes, guessing about David's identity, why did Lord Yan openly favor David!

David is just a little cultivator of the second rank of the Body Fit Realm, and his strength is not very strong.

Could it be that Master Yan is related to David?

"Hello, brother. My name is Yuan Bao. Are you also here to buy the treasure map?"

At this moment, a burly man with a sword on his back came over and greeted David!

This person is one of the first three people, the realm of the fifth rank of the fit state!

"Not bad!" David nodded!

"I don't know whether this treasure map is true or not, but I heard that this ancient body-refining clan does have treasures. If brothers also plan to find treasures, we can go together." "You know,

Jibei The place is sparsely populated, the environment is harsh, and monsters often come and go." "

What's more, many demon cultivators hide in such sparsely populated places. With your current cultivation base, even if you find a treasure, it may be difficult to keep it. Yes!"

Yuan Bao took the initiative to form an alliance with David!

David knew that the reason why Yuan Bao asked him to form an alliance was nothing more than seeing Lord Yan's attitude towards him!

Otherwise, how could a monk of the fifth rank of the Composite Body Realm find an alliance with monks of low realm like them? Wouldn't that be a burden for himself!

It's just that David doesn't want to form an alliance with anyone. In the environment of Heaven and Human Realm, David dare not trust any stranger easily!

Because no one can resist the temptation of benefits!

"Sorry, I haven't made up my mind to find the treasure yet, I just came here to have a look..."

David said with a faint smile!

"Oh, forget it!"

Yuan Bao was a little disappointed, and sat back in his seat!

"I'm sorry to keep you waiting for so long..."

At this moment, a tall figure appeared, wearing a mask, and said, arching his hands towards everyone!

David took a look at this person, and then a divine sense enveloped him in an instant!

The man seemed to be deliberately suppressing the aura in his body, so David's spiritual investigation failed to find anything!

Seeing this, David strengthened his consciousness again. This time, he sensed a breath of the ancient body-refining clan from the man, which proved that Watt really belonged to the ancient body-refining clan, and he was not lying!

Watt also seemed to feel that someone was probing him, and looked at the few people in the living room.

Seeing this, David quickly put away his consciousness and pretended to be relaxed!

Watt looked at him twice, but he didn't find who was probing him, so he gave up, and then said, "I believe that you are here for the treasure map.

" Let me introduce, my name is Watt, I come from the extreme north, and I belong to the ancient body-refining clan." "

Many of you should have heard that a long time ago, the predecessors of our ancient body-refining clan once buried a treasure, and now after such a For many years, no one can remember the location of the treasure!" "

However, in my hand, there is a treasure map of this treasure, because of the age, there are some incomplete, but the general location is still shown." "

My treasure Picture, 100 million spiritual coins, as for you holding the treasure map, who can find the treasure, it depends on your own luck, don't ask me whether the treasure map is true or not, trust me, pay for the treasure map If you don't believe me, go out and turn right, and I won't force you!"

Although Watt was wearing a mask, his tone was very haughty, as if he had no worries about selling his treasure map!
