

Read Novel Married At First Sight Chapter 2130

Married at First Sight Chapter 2130-But in the Farrell family, it was the daughter who spoke loudly.

Kathryn was the only daughter of Matriarch Farrell, she was indeed the young mistress now, and would take over the position of Matriarch in the future. Kathryn really had the final say on this family.

Her elder brother had no inheritance rights, let alone her sisters-in-law. Although the woman had the final say in this family, she was a woman surnamed Farrell, not a married outsider.

“Okay, I’m still out of breath, what are you arguing about?”

Matriarch Farrell said majestically, “Since I promised to replace Kathryn with a new car, I won’t go back on my word. If you have any opinions, let me swallow them.”

“Anyway, Kathryn is also the young mistress of our family. It is embarrassing to drive an old car all day long. She represents our Farrell family now. She is ashamed, and the Farrell family is also ashamed. Changing Kathryn’s car is for me. This is the face of our Farrell family. Shiloh, tomorrow you will accompany Kathryn to buy a car.” Matriarch Farrell said to Kathryn again: “What kind of car do you like, just tell Mom, and Mom will send someone over to give the money.”

“Thank you Mom.” Kathryn thanked happily.

Kathryn didn’t bother to answer what other people thought.

She had been pretending to be a cat for more than a year, and occasionally she had to show off, lest everyone think she was a sick cat.

“Where did you go this afternoon? You haven’t seen anyone all afternoon, and you just came home now.” Matriarch Farrell suddenly asked Kathryn.

Kathryn said honestly: “I went to visit Mr. Donald in Queen’s old house, Mr. Queen and Mr. York were also there, they invited me to eat, the kindness is hard to turn down, I just came back after eating at Queen’s house.”

Hearing this, Shiloh was so jealous that she went crazy.

She wanted to get close to Mr. Queen, but Mr. Queen didn’t even want to talk to her.

The last time her beauty rescued the hero, instead of saving the hero, Kevin ordered someone to throw her out, which made her feel ashamed and extremely embarrassed.

Thinking of Hayden's gentleness towards Kathryn at the banquet last time, Shiloh became more and more jealous.

In her opinion, Kathryn was no better than her, and Hayden would be gentle with Kathryn because of Kathryn's identity.

If she was still the successor of the Farrell family, Hayden would definitely be gentle with her.

Shiloh hated Kathryn.

She hated Kathryn for taking away her successor's identity, making her a fake daughter, an embarrassing existence in Farrell's family and even in the upper class of Jensburg.

"Did Mr. Queen invite you to go?" Shiloh asked sourly.

"I went by myself. I said that I went to visit Mr. Donald, not for Mr. Queen." Kathryn said indifferently, "I will always deal with those big bosses in the future. When I have free time on weekends, I will go to visit and get acquainted with the big bosses. It will also benefit the future of our Farrell Group. I had a very happy conversation with Mrs. Queen. We chatted, and time passed. Mr. York and Mr. Donald went fishing and grilled fish, so they let me eat."

Kathryn's father said to his daughter again with a straight face: "Are you going to visit Donald, or are you going after Mr. Queen? Kathryn, it is impossible for someone like Mr. Queen to become the son-in-law of our Farrell family. Yes, Dad advises you, it's better to give up that heart."

This was true.

But Mr. Farrell didn't want to make Kathryn feel better by saying that.
