**Married at First Sight Chapter 2131**-Matriarch Farrell's husband's surname was Janzen. Everyone in Farrell's family addressed him as Mr. Janzen.

His sons also took his surname Janzen.

When he was young, from the day he decided to be the son-in-law of Matriarch Farrell, he was destined to be unable to straighten up in front of Matriarch Farrell for the rest of his life, and would be crushed to death by his wife.

Fortunately, Matriarch Farrell also fell in love with him back then, and the couple had feelings for each other.

In front of his children and maids, Matriarch Farrell would usually give him face and establish prestige for him.

It was also in front of his children that he could find the feeling of being a parent.

After hearing what her father said, Kathryn twitched the corners of her mouth and said, "I didn't think about asking Mr. Queen to be your son-in-law, and I made it very clear that I was going to visit Mr. Queen, but it was the weekend, and Mr. Queen was also home.

Dad, you don't have to worry about me going crazy for Mr. Queen. You should worry about your precious daughter. She is the one who is crazy about Mr. Queen."

Mr. Janzen looked at Shiloh and said, "Shiloh, you are different from Kathryn, you can boldly pursue Mr. Queen with peace of mind. Dad supports you, Mr. Queen is such an excellent man, if you capture him, your mother will be very happy."

Matriarch Farrell also smiled and said: "Shiloh, mom also said that you are free to pursue your true love."

"Mr. Queen and Shiloh are very talented."

Oldest Young Mistress Farrell, Erika praised.

The whole family hoped that Shiloh could marry into Queen's family and become the oldest wife.

As for Kathryn, she could only recruit a useless man to be her husband and son-in-law of Farrell family.

Capable men generally would not be the son-in-law, so Kathryn's marriage was definitely not as happy as Shiloh's.

Encouraged by everyone's words, Shiloh blushed, straightened her waist again, and glanced at Kathryn as if showing off.

Kathryn gave her a look that seemed to be a smile but not a smile, and she was so angry that Shiloh was half dead.

She always felt that Kathryn seemed to know something.

"Mom, I think Donald and his wife like Mr. York very much, and Mr. York is treated like a son-in-law in Queen's house."

With Kathryn's words, everyone in the room was silent.

Now the one who pursued Mr. Queen the most was Kevin.

If Mr. Queen falls in the end, it will really break the heart of the whole place.

Kathryn: "I chatted with Mrs. Queen today, and Mrs. Queen took me around their yard a few times. I'm very tired. Mom, I'll go upstairs to rest first."

"Go." Matriarch Farrell responded lightly.

Kathryn got up and went upstairs.

Destroying the mood of everyone in the room, she went upstairs calmly, not caring how jealous or sad Shiloh was.

"Mom, tell me, will Mr. Queen be captured by the Mr. York?" Shiloh asked Matriarch Farrell anxiously.

Shiloh: "Mr. Queen is such a good man, if... I will die of heartache!"
