The Ex-Husband's Revenge Chapter 145

"Enough! You don't have to pretend!"

"We're both men here, don't think I don't know what you were thinking!"

"I'm telling you, trash like you should know your place. Stop thinking about dating above your station!"

"You're not worthy!" Duncan snorted.

Lily was so pretty and pure. Any man would be moved by her looks. He refused to believe Leon did not look at Lily that way.

He tried to figure out a way to completely kick Leon out of the running!

"You're right, Lily's too good for me, but you're not even comparable to her!" Leon had a dark look on his face, having been angered by Duncan's arrogance.

"Brat, do you know who I am? How dare you talk to me like this?!"

"Are you sick of living?!" Duncan shouted out angrily as he looked at Leon hatefully.

If he was not trying to leave a good impression on Lily, he would have rushed forward to teach Leon a lesson right then!
