The Ex-Husband's Revenge Chapter 146

There was a mocking laugh as Bowden walked over with seven or eight muscular, fierce-looking young men.

The frontman looked to be about thirty years of age. He had a lot of tattoos on his arms and neck, and he seemed incredibly fierce. He did not look like someone to be trifled with at all.

He was Walter Grim, Bowden's cousin.

"Bowden, what are you doing here?!" Lily's expression changed.

Both Jared and Serena's looks darkened as well.

Even Rizzy and Richard were shocked at being surrounded by so many fierce-looking people.

"What do you think?!"

"Of course, I'm here for revenge on Leon? What else could I be doing?!" Bowden laughed coldly.

"Bowden, we've been neighbors for so many years. W-what are you trying to do?" Serena said with a sour look on her face.
