The Ex-Husband's Revenge Chapter 152

Walter was frantic in anger, and he had a vicious look on his face.

“Oh?”

“Then I’ll give you half an hour. Go ahead and call whoever you want. Let’s see how capable you really are!” Leon sneered.

They were in a lawful society. Even though he beat up Walter and his men, there was no way he could actually do anything to them. At the most, he could just teach them a lesson.

However, Walter seemed to refuse to learn his lesson. If Walter remembered this grudge and tried to take revenge in the future, the grudge might spill over to Lily’s family.

That would be disastrous!

He was incredibly skilled, so he was not afraid of any revenge from Walter, but Lily’s family were all just commoners. There was no way they would be able to stand up against Walter’s revenge.

The best way to handle it was to have Walter summon up everything he could at that moment. After that, Leon would have completely defeated Walter until Walter was filled with fear and hopelessness!

That was the only way to deal with it properly!

“Alright, you said it yourself.”

“Don’t regret it!”
