The Ex-Husband's Revenge Chapter 20

"That's right," Leon nodded earnestly.

Leon was not very educated, and his abilities when it came to working were quite average as well. It would not be easy for him to find a good job quickly. If Elder Young could get him a stable job, it would be a lot of help for him.

"Leon, forgive me for being straightforward, but with your amazing medical skills, surely it wouldn't be hard for you to become a famous doctor like Graham? Why would you want a regular job?!" Elder Young said curiously.

With the skills that Leon showed earlier, many rich and powerful people would be willing to deal with Leon.

Whether it was money, power, or fame, Leon would be able to get it easily.
