

The Ex-Husband's Revenge By Dragonsky

Chapter 2236

Chapter 2236

"Rodney, if it's just you, I'm more than enough! Why would Mister Hiltons need to work with me?!" Rodney said proudly.

If it was before, he would not have dared to go against Rodney!

However, after he obtained the Supreme Pure Energy Pill and the Cleansing Pill, he already broke through to the intermediate Emperor State!

Rodney was only at the initial Emperor state, and was still a little away from the intermediate Emperor State!

That was something everyone in the younger generation of the southern region knew!

There was no way he would be afraid of Rodney!

On the other hand, everyone knew of how Yuri was incredibly talented and powerful, but no one knew of Yonas' abilities!

That was always been something he was hung up on!

However, the chance was here!

As long as he was able to show off and defeat Rodney in public, he would not just be able to save a beauty, he would bolster his reputation as well!

It was perfect!

"What?"

Hearing that, Rodney and Joel were both shocked, novelx.o not believing their ears!

Of course, they were not the only ones who were shocked, the crowd was too!

Even though they did not know how strong Yonas was, there was something they knew very well!

Amongst the younger generation of the whole southern region, other than Yuri and Rodney, the other heirs of major families like Joel and Darius were all just at the Semi Emperor State at most!

Based on their guesses, if they were not mistaken, Yonas was only at the peak Overlord State or Semi Emperor State at most!

With Yonas' weak abilities, they could not understand where Yonas got the courage to stand up against Rodney!

Was that not suicidal?!

They did not think that Yonas would be able to beat Rodney. It did not sound possible!

"Yonas, you sure are arrogant!" Rodney was incredibly frustrated.

He hoped for Yonas and Joel to work together against him. That would give him an excuse to retreat!

Yet, he never would have expected that Yonas would not only reject working with Joel but even challenged him alone!

It caught him completely off guard!

"You'll know very soon if I'm arrogant or not!" Yonas said calmly.

"Oh? Is that so? novelx.o Let's see what you're capable of then!" Rodney was angered by Yona's provocations.

However, he forced the anger down the moment he remembered his plan with Joel!

Things never went according to plan. With how Yonas was acting out of the script, he was panicking!

It was going to be hard for him to figure out how to fall back after this!

Yet, before he could even think about it, something that shocked him happened at the next moment!

"Rodney cut the crap! I'll show you how strong I am right now! Take this!" Yonas said coldly.

Even though he was already at the intermediate Emperor State and a level higher than Rodney, Rodney was still just a bit away from the intermediate Emperor State!

On top of that, Rodney was part of the underworld, he was very experienced in combat. So, Yonas might not be able to defeat Rodney!

So, novelx.o Yonas took advantage of Rodney being deep in thought to seize the initiative. Charging forward at Rodney with imperious power!
