

The Ex-Husband's Revenge By Dragonsky

Chapter 2237

Chapter 2237

"Intermediate Emperor State? H-how is this possible?!"

Rodney was shocked when he felt the true energy coming from Yonas. He could not believe his eyes!

Of course, he was not the only one who was shocked, Joel and the others were too!

They never would have dreamed that someone was already at the Emperor State amongst the younger generation outside of Yuri and Rodney, and he was already at the intermediate Emperor State!

It was really hard to believe!

It was obvious how shocked all of them were!

"Not good."

When Rodney recovered from the shock, he did not dare to delay things for a moment as he hurriedly dodged, trying to avoid Yonas' attack.

Unfortunately, he was still a step too late. On top of that, Yonas was stronger and faster than him!

No matter how he tried, he failed to completely avoid Yonas' attack, and he was struck in the chest!

Rodney grunted and staggered back a few steps before he regained his footing.

Right after that, he felt blood surge up his chest, and a sliver of blood started to drip from his mouth.

"Don't you dare!"

Seeing Rodney being injured by Yonas, Rodney's subordinates were shocked.

After that, they tried to help Rodney deal with Yonas but were stopped by Rodney.

"Stop! All of you, fall back!" Rodney said.

"Yes!"

The men were forced to stay back with the order.

"So, Rodney, have you finally witnessed how strong I am?!"

Yonas was incredibly spirited after the victory. He had a pleased smile on his face.

"Yonas, I can't believe you've made it to the intermediate Emperor State! It looks like the pills from Cynthion Group are effective!" Rodney said darkly, already realizing what happened.

During Cynthion Group's sales drive, Leon let Roanne use the Supreme Pure Energy Pills and Cleansing Pills in front of everyone to prove their effects!

In the end, Roanne managed to get to the intermediate Emperor State from the Semi Emperor State!

That was something he knew about!

Yonas, whose talents were nowhere near his and Yuri's, suddenly managed to get to the intermediate Emperor State!

It was obvious to him that Yonas probably consumed the Supreme Pure Energy Pill and Cleansing Pill as Roanne did!

There were no other possibilities!

With that in mind, he did not despair or get sad at all. Instead, he was even more spirited. It increased his motivation to seize Cynthion Group from Leon!

With Cynthion Group's influence and the miraculous effects of their pills, the Spears would be able to stand over the whole southern region or even Sky County, if they managed to gain Cynthion Group!

"So what if I did?! Rodney, let's see what you've got! I want to see what the famous son of the Southern Boss can do today!" Yonas said with disdain.

He was somewhat of an arrogant and proud person, and he managed to injure one of the top two among the younger generation in one attack.

That caused him to become incredibly confident, and his personality started to show even more.
