

The Ex-Husband's Revenge By Dragonsky

Chapter 2251

Chapter 2251

"No! I won't let you be slapped for no reason!" Yonas's eyes turned cold, quickly made a decision.

He was angered in the first place. With Fiona acting so pitifully, his heart ached even more!

On top of that, he wanted to take Yuri's position as the family's heir. If he allowed Roanne to just bully his woman like that and not do anything, he would completely lose his face!

He would not have the right to fight against Yuri after that!

"Roanne, since you're still young and naive, I'll give you a chance! As long as you sincerely apologize to Fifi, then I'll forget about this! Otherwise, don't blame me for being impolite to my family!" Yonas said coldly.

Even though he already agreed to help Fiona, Roanne was still his cousin. There was no way he could do that much to Roanne!

So, he decided to take a step back. As long as Roanne was willing to apologize and save him some embarrassment, he could let the matter drop!

That was as much as he would allow!

"Impossible! Yonas, this woman is not a good person! I won't apologize to her!" Roanne said firmly. Her voice was very clear, and she left no room for disagreement.novelxo

"You-"

"Very well! You asked for it! Since you're being stubborn, then don't blame me for now holding back!" Yonas was thoroughly angered.

After that, he did not hold back for a moment as he sent a vicious slap at Roanne's face, trying to seek justice for Fiona!

"Sir, you can't!"

John was shocked. He hurriedly struck out to block Yonas's slap.

"John, are you just planning on going against me now?!" Yonas was furious. He already lost all his patience.

"I have no intentions of doing that. Sir, I feel like the girl is problematic. Please, think about it," John said in a hurry.

With all his age and experience, he was able to see that Fiona was deliberately trying to stir trouble just like Iris had.

After that, he wanted to advise Yonas some more, but Yonas interrupted him before he could continue!

"John cut the crap! I'll ask you one last time, are you going to give way or not? If you aren't, then I'll cut through you first! " Yonas said angrily.

He was incredibly furious at that moment. There was no way he would be able to believe John's advice!

"Sir, I can't give way," John said stubbornly.

"Very well! You asked for it! Since you want to die, I'll grant you your wish!" Yonas was furious. He was so angry his eyes turned red.

Roanne was his cousin. He was worried that he would be punished by his grandfather after the matter. So, at the most, he would have taught Roanne a bit of a lesson, and he would not have done much to Roanne!

However, John was different. John's position was far beneath his!

He could not do anything to Roanne, but that did not mean he could not do anything to John!

Right after that, he did not hesitate at all as he charged forward with all his might, striking right at John's chest!
