

# The Ex-Husband's Revenge By Dragonsky

Chapter 2270

Chapter 2270

With Yonas.

After leaving Elegante, he brought Fiona back to his villa, along with Norm and Sully.

It was a high-end residential area and was not far away from where the Thompsons stayed. It was a gathering place for many of the young and rich elite!

Yonas was quite a playboy, and his personal life was quite a mess. He changed girlfriends like he changed clothes!

There was naturally no way Arthur would allow him to casually bring in any random girls back to the family!

So, Yonas bought his villa in the area nearby which he could use to party and have fun, keeping his women there as well!

Arthur already knew how his grandson was. As long as Yonas did not do anything too evil, Arthur closed one eye to most things, rarely interfering!

The fact of the matter was, other than being quite selfish and arrogant, there was nothing too special about Yonas. Yonas never did any evil deeds!

This time, he was influenced by Joel and fell for Joel and Rodney's plot. That was how he ended up trying to use such a despicable method to steal Elegante's shares and provoked Leon in the process!

However, he was still completely in the dark. He did not know that he was just a pawn in someone else's hands!

In the living room.

"Despicable! Leon's just a wretched dog. I will never forgive him!"

After returning to the villa, Yonas could no longer hold back his anger. He grabbed a cup from the table and viciously threw it onto the ground!

With a loud noise, the expensive ceramic cup immediately shattered into pieces!

"Yonas, please calm down! Leon broke your arm and injured you quite badly. Let's bring you to the hospital for treatment in case it gets worse," Fiona said with concern, but there was a look of glee in her eyes.

Leon and Yonas already became enemies with a deep grudge against each other!

With the relationship of the first line of direct descendants with Leon, Angus' family could very well get dragged in.

After that, they would end up in conflict with Yonas, and the Thompsons would have an extensive internal problem!

It was perfect for her!

That would mean Rodney's task for her would be perfectly accomplished!

It was obvious how happy she was!

"There's no need! I don't need to be embarrassed like that! Norm, both of you go find me a doctor to treat me," Yonas

held back the anger in his heart as he ordered Norm and Sully.

This time, he was injured by Leon because he wanted to seize Elegante's shares. It was not something to be proud of!

If he went to the hospital for treatment and someone found out, the matter would immediately spread everywhere!

Not only would it damage the reputation of the Thompsons, he could very well end up becoming a joke as well!

That was not something he wanted to happen!

So, he decided to just get a doctor to treat him. It was far better than getting treated at the hospital!

"Yes! Norm and Sully acknowledged.

After that, the two of them drove away from the villa to find a doctor.

"Yonas, you should be resting with your injuries. Let me help you into the room!" Fiona said firmly.

"Yes, alright!" Yonas nodded.

After that, with Fiona's help, Yonas and Fiona went into the room on the first floor.
