

# The Ex-Husband's Revenge By Dragonsky

Chapter 2275

Chapter 2275

'Mister Spears, Yonas is already dead!'

The Fourth Apostle tested out Yonas's pulse and was sure that Yonas no longer showed any signs of life.

'Very good! Fourth Apostle, you didn't leave any clues, right?' Yonas said carefully.

'No! Mister Spears, don't worry. I used a secret method to stop his heart just now! Even if the Thompsons get a doctor to perform an autopsy, they won't notice anything!' The Fourth Apostle said confidently.

'That's good! This time, Yonas is the one who died. It'll quickly be Leon's turn!' Rodney started to laugh happily. He felt very good about himself at that moment!

Of course, he was not the only one who was happy, Joel was as well!

Both of them had a deep grudge against Leon and hated Leon to the core.

The chance was finally there for their revenge!

The moment the Thompsons find out that Leon killed Yonas, they would spare no price in killing Leon to take revenge!

Then, the Spears and the Hiltons would not even need to lift a finger before they got rid of Leon. Without the protection of the Thompsons, they would also be able to seize Cynthion Group easily!

It was the perfect plan!

It was obvious how happy the two of them were!

Other than that, Rodney could have just killed Yonas by himself!

However, there were no eternal friends in the world!

Rodney deliberately brought Joel along so that Joel would participate in Yonas's murder. That way, Joel and the Hiltons would be firmly tied to the Spears!

At the same time, it would stop the Hiltons from betraying them or stabbing them in the back!

It had to be said that Rodney's plans were quite perfect. His cunning did not lose out to Joel at all!

The two of them did stand at the top of the youth in the southern region. They did not achieve their fame for anything!

'Alright! Fifi, I'll leave it all to you now! Make sure to tidy up the room and make sure there are no clues left!' Rodney changed the topic as he spoke to Fiona.

'Yes,' Fiona answered respectfully.

'Also, you're the key figure this time! After you finish the later parts of your task, I'll make sure to properly reward you!' Rodney added.

'That-'

'I wouldn't dare! Just!' Fiona opened her mouth to speak but stopped there.

'What? Are you worried I'll kill any witnesses?' Rodney immediately saw through Fiona's thoughts.

'I wouldn't dare,' Fiona said fearfully as she quickly knelt.

Even though she said that she was still quite worried!

After all, Yonas was a direct descendant of the Thompsons, he was someone incredibly important. If the news that Rodney schemed against Yonas leaked out, the results would be disastrous!

For safety's sake, Rodney could very well kill her to silence any witnesses!

The dead could tell no tales!

'Don't worry! My father was able to establish our family and advance so far because we treat our subordinates well. We won't do something like kill on our own! Once you've completed your task. I'll grant you a large sum of money. Then, I'll send you and your parents away! You and your family will be able to live an easy and carefree life!' Rodney promised.

He was not lying to Fiona at all. Killing your own was a despicable method!

Rodney and the Southern Boss were above doing things like that!

Otherwise, they would not have been able to get so far!

'Thank you, Mister Spears,' Fiona was elated at Rodney's promise, calming down a lot more.

After that, Rodney motioned for the Fourth Apostle to move Yonas's body to the bed. After that, Fiona tidied up the room, cleaning up any traces of Yonas's blood. The room looked just like it did before!

After everything was done, Rodney saw that there were not many traces of the fight. So, he and Joel immediately left the place!

Only Fiona was left in the villa to deal with everything else!
