

# The Ex-Husband's Revenge By Dragonsky

Chapter 2276

Chapter 2276

After Rodney and Joel's group left, it took around another half an hour for Norm and Sully to arrive. They managed to get a famous doctor over.

The doctor was an old man around sixty years of age. He had a head full of gray hair and a serious aura about him. He was a famous doctor from the nearby area, and excelled in both traditional and modern medicine!

Behind him was a young helper with a box in hand. They looked very professional!

The few of them arrived at the living room and happened to bump into Fiona.

'Miss Fiona, where is he? This is Finlay Seger, the doctor we got,' Norm and Sully said respectfully.

The two of them knew that Fiona was Yonas's new girlfriend. They did not dare to offend her too much.

'Oh, Yonas was tired and he went back to the room to rest. I'll bring you all over to see him. The doctor can treat him too,' Fiona said casually. After that, she brought the others into the bedroom.

In the bedroom.

"Yonas, wake up, the doctor is here," Fiona deliberately put on an act as she called out to Yonas by the bed, but there was no reaction.

"What's wrong?" Fiona looked surprised. After that, she pulled the sheets aside and checked on Yonas before her expression changed drastically.

"No! Yonas, I think he's not breathing anymore!" Fiona cried out.

"What?"

Norm and Sully were shocked to hear that. They were almost blown away by Fiona's shock!

The next moment, they immediately hurried to the side of the bed as they checked Yonas's heartbeat and breathing.

In the end, it was clear that Yonas was showing no signs of life!

'How did this happen?'

'H-how is this possible?'

Norm and Sully were both completely frozen in place!

When they left earlier, Yonas was still perfectly fine!

Yet, no too long passed, and there was no longer any signs of life in Yonas!

That completely caught them off guard!

Suddenly, the two of them stood there, not knowing what to do.

'Doctor Seger, please help see what's wrong with Yonas,' Fiona said in a hurry.

Her words shook Norm and Sully out of their shock.

"Yes, Finlay, please hurry up and save him," Norm and Sully quickly reacted as they hurriedly made way for the doctor.

"Yes, alright."

Finlay walked over and checked Yonas's pulse first. After that, he had his assistant open up the case to take out some special tools to help check on Yonas's condition.

In just a moment, he was quickly done. His expression turned incredibly serious!

"Finlay, what happened to him?"

Norm and Sully were both incredibly anxious when they saw that Finlay's expression was not the best. They could not help but ask with some worry.

"I'm very sorry, but Mister Thompson's heart was obstructed. He's passed away. Please forgive me," Finlay sighed as he announced Yonas's death.

"What?"

The moment that was said, it was as if thunder struck!

Even though Norm and Sully were both already somewhat mentally prepared, they could still not accept the cruel truth!
