The Ex-Husband's Revenge Chapter 76

"Congratulations, Mister Sullivan! You spent all that money only on a dry green! I can never be as rich as you!" Leon remarked sarcastically and looked at Brody as if the latter was a fool.

"Why you..."

Brody was fuming, for he finally understood that he fell for Leon's trick. He stared at Leon with a fiery gaze and said, "It's all your fault, Wolf. How dare you raise your bid and dupe me..."

"What of it? What's stopping me from duping you when you did the same to me?"

Leon sneered after giving Brody a taste of his own medicine.

What he did not expect, however, was that Brody's luck would be so terrible as to get only some worthless dry greens. In that respect, Brody had only himself to blame for being so unlucky!

"I'm going to kill you for making me spend so much money!" Brody exploded with rage and rushed toward Leon like a madman.

"Control yourself! This is not the place for you to run amok!" Kai warned sternly.

As soon as he spoke, the scar-faced man from earlier and several other guards reacted within the blink of an eye. They rushed forward and surrounded Brody in a
