Chapter 961

After that, he pleaded to Jonah, and Jonah agreed to help him get Elder Young out so the family could be reunited!

However, Daisy controlled most of the family at that moment. Since Jonah was a direct descendant, he could not help Gilbert so directly in case he ended up being blamed as well.

After that, Jonah and Gilbert discussed things. The two of them reached an agreement. During the night, Jonah would figure out a way to send the guards guarding Elder Young away. Then, Gilbert could sneak in himself to bring Elder Young away.

“Good, this is amazing!” Iris was incredibly happy.

Since she was young, her closest family was her grandfather and her aunt.

Ever since she was forced out of the family, she already gave up on the Youngs. The only one she could not let go of was Elder Young.

It was obvious how happy she was that Gilbert found a way to get Elder Young out!

“Dad, why don’t I go with you at night? I want to see my grandfather as soon as possible. I can wait for in the car to help you get away later as well,” Iris suggested after her excitement.

“Isn’t that normal?!” Gilbert said unhappily.

Ever since Leon took Elegante back again, he did not like Leon at all. There was no way he would be nice to Leon.

If Iris did not love Leon, he would have already chased Leon away!

“But-”

Leon was still hesitant.

He did not think that anyone from the Youngs would care about their own blood relations.

Otherwise, Melvin, Jonah and the others would not just have let Daisy force Gilbert and Iris out just like that!

“This is our own family matter. It has nothing to do with an outsider like you. Why would you go?!” Gilbert said coldly.

Iris was incredibly unhappy, “Dad, can you stop being so rude to Leon?! He has good intentions and he’s very strong. If he wants to go, just let him. He might be able to help if there are any surprises.”

“Fine then, do whatever you want,” Gilbert said coldly, turning away to brood by himself, no longer saying anything.

“Iris, let me follow you too. I don’t want to stay at home alone,” Ruth said after some thought.

“Fine then,” Iris hesitated for a moment before agreeing. Everyone was going anyway, she did not mind having Ruth along as well.

At night, Leon, Iris and the others drove nearby the Young Mansion under the night sky.

Leon felt a chill in his heart when Jonah said that.

He just tried to test Jonah earlier, but Jonah actually invited him in!

It was not hard for Leon to guess that it would not be a good thing.

“Iris, Louisa, wait in the car. We’ll be right out.”

Leon turned to look at Iris, Louisa and Ruth. As he said that, he secretly shot Ruth a look.

Ruth immediately understood what Leon meant.

However, Iris and Louisa were completely oblivious, not knowing what Leon's look meant!

"No, I want to go too!" Louisa said happily. There was no way she would miss out on something so exciting.

"Leon, what is the meaning of this? Are you suspecting me of trying to harm all of you?" Jonah's expression darkened, and he started to look unhappy.

"You know best if that's true or not!" Leon said coldly. Since he already revealed his thoughts, there was no longer any need for him to hide it.

"Good, very good!

Jonah was furious at Leon's suspicions. He looked at Gilbert angrily, "Gilbert, I was trying to help you with the elderly out of the kindness of my heart, but it looks like it's not appreciated! Since you distrust me so much, just go back. I won't help with this anymore!"

As he said that, Jonah turned around to leave.

“Jonah, don’t go!” Gilbert was shocked. He hurriedly grabbed Jonah’s arm.

“Mister Young, just let him go. We should discuss this at length when we’re back,” Leon said hurriedly.

Iris took a deep breath, immediately calming down.

Even though she still did not think that Jonah would harm them, her feelings for Leon meant that she felt the need to listen to Leon. It was still better to be careful.

“Really? That’s great!” Leon was incredibly happy. He looked very spirited, and the shadow in his eyes was quickly gone.

“Iris, it’s one thing for this brat to act crazy, why are you being crazy as well?” Gilbert said thunderously.

“Dad, I think Leon’s right. We need to be careful! I think we should go back for now. Let’s make other plans,” Iris tried to advise.

“What? That’s not happening! If you want to go back, then go back yourselves. I’ll go save your grandfather alone!” Gilbert said angrily.

Now that Gilbert finally saw Jonah's true intentions, he was filled with regret. If only he just listened to Leon earlier, then he would not have fallen for Jonah's trick!

"How did this happen?!"

Iris paled, and her heart sank.

She was like Gilbert, and trusted Jonah, not heeding Leon's warnings that much.

Yet, reality smacked her right on the face!

At that moment, she really regretted not believing Leon earlier, but it was already too late!

"Gilbert, calm yourself for now! The two of us are still cousins in the end. Blood is thicker than water. How could I harm you and Iris? Don't worry, the Youngs and the Northern King are targeting Leon. As long as Iris and you don't interfere, we won't hurt the two of you!" Jonah said calmly.

Ruth was very indignant when she spoke.

She knew that Harold's side was stronger, and that Leon would definitely not be able to handle it. If the Collins could not interfere, then Leon would definitely die there!

She already found an excuse to help Leon. As long as the Collins had a way of interfering, then Leon would at least have a chance!

"You-"

Harold was completely speechless at that moment.

He did not appear immediately earlier because he was hoping that Jonah would lead Leon inside first. Then, it would be easy for them to get what they wanted. The Collins would not be able to interfere.

Before they got rid of Leon, he would not let Iris and the others leave safely!

"You! Shameless!"

Leon was furious, but his heart sank.

He could be at the level of a Supreme Master. Without Iris and the others around to hold him back, he might have been able to find a chance to escape.

Yet, Harold was too ruthless. Harold did not mind using Iris and the others to threaten him, cutting off his path of retreat. The sliver of hope in his heart was extinguished!

Melvin opened his mouth, unable to say anything.

Even though he could tell that Daisy was deliberately siding with Harold, he did not know the relationship between the two of them. On top of that, Daisy already had control of the family. He would not fight over such a small matter with Daisy!

Suddenly, he felt like he was stuck in a difficult position. He did not know if he should believe Daisy or Leon!

“Uncle, just thinking about it! During Leon’s engagement, we’ve attacked him before. We’re already enemies! If we don’t work with the Northern King to defeat him now, he’ll definitely destroy the Youngs once he matures!” Daisy added fuel to the flames.

“Yes, you’re right. The Youngs have to get rid of Leon for our future!” Melvin hesitated for a moment, but was quickly convinced by Daisy.
