

## Chapter 2252

Julian liked such a girl.

When he was sure that Kiera was his destined daughter, he was actually quite scared.

The Daughter Who Fears Fate was a limp and delicate woman.

Unexpectedly, an investigation gave him a pleasant surprise.

When he saw the real Kiera, Kiera surprised him even more.

Kiera's skill, he's afraid he could be tied with him.

As the young master of the Bucham family, his wife needed to be as powerful as Kiera, who could control the people below her in the future.

"Sir, are you all right?"

While Julian was staring blankly at Kiera, Kiera was also looking at Julian.

The first impression Julian gave Kiera was that he was really handsome.

Kiera had never seen such a handsome man.

Before coming to Wiltspoon, she had heard that there were several famous handsome men in Wiltspoon, one of whom was Zachary, the eldest son of the York family.

It's hard to see Zachary, and Kiera and her party deliberately stayed at the Wiltspoon Hotel. She thought that the Wiltspoon Hotel would be safer, and also wanted to see if she was so lucky to meet Zachary and Serenity by chance.

Appreciate the handsome men and beauties.

It's a pity that she was not so lucky, and she never met Zachary and Serenity by chance.

Even Josh, Zachary's right-hand assistant, couldn't meet her.

She didn't expect to meet a handsome man on the street late at night.

Others said that the young talents in Wiltspoon were all handsome guys, it seemed that the rumors were true.

Kiera glanced at Julian's car.

Luxury cars, new cars cost millions to buy.

To be able to drive such an expensive car, this man was either a rich second generation, or a very, very powerful business elite. No wonder he was stopped and robbed by motorcycle gangs.

In the middle of the night, there was no one on the street, so he was targeted by gangsters?

"Sir, are you all right?"

Seeing that Julian didn't speak, Kiera asked again, and she stretched out her hand to shake in front of Julian, thinking that Julian was frightened.

“Don’t worry, the police will arrive soon. These people block the road and rob. If they don’t get sentenced for several years, they won’t be able to get out.”

Julian came back to his senses, and his eyes were shining when he saw Kiera. He was afraid of scaring Kiera, so he tried his best to suppress his passion.

Julian: “You are amazing!”

Kiera said with a smile: “I’m not that powerful, it’s just that they carelessly underestimated the enemy. I made a sudden attack. They are unprepared and unexpected. It is the easiest to suppress the opponent’s momentum.”

“Thank you for helping me, otherwise I would be robbed completely by them.”

Julian thanked Kiera repeatedly.

Kiera said: “It’s a trivial matter, if the road is uneven, anyone will draw their swords to help.”

“It’s not like anyone will draw their swords to help when they see them. There are so many of these people, who dares to meddle in their own business? I always thought, give them whatever they want, as long as it doesn’t cause me personal harm. Saving the life is the most important thing.”

Kiera nodded, “Mr. You’re right to think this way. When the enemy is far from us, losing some money can save the life. As long as you are alive, you can earn back the lost money.”
