

THE CONTRACT MARRIAGE

Chapter 9 She is My Wife

Everyone present was shocked by Christian's words.

"If she isn't Vivian then who is she?" Benjamin could not help but smash his chopsticks.

Christian blinked his eyes. He looked at his grandpa and said calmly, "Sarah!"

These three words were like throwing a bomb in the deep water. It instantly set off huge waves!

"What did you say?" Daphne stared at him in disbelief and the others were also completely stunned by Christian's words!

One should know that Sarah identity was Julian's fiancée. Although the two of them did not hold any ceremony, everyone in Cooper family had already

tacitly agreed to this fact. Now, they actually found out from Christian that he and Sarah had registered for marriage!

Christian's words were like a clap of thunder, catching everyone off guard!

"What did you just say? Say it again!" Ethan felt that he must have misheard Christian. Christian had always been calm and collected. Why would he do such a ridiculous thing?

"This morning, Sarah and I registered for our marriage! The wedding will be held the day after tomorrow!" Christian face was still calm and did not care about everyone's reaction at all. He calmly said that then even picked up the chopsticks on the table and prepared to eat.

He had always been like this in this house. Very few

people could change his decision!

“Christian! You don’t look like an older brother. You know Sarah is Julian’s fiancée, but you still dare to register with her? I know. From the moment I married into this family until now, you have always thought that your mother passed away because of me! That’s why you want revenge! You want to use Sarah to take revenge on me, right?” Daphne was completely enraged by Christian’s indifferent attitude. Her usually dignified and elegant image was instantly swept away.

Ethan looked at his wife, Daphne and said, “What nonsense are you talking about? The matter has not been clarified, what are you shouting about?”

Daphne looked at her husband’s attitude and felt a little broken. She shouted at the top of her voice,

“Look at his attitude towards me. I have been married to Cooper family for so many years. Has he ever smiled at me? Every time he sees me, it’s like I owe him a few lifetimes! He’s just thinking about how to take revenge on me. That was what he thought! He clearly knew that Sarah would definitely marry Julian in the future, but he still shamelessly wanted to resist with Sarah to get married! Christian, you are Regimental Commander, don’t you have any shame? Sarah is your sister-in-law! Don’t you have any conscience? If the two of you are together, how will Julian face the two of you in the future? If this matter gets out, what face will we have?”

“Shut up!” When Benjamin heard Daphne’s words, he was also a little angry. However, he still maintained his composure and looked at Christian. “Christian, tell us what is going on.”

Because of Benjamin’s words, everyone turned their

eyes to the calm Christian. They hoped that he could give everyone a satisfactory answer.

Christian calmly put down the chopsticks in his hand and looked at excited Daphne. He then said coldly, “You are right! That is what I think! I don’t care what you think, but now... Sarah is my legal wife! In the future, when she lives in this house, I hope you don’t treat her as Julian’s fiancée anymore, because from now on, she is my wife!”

After Christian coldly said that, he shook his wheelchair and was about to leave.
