

THE CONTRACT MARRIAGE

Chapter 10 Not Worthy?

“Stop right there!” Daphne angered by her stepson’s words. She took a few steps forward and blocked Christian’s path. She raised her hand and pointed at him hatefully.

“Christian, you finally spoke your heart out after so many years! Dad, Ethan, take a look. This is your son. I think you are not worthy of being Julian’s Big Brother!”

Christian’s lips finally curled into a smile, but it made people’s hearts turn cold. “Do you think I don’t deserve to live in this house because I am in a wheelchair?”

“That’s not what I said. You said it yourself!” Daphne coldly snorted. No matter how impulsive she was, she did not dare to say that he did not deserve to live in

this family.

“Shut up! He did not do it on purpose. Can’t you tell?”
He really did not want his wife to continue. Ethan walked to his wife and shouted at her.

“Why are you yelling at me? If you have the ability, vent your anger on your son! You feel that I have wronged him every day. Look at your good son. Even if he is sitting in a wheelchair, he could take his brother’s woman. He is really capable!”

Without a doubt, Christian’s words provoked Daphne’s anger. All these years, ever since she married into this family, Christian had never smiled at her. He was even lazy to talk to her. She had held back her anger for more than 20 years. Today, she finally found an opportunity to vent. How can she hold it any longer?

Because of his wife's words, Ethan angrily looked at his son in the wheelchair. "I don't believe what you just said! Take out the marriage certificate! Just based on your side of the story, I won't believe you!"

Everyone looked at Christian as soon as he said that.

Even Daphne looked at him nervously. She regretted what she did today. If Christian had not married Sarah, she would have been embarrassed. Thinking of this, she felt a little more resentful towards Christian.

Listening to Daphne's words and looking at her anxious attitude, Christian did not say a word from the beginning until the end. He just looked at everything in front of him silently, as if he was watching a colorful stage play. He was just a bystander.

He raised his head and looked at his father in silence.

He looked at his father's ugly face. His eyes moved slightly. He took out the marriage certificate from his pocket and silently handed it over!

Everyone's eyes instantly flashed fiercely!

They all stared intently at the marriage certificate!

Ethan quickly reached out and held it in his hand. Daphne also nervously moved closer, wanting to see if the person on the marriage certificate was Sarah.

Looking at the photo of the two people on the marriage certificate, Ethan's body stiffened. The hand holding the marriage certificate trembled slightly in the air.

His son's character had always been cold. Most of the time, he felt that his son hid his feelings. His heart was not as cold and ruthless as it looked on the

surface. But now everything he was explained something else.

His eldest son actually really snatched his younger brother's woman?

“Look at your good son! He is really married to Sarah! What about Julian? He had nine years of relationship with Sarah! How can he take such a blow?” Daphne stared at the person on the marriage certificate and looked at it again and again. In the end, she confirmed that the girl on the certificate was really Sarah. The fire that she had just suppressed suddenly lit up again!
