

THE CONTRACT MARRIAGE

Chapter 19 Christian and Sarah Came

Benjamin looked at his son and daughter-in-law who had lost control. He frowned and patted the armrest of the sofa.

“You two sit down first!”

Hearing his father’s words, Ethan glared at his son then sat down on the sofa angrily. His eyes were still staring Julian who had failed to live up to his expectations. Daphne saw her husband sit down and only then did she feel slightly relieved and sit down.

Benjamin saw that his son and daughter-in-law all sat down. Then he looked at his grandson on the floor and sighed heavily again.

“No matter what we say, Julian has indeed made a big mistake this time. Originally, I thought that we

would have a chance to correct this mistake. But since Vivian is pregnant, we can't hurt a child by correcting a mistake. After all, this child is innocent."

"Right now, we can only do our best to make up for Sarah and Christian. Ethan, you think we owe Wilson family, I can understand that. After all, you and Patrick have been good brothers since young. No one in the Cooper Family had the face to face the Wilson Family after what happened today!"

"We can't just keep getting angry here and not calm down. Even if you beat Julian to death today, the incident won't return to its original state..."

Ethan listened to his father's words. Although he understood that his father's words made some sense, he still glared at his son who was lying on the ground. He was very angry, but forcefully suppressed it...

Daphne heard her father-in-law's words and immediately nodded in agreement. She wanted to agree with Benjamin's words, but looking at her husband's face, she immediately swallowed back what she wanted to say.

Seeing that his son was somewhat calm, Benjamin continued.

“What we should do now is to call those two children back first! After all, they are the parties involved. No matter how much we think about it, if they don't agree, it will be futile. Ethan, give Christian a call...”

Ethan heard his father's words and his face twitched unnaturally. “Dad, I just scolded him and made him leave this place today. I said him not to come back. I can't call him!”

Benjamin looked at his son silently. He understood his

difficulties and looked at Daphne.

Daphne immediately looked around, did not look at Benjamin. He had quarreled with Christian just now and she did not know how to make this phone call.

Julian looked at Benjamin and mustered his courage. “Grandpa, why don’t I call him...”

No matter what, this mistake started because of him. At this time, he could not just back off.

Benjamin looked at his grandson and slightly raised his hand. He silently picked up the receiver on the small coffee table next to him and dialed Christian’s number.

Before the call connected, he saw Uncle Chen, the housekeeper, walked over from the living room door. He looked at Benjamin and said.

“Master, Christian and Sarah came back together...”

Everyone was stunned!

Benjamin immediately put down the receiver in his hand and stood up with his hands on the armrest of the sofa. He looked at the door nervously.

Ethan and Daphne also stood up immediately and stared at the door nervously.

Julian wanted to stand up but Ethan glared at him.
“Kneel down!”

When Ethan roared angrily, Julian immediately knelt on the ground and nervously stared at the door.

After a while, Sarah pushed Christian with her hands and entered the living room together with him from the

living room's door. Christian's face was still as cold as ever. Sarah, who was behind him, looked at the people in the living room and had mixed feelings in her heart.

She had never thought that one day, she would enter this house as the eldest daughter-in-law of Cooper family!

With another awkward identity, facing the man she loved the most in the past!
