

When His Eyes Opened Read Novel Chapter 3124

Novel Chapter 3124 -Hazel was also frank: “I haven’t seen him for three years, and I really don’t know him that well. But no matter what, he helped me, and I will never forget it.”

Miss Yoder: “Well. Your brother really intends to give him money. Because your brother knows that he has helped you, so throwing money at him is considered to be helping you to repay him.”

Hazel: “Oh, what else did my brother say? Did he ask you to bring me a message?”

Miss Yoder shook her head: “Your brother didn’t ask me to bring you a message. He just asked me to keep an eye on Lucas.”

Miss Yoder gave Hazel her number.

Hazel saved her number in the phone: “Miss Yoder, what’s your name?”

Miss Yoder: “Greta Yoder.”

Hazel: “Then I will call you Greta?”

Greta: “Miss, you can call me whatever you want.”

Hazel couldn’t help laughing out loud.

The two came out of the washroom and saw Niko hurriedly walking ahead.

Greta immediately stopped Niko: “Did you just eavesdrop on our conversation outside the washroom?”

Niko quickly turned around and waved his hands: “You two, I didn’t...I wanted to go to the washroom, so I came here. I didn’t expect you two to talk inside, so I can only just avoid...”

Greta walked up to Niko and blocked his way: “Be honest, what did you hear?”

Frightened by Greta's momentum, Niko quickly raised his hand in surrender: "I heard you two talking and laughing, but I really didn't hear what you two said. I swear, I didn't hear anything."

Hazel: "I didn't laugh just now, did I?"

Niko looked at Greta: "Miss Yoder smiled. It seems that you two know each other."

Hazel immediately denied it: "How could Miss Yoder and I know each other. Brother Niko, you don't understand, it's like this between girls, as long as we can chat well, it's easy to look like sisters."

Niko: "Oh..."

Hazel: "Brother Niko, you go to the washroom! There is no one in the washroom."

Niko snorted, and immediately walked towards the washroom.

Hazel sent Greta out.

Niko quickly came out of the washroom and walked to Lucas's office.

"Lucas, I just saw Hazel and Miss Yoder chatting in the washroom!"

Lucas's gaze shifted from the computer screen to Niko's face: "You mean they know each other?"

Niko shook her head violently: "I mean, Hazel really worked hard to help us entertain customers! Miss Yoder had a great time chatting with her!"

Lucas: "..."

Niko: "Lucas, your attitude towards Hazel should be a little better in the future! I think her ability is still very strong. For tasks like entertaining guests in the future, you can directly let Hazel do it."

Lucas: "Do you really think of her as an employee of our company? She is here to experience life."

Niko: "As long as she hasn't left, she's an employee of our company! To be honest, I'm a little scared of that Miss Yoder. She's too imposing. But Hazel doesn't show any timidity in front of her."

Lucas: "Because her family is quite rich. Can't you see it?"

Niko shook his head: "I really didn't see it."

Lucas: "Do you believe that her cousin is her bodyguard?"

Niko: "D*mn it! Don't scare me!"

Lucas: "Have you ever seen a cousin who listens to his cousin in everything?"
