Novel Chapter 3126 -Hazel wondered, she didn't seem to say anything!

Niko: "I've met many people. There are very few people who are poor and rich in spirit, at least I haven't met them. So your family must be rich. Because Lucas said that your family is rich, I believe his judge."

Hazel: "Okay! It's not a crime to be rich, is it? Can I continue to work in your company?"

Niko: "Of course! If your family is rich, I won't feel guilty when I order you to do things."

Hazel: "..."

Niko: "Okay, you go to book a restaurant! Remember, you must ask Miss Yoder's preferences. Order her favorite dishes, Lucas and I are not picky eaters."

Hazel: "Lucas is still a bit picky."

Niko: "Ah? Is he a picky eater? I have known him for so long, and I have never seen him picky eaters! He eats what I buy, and he never told me that there is something he doesn't like!"

Hazel: "Okay, I see, I will arrange it."

After Hazel finished speaking, she left.

Niko scratched his head, feeling that he had known Lucas for so long, as if Hazel hadn't understood him yet.

At noon, Lucas brought Niko and Hazel to the restaurant that Hazel ordered.

The restaurant that Hazel ordered was near the company, and the three of them walked there in less than ten minutes.

Niko originally thought that Hazel would order a higher-end restaurant, because it would save face. Unexpectedly, the restaurant that Hazel ordered was relatively ordinary.

Niko looked at Hazel: "Is it suitable to choose this kind of restaurant to invite investors to dinner?"

Hazel frowned slightly: "Didn't they send the money yet? Now we are spending the money, so of course we can't be too extravagant." Then, she looked at Lucas, "Boss, right?"

Lucas had no objection to where to eat: "Go in!"

Niko shook his head and asked Hazel: "Have you told Miss Yoder? Will she not find a place? Do you want to pick her up at the hotel?"

Hazel: "Don't bother, it will only take a few minutes for her to get here by taxi. Let's sit first!"

Niko: "...how bad it is! Hazel, I thought you were good at entertaining distinguished guests, but I don't think you are that good at entertaining people!"

Hazel: "Why don't I know how to entertain people anymore? I called her and sent her the location, and she said she would come just to fix her makeup, but she didn't tell me to pick her up!"

Lucas: "Okay, stop arguing! Sit down first." After Lucas finished speaking, he took the lead in sitting down in the dining chair.

After Lucas sat down, Hazel sat down beside him.

Niko frowned again: "Hazel, come and sit by my side. Let Miss Yoder sit next to Lucas, so that they can sit together to discuss cooperation."

Hazel didn't move: "It's not convenient to talk about cooperation when sitting together! It's convenient to talk when sitting opposite. When chatting like this, you can see each other's face. If you sit next to each other, you have to twist your neck when chatting. Twist your neck, it's not good for your neck."

Niko: "....."

Lucas turned her head and told Hazel, "Change places with Niko."

Hazel: "Huh?"

Niko immediately stood up with a smile, and walked to Hazel's side: "Sit on the opposite side, so that you can keep an eye on Lucas all the time without twisting your neck."

Hazel immediately got up and went to sit opposite Lucas.

Niko couldn't help laughing loudly: "Hazel, you are too obvious. I think that Miss Yoder also likes Lucas. You won't be jealous, will you?"
