

## When His Eyes Opened Read Novel Chapter 3146

**Novel Chapter 3146** -Hazel: “Brother asked a beautiful woman to seduce him, but it didn’t work. Now he sent another man to take him to nightclubs and bars every day. I don’t think it would be of any use. Not all men like that kind of place.”

Layla patted Hazel on the shoulder: “Don’t worry, Brother must have other ways to test him.”

Hazel: “Yes. I have confidence in him.”

Two days later, Hazel came to Thopiavelle.

This time, she came alone.

Originally, Avery wanted Aaron to come with her, but Hazel didn’t want to.

Because Hayden sent someone by Lucas’s side, Avery did not insist.

Coming out of the airport, Hazel saw Niko and Lucas.

Niko had a bright smile on his face, but Lucas was not so happy.

Lucas seemed to have been forcibly pulled here by Niko.

Hazel looked at them with surprise on her face: “Are you two coming to pick me up together?”

Niko: “Yes! Do you think you have lost face!”

Niko said, taking the suitcase from Hazel’s hand.

Hazel smiled and asked Lucas: “Boss, aren’t you going to work today?”

Niko replied: “It’s the weekend! If he doesn’t come with me to pick you up, he will have to accompany Eden. So he came with me! I didn’t call him here, he came by himself. Ha ha!”

Hazel was overjoyed and joked: “Boss, if you don’t like to play with that Eden, you can refuse him!”

Niko intercepted: "It's hard to refuse. Because we have already accepted other people's investment."

Hazel: "Didn't you guys sign the contract when I left? Why did you decide to accept the investment again?"

Niko: "Because the contract was brought by others, we asked a professional lawyer to read it. There are no weird clauses in the contract."

Hazel nodded: "That's pretty good!"

Niko: "It's just that the people sent by the management don't seem to come to work."

Hazel: "It's okay, I'll see him when Monday comes."

Niko: "Okay! Are you still staying in the hotel? How long are you here this time? Where's your bodyguard?"

Hazel: "..."

Niko blinked: "Where's your cousin?"

Hazel: "He, he has something to do, so he didn't come. I don't know how long I will stay, anyway, let's just stay here!"

Three people got into the car.

Hazel said, "Let's go to the hotel where I stayed last time! You can get a discount if you stay for a month!"

Niko couldn't help laughing: "Speaking of which hotel you stayed in, how much is it for a night?"

Hazel: "Uh...it seems to be more than \$300."

Niko: "It costs \$10,000 to live in a month!"

Hazel: "There should be a discount."

Niko: "Even if there is a discount, it will cost \$8,000. We can't even pay you so much a month." After a pause, he said, "But now that we have money, we can pay you \$8,000."

Hazel: "Hahaha! No need! I have no work experience, just give me \$5000."

Niko: "Then you are posting to work backwards!"

Hazel: "Didn't you see that I came out to experience life before? Just think of me as coming to experience life!"

Niko: "Hahaha okay!"

"I sent you the drone you wanted. It's probably coming soon." Hazel said.

Niko: "Okay! How much is it? I'll transfer it to you."

"No, no, no, no! I didn't spend any money." Hazel explained, "At Hayden's wedding, the gift included a drone."

Niko: "You actually went to Hayden's wedding? Your family is also a top wealthy family!"

Hazel didn't know how to reply.
