

A Man Like None Other Novel

Chapter 3036

Seeing David's hesitation, the old man said directly to the Qinglong Yuanshen, "Old Dragon, tell me yourself, are you willing to donate your Yuanshen?" "

If David dies, your Yuanshen will die as well." We can't keep it, but if you donate your primordial spirit, we still have the power to fight!"

Seeing that the old man was talking to the old dragon, David suddenly showed a surprised expression!

David didn't know at all, could this Qinglong Yuanshen still communicate?

He has always used Qinglong Yuanshen as a weapon, never thought he could have his own thoughts!

Under David's shocked eyes, Qinglong Yuanshen moved slowly!

"If I can be useful, that's my honor..."

Qinglong Yuanshen spoke slowly, his voice was like thunder!

"David, did you see that the old dragon agreed, now that you have absorbed his primordial spirit, you can fight!"

the old man urged David!

But David was indifferent, he stared blankly at Qinglong Primordial Spirit, feeling indescribably complicated in his heart!

“Senior Qinglong, since you have a mind, you may not know who my father is? You must know, right?”

David asked excitedly!

At this time, David really wanted to know if his father was from the Dragon Clan!

Qinglong nodded, “Of course I know, but I can’t tell you now, you have to live well, because you will be the hope of the dragon clan...” “

Now swallow my soul, so that your dragon Only then will the crystal be filled with the power of the dragon again...”

David shook his head, “No, even if it is death, I will not swallow your primordial spirit, absolutely not...”

David had no way to do this, Although he had never communicated with Qinglong Primordial Spirit, Qinglong had saved him many times after turning dangers to safety!

Now let him swallow the Qinglong Yuanshen, David can’t do it...

“You little baby, why are you so stubborn? Are you just waiting to die and let everyone stay with you?” The

old man said angrily. David shouted!

But David was indifferent. At this moment, in David’s body, a weak aura was wandering, and then gradually became stronger!

This is David squeezing the last trace of strength in his body. In the end, he will not hesitate to burn his own blood, and he will die with the old devil!

"Crazy, what a lunatic..."

Seeing this, the old man was also very helpless. He didn't expect David to be so stubborn!

But when Qinglong saw this, he burst out laughing, "Young princes and generals, it's better to be kind, our dragon clan has never bowed our heads..."

Hahaha, hahaha..."

"You can still laugh, We are all going to die, if my younger brother is allowed to leave here, there will be another bloody storm outside, and our ancient body training clan will be in disaster again." The old man was very worried in his heart!

If the old devil escapes, the ancient body-refining clan will definitely be forcibly controlled, and then they will practice magic skills!

In that case, it won't take long, and there will be no more ancient body-refining clans!

"Don't be so pessimistic. If you and I join forces, maybe the result will not be what you think..."

Qinglong looked at the old man with a bit of confidence in his eyes!

The old man seemed to see something in Qinglong's eyes, he could only smile lightly, and forcibly separated his thoughts from David!

The figure of the old man slowly appeared, and David was very surprised. At this time, why did the old man break away from the fusion?

"Senior, what are you doing?"

David asked in confusion!

"Even if we merge now, we won't be able to defeat my younger brother. Let's just separate, maybe it's still possible!" the

old man said slowly!

David couldn't understand what the old man meant at all. It wouldn't work if the two of them merged, so could they be separated?

You must know that the old man is just a remnant soul, without a physical body, his strength will be greatly reduced!

Chapter 3037

But the old man didn't care whether David understood or not, but looked at the black mist around him, and said, "Brother, I know you have always wanted to kill me, and now I will give you a chance, but I hope you will let me go after killing me." Others."

"Your Ice Soul Pill is gone, even if you kill these people, it will be of no use to you..."

At this time, the old devil saw that the old man followed David to leave, and couldn't help frowning. When he got up, he didn't understand, was there some trap in it?

Seeing that the old devil didn't move, the old man continued, "Are you just trying to trap us to death with this illusion? Let me tell you, it's wishful thinking. You don't even fear my remnant soul now, do you?" The old

man Continue to stimulate the old devil, meaning to force him to show up!

"Brother, have you thought of any tricks to deal with me again?"

" It can collapse one of my worlds, and then there will be void cracks here!" "

As long as you are sucked into it, the turbulent flow of time and space will wipe you out completely, am I right?" The

old devil seems to have become smarter , I don't intend to show up at all!

"Since you're so scared, then I won't say anything. They're all dead anyway, so it's useless for me to keep this thing..."

As he spoke, the old man took out a jade token from his pocket!

And this jade tablet was given to the old man when David entered. This is the real key to unlock the treasure!

But when the old devil saw the jade tablet, his eyes immediately lit up!

"The Divine King Token of the Ancient Body Refining Clan? Why do you have this thing in your hand?"

The old devil asked in surprise!

They have been here for thousands of years, and they have never seen their elder brother wearing this thing. Back then, he and his elder brother turned against each other in order to obtain the God King Token and become the ancestor of the God King of the ancient body training clan!

It's just that the two of them died together, and he had never seen this God King Token before, but now the old man actually took it out!

Looking at the jade plaque, David never thought that this thing is still so important in the ancient body training clan!

"Brother, didn't you always want to get this thing and become the ancestor of the god king of the ancient body training clan? I will give him to you now."
After the

old man finished speaking, he raised the god king token!

Now just wait for the old devil to come and get it!

The old devil frowned, and began to struggle in his heart!

In the end, the old devil took a deep breath and decided to get the God King Token. Now, whether it is David or the old man, they are already at the end of their battles, so there is no need to be afraid at all!

David looked at everything in front of him quietly, he didn't understand why the old man did this!

Obviously, the old man was trying to lure the old devil into the illusion, but even if the old devil showed up, what would they do?

David squeezed out all the power in his body, holding the Dragon Slaying Sword tightly in his hand!

In the dark mist, David seemed to feel the breath of the old devil, and he actually entered it!

At this time, David could feel the throbbing of Qinglong Yuanshen in the sea of consciousness!

David couldn't figure out what the old man was going to do with Qinglong Yuanshen!

Da da da...

Footsteps sounded, and the old devil slowly walked into the illusion!

At this time, the old devil was still cautious, looking at David and the old man in front of him, the old devil never left his eyes!

"Brother, give me the God King Token, and I can promise you that I won't kill these ants..." The

old devil looked at the old man, and said slowly!

“How do you make me believe you? What if you take the order of the god king but don’t keep your promise?”

asked the old man!

“How is it possible? I am the one who keeps my promise the most. What happened to you to hand over the Divine King’s Token?” The

old devil looked at the old man coldly and asked!

“Let them out first, and I’ll give you the God King Token...”

said the old man!

Chapter 3038

“That’s no problem, anyway, these ants are worthless to me.” “

I’ll let them out now...”

The old devil waved his hand lightly, and the entire black mist space began to vibrate, and the surrounding black mist also slowly Go away slowly!

Just when the old man thought that the old devil really kept his promise, a black shadow suddenly came towards him, and suddenly grabbed the god king order!

“Hmph, I’ve expected your move a long time ago!”

The old man snorted coldly, and quickly backed away!

At this time, David saw the situation, and immediately cut out with a sword, stopping the old devil!

Seeing David's crumbling state, the old devil couldn't help but sneered and said, "How dare you stop me?"

After finishing speaking, the old devil raised his hand casually, and a black air went towards David!

David tried his best to block, and his whole body was instantly sent flying!

Even if he merged with the old man, David is no match for the old devil now, not to mention that he is weak now, trying to block the old devil is simply a dream!

Just when David was blown away, Qinglong Yuanshen rushed out from his sea of consciousness in an instant!

The old devil didn't realize that, in his eyes, there were only David and the old man here!

"Stop doing nothing to resist, hand over the God King Order, and I can make your death easier!" the

old devil said with a sneer on his face!

"Brother, you are too careless. Your arrogant personality really needs to be changed!"

The old man said with a calm face when he saw the appearance of Qinglong Primordial Spirit!

When the old devil heard this, his heart tightened and he said, "Brother, what do you mean? Could it be that you still have cards at this point?"

The old devil didn't believe it, it was already this time, how could the old man still have a hole card!

"Of course I did, otherwise why would I have tricked you into this illusion..."

The corner of the old man's mouth twitched!

Soon, the old devil felt a terrifying aura behind him, and suddenly looked back, only to find a huge green dragon looking at him with its bloody mouth open!

The old devil was startled, and his body suddenly jumped up!

"What's the situation?" The old devil didn't understand why a dragon suddenly appeared!

In fact, the old devil didn't look carefully. When he checked carefully, he would find that this green dragon was just a primordial spirit, not particularly powerful!

Just when the old devil didn't react, Qinglong suddenly wrapped the old devil around, and it became tighter and tighter!

When the old man saw this, he shot immediately, and shot out a series of spiritual powers, directly entering the body of Qinglong Primordial Spirit!

The old devil roared angrily, he didn't expect that a green dragon would suddenly appear!

"Hurry up, use the magic whip..."

the old man yelled at David!

David was taken aback, and immediately took out the magic whip, but he didn't dare to do it!

Now that the green dragon is entangled with the old devil, David's magic whip will definitely hit the green dragon primordial spirit!

At this time, the old devil was struggling, and black mist erupted from his body. He also felt at this moment that the green dragon was not the real body, but just the primordial spirit, so the old devil didn't panic anymore!

"Hmph, you guys still want to control me, it's just a dream..."

The old devil snorted coldly, and the power that erupted became more and more terrifying!

David looked at the Qinglong Yuanshen who was struggling to support, gritted his teeth suddenly, and threw out the magic whip in his hand!

The magic whip exuded golden light, and then tied Qinglong and the old devil together!

The runes on the magic whip flowed, and the pain like a needle prick made the old devil's face look hideous!

This magic whip is aimed at the consciousness, and now the old devil just feels like his head is about to explode!

Qinglong Yuanshen was also in extreme pain at this time, and even he suffered from the energy emitted by the magic whip!

Although drawing the magic whip is less powerful for monks who are not demons, Qinglong does not have a real body, but only a soul, so facing the drawing of the magic whip is extremely painful!
