

A Man Like None Other

Novel

Chapter 3041

Now they have escaped, the Treasure Land is a big trap, they didn't get anything, and almost died inside, so the three of them plan to leave the Extreme North Land!

Maybe I will never dare to come again in my life!

"Several seniors, I regret that I have a deadline..."

David cupped his hands!

The three turned around and left, and soon their figures disappeared into the vast snow field!

At this time, Ning Caichen also looked at David and said, "Little brother, no matter what festivals you and I had before, but this time I would rather someone owe you a favor, and I will leave too, I will remember the feud of killing the son of the Fengmomeng!"

"Patriarch Ning bids farewell..." David raised his hand!

Ning Caichen left, followed by only two servants of the Ning family. There were more than a dozen people at the beginning, but now there are only three left, and even his son is here!

This so-called treasure land is really harmful...

"Mr. Chen, we also bid farewell. The grace of saving lives will never be forgotten..."

Yuan Bao came forward with many casual practitioners and cupped his hands at David!

None of these casual cultivators have a higher level of cultivation than David, but at this moment in front of David, they are all respectful!

"Fellow daoists, take care. You should go together as much as possible. Now that the Five Elements Heavenly Fiend has escaped and the matter of the Sealed Demon League has been revealed, he will definitely find a way to kill anyone who knows the inside story, so you will be very dangerous." David turned to Yuan

Bao Wait for someone to remind!

After all, the three of them are powerful, and Ning Caichen, as the head of the Ning family, also has certain influence, but Yuan Bao and other loose cultivators are different. Most of them fight alone, and when they are targeted by the Sealed Demon League, they can only be slaughtered share!

"Thank you, Mr. Chen, for reminding us that we will go together together, but you have to pay more attention. The Sealing Demon League is almost all over the world of heaven and man, and they have a lot of eyeliners."

Yuan Bao also reminded David!

"In this extreme north, the Sealed Demon League doesn't dare to mess around. If they dare to target Mr. Chen, my Gao family will let them come and go..." Gao

Qisheng said confidently!

As long as the Fengmomeng dares to target David in the extreme north, the Gao family will definitely not sit idly by!

Gao Qiqiang would never agree!

"Targeting against Mr. Chen in the extreme north, our ancient body training clan will not agree..."

Gao Qisheng had just finished speaking when an old voice sounded!

Not far away, the patriarch of the ancient body-refining clan came slowly, followed by Wa Gang, the two Watt brothers, and Liu Ruyan!

"Patriarch, why are you here?"

David looked surprised.

When Gao Qisheng saw the members of the ancient body training clan, his expression suddenly became tense!

There are only a few of the Gao family he brought with him now, and now that the patriarchs of the ancient body refining clan have come, how can they be opponents!

But the patriarch of the ancient body training clan didn't even look at Gao Qisheng, and walked straight to David!

"How is it? Did you get the treasure?"

the patriarch asked.

David nodded, "I got it, and then I took out the exercises and treasures of the ancient body training clan from the storage ring!"

Seeing this, the patriarch unceremoniously put away all the things!

David didn't say anything, after all, what he wanted was the Bingpo Pill, and now that he got the Bingpo Pill, he didn't want this treasure of the ancient body-refining clan's skills either!

"Did you get what you wanted?" the patriarch continued to ask.

David nodded again, "Got it..."

The others were confused, not understanding what they were talking about!

"David, are you alright these few days?" Liu Ruyan ran forward, hugging David tightly and asked!

"I'm fine..."

David stroked Liu Ruyan's head gently!

It's only been a few days since they separated, it's like three autumns between the two of them!

"Let's go..." said the patriarch!

"Where are you going?" David looked surprised, not understanding where the patriarch said.

"Gao family, don't you want to go to the Gao family?"

The patriarch said with a faint smile!

"Go!" David nodded.

But he was a little surprised, what did the patriarch of the ancient body-refining clan go to the Gao family?

Chapter 3042

At this time, Gao Qisheng was also in a state of bewilderment, this ancient body-refining clan has always been at odds with the Gao family!

Why does the patriarch of the ancient body training clan dare to go to the Gao family?

Are you not afraid of being arrested?

But when everyone was puzzled, the patriarch of the ancient body-refining clan turned around and walked in the direction of the Gao family!

Seeing this, David could only bring Ji Yun and the others to follow!

Yuan Bao and his casual cultivators all bid farewell!

Along the way, although David really wanted to ask the patriarch of the ancient body training clan why he dared to go to the Gao family, but he never asked.

After nearly a day of traveling, everyone arrived at Gao's house!

At this time, Gao Qiqiang seemed to have guessed the arrival of everyone, and was waiting at the door early!

When the Patriarch of the Ancient Body Refining Clan met Gao Qiqiang, there was no tension as everyone imagined, but a smile on the contrary!

Seeing the two people looking at each other and smiling, David felt his scalp go numb!

He always felt that these two guys seemed to be deceiving himself!

"Brother..."

Gao Qisheng stepped forward in a daze, wanting to ask Gao Qiqiang, what's going on?

Why didn't the patriarch of the ancient body refining clan come and grab him!

Gao Qiqiang waved his hand, and then said to the patriarch of the ancient body-refining clan, "The banquet is ready, please bring..." The

patriarch of the ancient body-refining clan walked in with the crock pot.

David also followed, looked at Gao Qiqiang and said, "Patriarch Gao, what is going on?" "

Mr. Chen, we will explain to you later."

Gao Qiqiang smiled slightly!

"David..."

When Huofeng and Yu Jiameng saw David coming back, they all rushed over.

The two of them did not shy away from holding David tightly!

Liu Ruyan at the side watched this scene with a very complicated expression on her face!

Although she knew that David had other women!

She also thought about this kind of scene, but when she saw it with her own eyes, she still felt a little uncomfortable!

After all, during this period of time, she was the one who accompanied David and was favored by David alone!

Now suddenly there is a woman competing for favor with her, which makes Liu Ruyan uncomfortable!

"Huofeng, Jiameng, this is the Liu Ruyan I told you about..." "

During this time in the world of heaven and man, she has been taking care of me..."

David introduced Huofeng and Yu Jiameng!

Huofeng and Yu Jiameng looked at Liu Ruyan with smiles on their faces!

“Sister Ruyan is really a fairy, no wonder Master never forgets Sister Ruyan!”

Huofeng said with a smile!

“Hello, Sister Ruyan...”

Yu Jiameng stretched out her hand very politely!

The two of them were not at all unhappy because of Liu Ruyan’s relationship with David!

After all, for the two of them, they will not be surprised by how many women David has, and they are used to it!

Ruyan Liu is just not used to it!

When Liu Ruyan saw that Huofeng and Yu Jiameng were so polite to him without any hostility, he instantly felt ashamed!

“Hello...”

Liu Ruyan said with a faint smile!

Ji Yun and Gao Qisheng on the side looked at the scene in front of them, their envious eyes almost fell out!

“Mr. Chen, the banquet is ready, let’s go...”

Gao Qiqiang urged David!

If this is bringing up the relationship between the children, there is no telling how long it will take!

"Okay!" David nodded, and followed Gao Qiqiang towards the hall of the Gao family!

"Xiao Sheng, you are in charge of making arrangements for the others. Remember, you have to take care of them. They are all guests when they come to our Gao's house!"

Gao Qiqiang urged Gao Qisheng!

"Understood!" Gao Qiqiang nodded!

Although he didn't understand why Gao Qiqiang was so polite to the ancient body-refining clan, but Gao Qiqiang's words were imperial edicts, and Gao Qisheng dared not disobey them!

In the Gao family, except for Gao Qilan who dared to talk against Gao Qiqiang, no one dared to follow Gao Qiqiang to contradict him!

Chapter 3043

At this time, there were only David, Gao Qiqiang and the ancestors of the ancient body training clan in the hall!

It is not easy to have such a sumptuous banquet in this extreme north!

"Mr. Chen, are you curious, aren't our Gao family and the ancient body training clan enemies, why can we still be together?"

Gao Qiqiang asked David!

David nodded, he was indeed very curious!

"Mr. Chen, to be honest, if there were no demons haunting this extreme north, our two families might have been fighting forever!"

"However, in recent years , the demons come and go frequently in the extreme north, if our two families continue to fight, it will only create more opportunities for the demons!" "

This time the treasure hunt has wiped out a large number of demon souls, and even killed the demons. The two guardians of the demon clan, the demon clan has obviously restrained themselves a lot."

"All this is due to Mr. Chen, so we have to thank you..."

Gao Qiqiang raised his glass very politely!

The ancestors of the ancient body-refining clan also raised their wine glasses and toasted David with a glass of wine!

The strength of the two is much higher than that of David, almost to the point of being crushed, but they are so respectful to David!

"It's our duty as monks to eliminate demons and protect Taoism. Patriarch Gao is serious..." "

It's your Gao family and the ancient body-refining clan who turned hostility into jade silk in order to eliminate demons. It's admirable..."

David raised his glass and said!

The three talked and laughed, toasted and drank together!

"Patriarch Gao, Patriarch, now that I have obtained the Ice Pollution Pill, can you tell me the identity of the princess of Jialing County?" David was

very curious about the identity of the princess of Jialing County!

Being able to know a lot of things about the extreme north, knowing the treasures of the ancient body refining clan, and even owning part of the god king tokens of the ancient body refining clan!

The most important thing is that the princess of Jialing County actually knows that there is Bingpo Pill in the treasure land, this is the secret of the ancient body training clan!

Gao Qiqiang and the patriarch of the ancient body training clan looked at each other and smiled, and shook their heads!

“Mr. Chen, since you got the Bing Po Pill, why don’t you go and ask the princess of Jialing County yourself?”

Gao Qiqiang said with a smile!

Seeing that the two of them didn’t say anything, David didn’t ask any more questions!

After eating, Gao Qiqiang originally wanted to stay in David for one night, but David was eager to go back, he wanted to get back the Bingpo Pill as soon as possible, so that the princess of Jialing County could heal Yihe!

Then they will rush back to the Demon Imperial City, get rid of that tiger, and take back the Demon Imperial City!

I have to go to Mingli King City to find my God King Bow!

There is also the Thunder Eagle King, the Demon Sealing League, etc., I guess they will make trouble for themselves by then!

David felt that many things were waiting for him!

Seeing that David wanted to go back as soon as possible, Gao Qiqiang didn’t forcefully persuade him to stay!

David took Liu Ruyan, Huofeng, Yu Jiameng, and Ji Yun to say goodbye to everyone!

"Patriarch Gao, Patriarch, let's leave now, but I need your help with something!"

David said, and told the two of them about looking for Sonya!

Sonya was lost from the extreme north, so let the two find the most suitable one!

"Mr. Chen, don't worry, as long as your girlfriend doesn't leave the extreme north, we will definitely find a way to find it!"

Gao Qiqiang said confidently!

"Although the land of the extreme north has a vast area, it is nothing to our two families. It is easy to find someone."

"As long as your girlfriend is not captured by the demons!"

said the patriarch!

David didn't know who took Sonya away and whether there was any danger, but he didn't have time to stay in the extreme north to search for it now!

At this time Gao Qilan was also among the crowd, looking at David with expressions in his eyes!

I don't know when, Gao Qilan had a place in David's heart!

"Sister Qilan, do you want to go with us?"

Huofeng looked at Gao Qilan and asked!

Chapter 3044

During this time, they became very familiar with Gao Qilan!

Gao Qilan smiled, but did not speak, because she knew that to follow David, she must become his woman, but Gao Qilan is not yet David's woman!

"Master, why don't you take Sister Qilan too?" Huofeng asked!

"Cough, cough... Huofeng, don't talk nonsense..."

David coughed in fright!

It's a bit too much to say such things in front of my brother!

Gao Qilan is an individual, not a commodity, so if you say it, you will accept it!

"Miss Gao, don't take offense at Huofeng's outspokenness!"

David hurriedly apologized to Gao Qilan!

After a hasty farewell, David and the others left, David was afraid that Huo Feng was talking nonsense!

Gao Qilan looked at David's back, his eyes were full of sadness!

She really wanted to follow David, but she didn't know if David had herself in his heart!

And she is also reluctant to part with her relatives!

"David, will we meet again in the future?"

Gao Qilan shouted loudly at this moment!

David stopped in his tracks, turned his head to look at Gao Qilan and said, "Yes..."

David will definitely come to the extreme north again, because Sonya hasn't found it yet!

After dealing with other things, he will come to look for Sonya!

"Xiaolan, do you like Mr. Chen?"

Gao Qiqiang looked at Gao Qilan and asked!

"Brother, don't talk nonsense..."

Gao Qilan refused to admit it!

"Okay, the emotion in your eyes can't deceive anyone, but it's normal for a genius like Mr. Chen to attract girls."

"Remember, you have to fight for your own happiness..."

Gao Qiqiang said with a slight smile!

Gao Qilan looked at Gao Qiqiang, seemed to understand something, and nodded vigorously!

Just when David and the others were leaving for Jialing County, Zuo Tianzheng, the leader of the Fengmomeng headquarters thousands of miles away in the extreme north, felt a little restless at the moment!

"Has there been no news from the Five Elements Heavenly Demon yet?"

Zuo Tianzheng asked sullenly!

"Leader, there is no news yet!" The servant quickly replied!

"How many days have passed, and there is no news at all, how did you do it?"

Zuo Tian was frowning!

He doesn't know what's going on, he's always restless!

You must know that they will be spurned and hunted down by everyone for these nasty things they did!

The Sealed Demon League relies on eliminating demons and defending the way, recruiting members to strengthen itself, but secretly colluding with the demons to protect the demons!

Of course, these demons will also help Zuo Tianzheng eliminate dissidents, and will also give the Sealed Demon League a lot of resources!

After all, the Demon Race was also one of the three major races in the past, and they had many, many resources!

But if this matter is known to outsiders, then it will be difficult for them to travel around the world of celestial beings!

“Report...”

Just as Zuo Tianzheng was frowning, someone rushed to report!

“What’s the matter? Is there any news from the Five Elements Heavenly Demon?” Zuo Tianzheng hurriedly asked!

“Leader, there is indeed news. It is the news from Huo Sha.” “

Jin Sha was killed, and they didn’t gain anything. Now they plan to take a rest and stop the person who got the treasure.”

The servant followed the left Tianzhenghui reports!

“What? Jin Sha died? How did he die?”

Zuo Tianzheng was very surprised!

One must know that Jin Sha is a cultivator at the peak of the Fusion Realm, and is about to break through to the Transcendence Tribulation Realm. How could he be killed so easily?

Besides, they were dispatched together by five people, so why was Jin Sha killed by himself?

Zuo Tianzheng couldn't figure out why!

"Leader, because the time for the sound transmission jade slip is limited, so I didn't explain it in detail!"

The servant didn't know the inside story, so he couldn't follow Zuo Tianzheng to explain it!

"Notify the other people of Wuxing Tiansha and come back to me immediately. I want to intervene in person. It's too outrageous."

Zuo Tianzheng was afraid that Wuxing Tiansha was in conflict and killed Jin Sha!

After all, the Golden Sha of the Five Elements Heavenly Demon is the strongest, so he will definitely be envied by others!

Chapter 3045

After receiving Zuo Tianzheng's notice, the rest of the Five Elements Tiansha also became nervous!

Things got like this, and the core internal secrets of the Fengmomeng were also leaked by them!

If this is the case, it will be a dead end for them to go back!

"Our top priority is to kill all the people who know the inside story!"

“Otherwise, after the news spreads, we may have a hard time wanting to die...”

Mu Sha frowned and said worriedly!

“Yes, what Musha said is right. If we go back like this, there will definitely be no good fruit to eat. We should act separately and kill everyone who knows the inside story!”

Huo Sha’s eyes were full of murderous intent!

The four discussed it, and then began to divide into multiple groups to intercept and kill those casual practitioners, members of the Ning family, and David and the others!

As long as you don’t leave this extreme north, the news won’t spread in a short time!

At the same time, on the edge of the extreme north, in a dense jungle, a figure was walking quickly!

This is the last jungle to enter the Far North. After passing through here, you will enter the Far North. Behind you is the vast snowfield. It is difficult to see the lush green trees!

In the jungle, the sound of monsters kept ringing out, but after these monsters got close to the figure, they all voluntarily gave way!

Under the figure, there was a pure white tiger with red eyes!

This person is none other than Yihe who was treated by the princess in Jialing County!

After David left, the princess of Jialing County removed the poison in Yihe’s body. Now Yihe went to the extreme north to find David. He was afraid that David would be in danger!

But at this moment, suddenly two people jumped out directly and stopped Yihe. They stared straight at the white tiger that Yihe was sitting on!

This white tiger is also a mount that Yihe temporarily tamed. As the demon emperor, if he wants to tame a few monsters, it is not easy!

But in the eyes of these two people, it is even more difficult to get a mount like this!

So the two of them saw Yihe riding a white tiger mount, so they wanted to stop it and keep it as their own!

Yihe saw two people blocking the way, so he stopped!

"Fellow Taoist, I don't know where you are going?"

One of them asked Yihe!

"Go to the extreme north to find people!" Yihe replied!

"That's such a coincidence, we are most familiar with this area, especially the land of the extreme north, where our two brothers grew up." "Since you want to find someone, we can help you, but you

need A little favor fee!"

The man said loudly!

"As long as you can help me find someone, you can ask how many spirit coins you want!"

As a demon emperor, Yihe doesn't care about the spirit coins!

"Not much, how about 100,000 spirit coins?"

said the man!

"I'll give you one million, lead the way..."

Yihe is not familiar with the extreme north, so someone can lead the way faster!

The two looked at each other, and they all smiled slightly!

"Okay, follow us closely..." After the man finished speaking, he turned around and started heading for the depths of the jungle!

"Brother, this guy looks so rich, especially when he is sitting on a white tiger, he definitely has a lot of strength."

One of the men with a long scarf on his head said!

"I've seen it a long time ago, that's why I said that. To deal with this kind of person, you can only be outsmarted, not reckless!"

Another man raised his mouth slightly!

"How to outwit it?" asked the man with a long scarf on his head!

"Idiot, lead him to our territory, then release the monsters we raised and swallow this guy directly." "

Isn't the money on him and the white tiger sitting on him all ours? "

Another man said proudly!

"Brother is still smart..." The man with the long scarf on his head was praised immediately!
