

A Man Like None Other Novel

Chapter 3057

"I didn't expect mere casual cultivators to have such backbone. I'd like to see how long you can hold on..."

Mu Sha sneered. Seeing these casual cultivators being tortured by him, he was very excited inside!

Yuan Bao's eyes had already started to lose sight at this moment, and he was about to die soon!

But at this moment, a figure flashed by in an instant, followed by a flash of white light, and those vines were all cut off in an instant!

Yuan Bao fell to the ground, breathing heavily.

"Are you okay?"

David stepped forward and pulled Yuan Bao up!

When he saw that it was David, Yuan Bao was very excited. He knew that he would not be able to die when David arrived!

"Brother Chen, I didn't expect it to be you, thank you so much..."

Yuan Bao said excitedly!

When Mu Sha saw David, he couldn't help but froze, "Is it you? Where's Huo Sha? Shouldn't he kill you?" "

That Huo Sha is already dead, I'm here to kill you..."

David said flatly!

"Impossible, how could Huo Sha die? With your strength, how could you kill Huo Sha?"

Mu Sha simply believed that David could kill Huo Sha!

"You don't believe it?"

Yihe, who also rushed over at this time, spoke, and all the breath in his body burst out!

At this moment, Mu Sha's face suddenly became extremely ugly, and his whole body began to tremble!

Yihe's burst of breath was enough to make him fall to the ground in an instant!

With this kind of strength, it is easy to kill them!

Now he believes that Huo Sha is dead!

It's just that he didn't understand, how could there be such a powerful master by David's side?

David glanced at Yihe, he knew that the reason why Yihe did this was to put pressure on Mu Sha, and when he was fighting with Mu Sha, then Mu Sha would be under pressure!

Yihe was completely concerned about David's safety, but David didn't need it at all. What he needed was for Mu Sha to unleash his full strength, so that David's potential could be stimulated!

David's strength grew up every time he followed the duels between masters!

"Yihe, don't scare him. If I kill him, I don't need anyone's help..."

David said to Yihe!

Seeing this, Yihe took back his breath and stepped aside!

At this time, Mu Sha no longer had the excitement of slaughtering those casual cultivators, and his face was so ugly that he was about to cry!

"David, do you know what kind of organization our Fengmomeng is? Our lord has passed the jade slip to send us back to our lives." "If you kill me now, the Fengmomeng will not let you go. You have to think carefully." "As long as anyone is targeted by our Fengmomeng, no one can escape!" Mu Sha didn't want to die, so he moved out of the Fengmomeng to scare

Hearing Mu Sha's words, David sneered, "That's what Huo Sha said just now, he's still dead..." "If you make a move now, if you can avoid my attack, I will spare your life..." David had an extremely confident face at this time. As far as Mu Sha was concerned, his strength was lower than Huo Sha, so David was absolutely

But when Mu Sha heard this, he said angrily, "Scholar can be killed but not humiliated, are you looking down on me? I want to see how you can kill me with one move..." Mu Sha roared, and suddenly hundreds of vines appeared around him. These vines were as fast as lightning, like tentacles, heading towards David from all directions

.

"I'd like to see how you escaped my Thousand Buddha's Hand..."

Mu Sha snorted coldly, his eyes were full of coldness!

In his eyes, David is vulnerable, and the only thing he worries about is Yihe!

He must always be on the lookout for Yihe to make a move!

Although Mu Sha knew that he was the lowest among the Five Elements Heavenly Demons, but he was more than enough to deal with David, a mere fifth-grade monk in the Composite Realm!
