

A Man Like None Other Novel

Chapter 3061

This made Quan Jun fall into extreme anxiety and depression!

She can see Master Yan's kindness to her, but after all, emotional matters cannot be forced.

But the matter between her and Gao Qiqiang, because of the grievances between the two families, they couldn't be together. Although they liked each other, it was useless!

For a while, Quan Jun fell into emotional entanglement and couldn't extricate himself!

In the end, she really couldn't bear it and chose to commit suicide!

Because only death will stop being disturbed by these troublesome things!

It's just that after persuading Jun to commit suicide, his spirit did not dissipate, and he was rescued back!

However, the physical body has disappeared, leaving only the soul body. If she finds another physical body, she can be resurrected directly.

But I advise you not to live in someone else's appearance!

In this way, Lord Yan brought Quan Jun's soul body into Jialing County, and used various resources to set up a spirit raising formation to keep Quan Jun's soul body from dissipating!

This stay has been going on for many years, and the pharmacist meeting held in Jialing County is also to find the elixir that can make the soul regain the body!

Because of Quan Jun's death, the Patriarch of the Gu Body Refining Clan and Gao Qiqiang are no longer hostile, and they are also looking for a way to help Quan Jun recover his physical body!

Later, the Patriarch of the Ancient Body Refining Clan made a decision against his ancestors. He wanted to use the Ice Soul Pill in the Treasure Land to help his sister regain her physical body!

Then there were all the things behind, after all, the land of treasures is not accessible to just anyone, and the Bingpo Pill is not accessible to anyone!

"Mr. Chen, we know that it is not good to use you like this, but in order to repay, I will give you the magic whip of our ancient body training clan. I hope you will not be angry." The patriarch of the ancient body training clan said embarrassingly

!

After all, for the sake of their sister, they made up such a big lie, put David in danger, and killed many people!

However, David was not angry. Although there were many dangers this time and he didn't get anything, he was able to have the original space and even feel the three original breaths. This is the biggest gain!

Especially in the land of treasures, seeing the ancestors of the ancient body training clan display their unique skills, every move and style has benefited me a lot!

What's more, there is also a magic whip, which is also an ancient magic weapon!

"The patriarch is too polite, even if you tell the truth, I won't be obliged..."

David said with a faint smile!

"Advise you, you have regained your physical body today and you are wearing a red robe, so let's follow Gao Qiqiang to get married." "With your

brother and I as your witnesses, our family will be one family in the future. Our common goal is to resist the demons and cultivate to become an immortal!"
Master Yan said to Quan Jun

!

"Brother Yan, I..."

Jun Jun looked at Master Yan with some distress, after all, she knew what Master Yan thought about her!

"You said it all, I'm your elder brother, and I happen to be your witness."

"Brother

Chen is here today, let him call his friends in to witness your wedding together!"

Master Yan said in a carefree manner!

But looking at Master Yan's expression, David knew that all these free and easy things were just pretending!

After all, how could the woman she loves helplessly watch her marry another man!

But sometimes, feelings are like this, maybe letting go is also a kind of love!

David didn't dare to imagine, if it was a woman he liked, would he be able to be so free and easy!

Probably not!

David called Gao Qilan and the others in. When Gao Qilan saw his elder brother, he was also very surprised!

When I heard that my eldest brother was getting married, I was so surprised that my eyes almost popped out!

Chapter 3062

When he saw David's figure appear, Ruben instantly became excited and ran towards David.

"Little brother, you're finally here, please come inside..."

Ruben took David's hand, and finally breathed a sigh of relief.

"President Su, since I promised you, I will definitely come."

David knew that Ruben was afraid that he would let him go.

Ruben showed a bit of embarrassment, so he could only smile, "Little brother, please, please..."

Ruben kept his posture very low, which made people who came to the hotel guess David's identity after seeing it.

When Sonya saw that David's back was straight, but her father was slouching, she immediately burst into anger, "What's the matter with you? My dad has been waiting for you at the door for more than half an hour, and you can see that my dad's face is obviously getting worse and worse. Will you cure the disease?" Sonya originally had deep opinions on David. At the beginning,

when David controlled Ruben's condition, Sonya was surprised, thinking that David was really smart

.

But after a short time, Ruben's originally ruddy complexion became more and more ugly, which made Sonya feel that David was a liar, maybe he was cheating money.

"Yuqi, don't mess around, hurry up and apologize to the little brother..."

Ruben's face turned cold, and he roared at Sonya.

"I'm not going to apologize to him. Look at him, he hasn't grown all hair yet. What kind of genius doctor is he? I think he's a big liar..." Sonya looked at David coldly, and she felt that the reason why Ruben didn't go to the doctor was because of David

.

Seeing that Sonya was disobedient, Ruben's face turned red instantly, and his breathing began to become short of breath.

"Cough cough cough..."

Ruben wanted to say something, but he didn't say a word, and started coughing violently!

"Dad..."

Sonya hurried over and supported Ruben!

And Ruben coughed up a mouthful of black blood, which frightened Sonya so much that her expression changed.

Seeing the black blood coughed up by Ruben, David frowned instantly. It seemed that Ruben's injury was more serious than he imagined. David didn't know how Ruben could last so long with such a serious injury.

"Help your dad to the room quickly..."

David said to Sonya who had already panicked.

But Sonya was stunned and didn't move, because she didn't trust David very much!

Seeing that Sonya didn't move, David frowned, and said sharply, "Do you want to watch your father die?"

Sonya was yelled at by David, and then supported Ruben, and walked into a box in the hotel!

After entering the box, David gave Ruben his pulse, and his expression became serious.

Just when David was about to treat Ruben, the door of the box was pushed open suddenly, and a doctor wearing glasses and a white coat came in.

"Doctor Sun, hurry up, look at my dad, he just vomited blood!"

Sonya seemed to have caught a life-saving straw after seeing the person coming.

"What? Let me see..."

Dr. Sun was startled, and hurriedly opened the medicine box!

"Get away..."

Sonya pushed David aside, then supported Ruben and said to Dr. Sun, "Dr. Sun, my father's illness depends on you, you must save him!" At this time, Ruben was almost unconscious, and his breathing became very weak

.

"Miss Su, don't worry, I will definitely do my best!"

Dr. Sun said, and began to feel Ruben's pulse!

As the pulse took longer and longer, Dr. Sun's frown became deeper and deeper. Seeing Dr. Sun's appearance, Sonya was anxious and did not dare to speak out.

"Miss Su, Su has always injured his spleen and lungs, and he is suffering from hidden diseases. This accumulated chronic disease must be rectified slowly. However, someone forcibly stimulated Mr. Su's immunity. Although it seemed to be effective temporarily, it aggravated Mr. Su's condition. I am afraid that Mr. Su is now in danger. Before me, who treated Mr. Su?" Dr. Sun said solemnly

.

When Sonya heard this, she was instantly furious, and looked directly at David, who had treated her father just now, and it was true that her father's condition had improved a lot as Dr. Sun said at the time, but she didn't expect that this would harm her father.

"You liar, if something happens to my father, I will never forgive you!"

Sonya yelled at David, her face was full of anger, if it wasn't because she couldn't get away from supporting Ruben, Sonya probably had already done something to David!

"Why do you call me a liar? What did I lie to your family? If it wasn't for me, your father would have already been a corpse. It's unreasonable!" David

snorted coldly, disgusted with Sonya. A girl's family, who opens and shuts his mouth, tells a liar, how can there be a little girl's tenderness

!

"You..."

Sonya was furious, but she couldn't argue with David at this time, the most important thing was to save her father first.

"Doctor Sun, please, hurry up and think of a way, please..."

Sonya was about to cry.

Dr. Sun opened the medicine box, took out a black pill from it, stuffed it into Ruben's mouth, and then took out a pack of silver needles, pierced several acupoints in Ruben's Huizhong, Tianhai and Zuchi!

"You are not saving people by doing this, you are harming people..."

David looked at Dr. Sun's acupuncture and said unhurriedly.

Dr. Sun frowned, "What do you mean? Are you questioning me? Could it be that you can't do acupuncture?"

Acupuncture is traditional Chinese medicine, which is not like Western medicine, which can be mastered after three to five years of study. Traditional Chinese acupuncture and moxibustion can be difficult to get started after ten or eight years. It may take decades to become proficient.

But David was only about twenty years old, so even if he learned acupuncture from his mother's womb, how good would he be?

Chapter 3063

"What nonsense are you talking about? You are not needed here, get out of here..."

Sonya yelled angrily because she was afraid that David would affect Dr. Sun's treatment.

"Okay, you told me to leave. I'll just sit in the corridor outside. Within five minutes, you will definitely beg me to come back." After David finished speaking, he opened the door of the

box and walked out.

David walked back, and no one was paying attention to him. Then Dr. Sun began to give Ruben acupuncture and moxibustion carefully, and he was sweating profusely soon!

After the last needle was inserted, Ruben woke up leisurely, and slowly opened his eyes!

"Dad, my dad is awake, Dr. Sun, my dad is awake, that's great..."

Seeing that Ruben woke up, Sonya shouted happily, her eyes filled with tears.

She was really scared just now, afraid that her father would never wake up again.

When Dr. Sun saw that Ruben woke up, he let out a long sigh of relief. He was actually not sure!

But just when Sonya and Dr. Sun breathed a sigh of relief, Ruben, who had opened his eyes, suddenly trembled violently, his expression was very painful, and he was struggling with each other, his whole face turned purple!

"Dad...Dad..." Sonya yelled loudly, looked at Dr. Sun in a panic and said, "Dr. Sun, what's going on?" At this time, Dr. Sun was also a little flustered, looking at a loss, "I... I don't know, how could this be, how could this be..." "Who are you asking? You are a doctor!" Sonya was anxious and yelled

at

Dr.

Sun.

At this time, Ruben's trembling became smaller and smaller, and finally he didn't move at all, and he couldn't even detect his breathing.

This time, Dr. Sun panicked even more. If Ruben had something good or bad, he might not even think about it.

"Dad, don't scare me, don't scare me..."

Sonya began to cry.

"Miss Su, let's send President Su to the hospital, I can't help it!"

Dr. Sun said anxiously.

The reason why he chose to send Ruben to the hospital at this time was nothing more than to avoid responsibility. Ruben died in the hospital, so it had nothing to do with him.

"Do you think I'm stupid? My dad is in this situation, can he still go to the hospital? Hurry up and save my dad. If you can't save my dad, don't do it either..." Sonya had lost her mind at this time, her eyes were full of anger and said

.

The Su family is the richest man in Jiangcheng. It is not easy to deal with a small doctor.

This time, Dr. Sun was terrified, but he had no choice. When he was anxious, he suddenly thought of David. Dr. Sun hurriedly said, "Miss Su, the young man who just went out, maybe he really has a plan. I think that young man has a lot of tricks!" When Dr. Sun said this, Sonya also thought of David

.

As long as David treats Ruben with his own hands, even if Ruben is dead, he will not be able to find his responsibility. It is David's responsibility alone.

Sonya hesitated, and finally put Ruben on the chair, and then rushed out of the private room!

At this time, David was sitting on a chair in the corridor, and he knew that Sonya would definitely come out to find him.

Seeing that David hadn't left, Sonya ran over in a hurry, but just about to open her mouth, she suddenly realized that she didn't even know David's name.

"Please, please save my father..."

Sonya begged David with embarrassment on her face.

David slowly raised his head to look at Sonya, but Sonya didn't dare to look directly into David's eyes. Just now she was yelling at David, but now she came to beg David!

"You believe that I can save your father, and that I'm not a liar?"

David asked.

Sonya didn't speak, she didn't know how to answer, because at this moment Sonya didn't completely believe in David, she just didn't do anything, she was just a dead horse as a living horse doctor!

Seeing Sonya like that, David smiled, and didn't make things difficult for her, but got up and walked towards the private room.

Sonya hurriedly followed behind, while that Dr. Sun was sweating profusely, walking anxiously in the private room!

Seeing David coming, Dr. Sun seemed to see a savior. No matter whether David could cure Ruben or not, as long as David took action, his own responsibility would be released.

"Little brother, I was wrong just now, please save President Su quickly!"

Dr. Sun also put down his status and begged David.

Compared with your own wealth and life, saying a few nice words is nothing!

David glanced at Ruben, sighed softly and said, "It seems that I can only fight..." After

David finished speaking, he looked at

Dr. Sun and asked, "Do you

still have the silver needles?"

"Not enough!" David shook his head.

"Not enough?" Dr. Sun was taken aback, "There are more than 30 silver needles in this pack, isn't it enough?" In

normal acupuncture, it is quite remarkable to be able to administer more than a dozen needles. Even Zhou Jimin, the president of the Association of

Traditional Chinese Medicine who is known as a genius doctor, can only administer more than 20 needles. More than 30 silver needles are supposed to be enough!

"Not enough, I need a lot of silver needles!" David said.

"How much?"

Dr. Sun asked carefully.

"Ninety-nine eighty-one!"

As soon as David finished speaking, Dr. Sun was taken aback for a moment, and he was stunned!

After a while, Dr. Sun's eyes showed a trace of panic, but he didn't say anything, and took out all the silver needles from the medicine box!

David took the silver needle, put Ruben's body flat on the ground, and then waved his hands, the silver needles kept piercing into Ruben's body!

David's forehead began to break out in cold sweat, his whole body seemed to be struggling, and his clothes were soaked!

When the last silver needle pierced into Ruben's body, David let out a long breath, and he sat down on the ground as if he had collapsed.

During this period, Sonya watched fidgetingly. She didn't know anything about acupuncture and wanted to ask, but she was afraid of disturbing David.

But at this time, Dr. Sun was already stunned on the spot, his mouth opened wide enough to stuff an egg.

After a while, Dr. Sun turned from shock to excitement, and knelt down in front of David with a plop!

Dr. Sun's sudden action shocked David and Sonya!

Chapter 3064

"Genius doctor, please accept me as a disciple!"

Dr. Sun kowtowed to David as he said that!

David opened his mouth, but found that he had no strength at all, and Sonya looked at Dr. Sun in shock, "Dr. Sun, what's wrong with you? My dad is still awake?" Sonya didn't understand, her father hadn't woken up yet, why did Dr. Sun call David a miracle doctor

!

"Miss Su doesn't know something. Just now, the genius doctor used the nine-turn revival needle, which can heal even the dead, so President Su will be fine!" Dr. Sun followed Su

Yuqi to explain.

"So powerful?"

Sonya looked at David in disbelief. If what Dr. Sun said was true, then this David could really be called a miracle doctor.

"I didn't expect you to know the Nine-turn Resurrection Needle!"

David gasped and said in surprise.

This Nine Turns Resurrection Needle is an ancient acupuncture method that has been lost for a long time. David learned it from the old dragon head. He didn't understand how Dr. Sun knew it.

"Genius doctor, I am Karl, the vice president of Horendel Association of Traditional Chinese Medicine. I have read about this acupuncture method in an ancient book. I never thought that today I would be lucky enough to see a miracle doctor administering acupuncture. He also asked the genius doctor to accept me as an apprentice." Karl kowtowed to David

.

Karl's behavior made David a little overwhelmed. At this moment, several coughs sounded, and Ruben woke up!

"Dad!" Sonya came to her senses, and hurriedly stepped forward to help Ruben up, but was pulled by David, "Miss Su, you can't move now, wait until I take out the silver needle on your father's body!" David took Sonya's delicate hand, and it was soft and warm when held in it, which made David's heart agitated, and Sonya seemed to feel the temperature in David's hand, and blushed, "Thank you!"

"

David hastily let go of Sonya, calmed down, and waved his hands lightly in front of Ruben, the coefficients of the eighty-one silver needles were sucked into David's palm!

"Okay!"

David handed the silver needle back to Karl, and said to Sonya.

At this moment, Sonya didn't dare to have the slightest doubt about David, and after thanking her, she stepped forward to help Ruben up, tears were about to flow out of excitement.

"Dad, how are you feeling?"

Sonya asked while supporting Ruben.

"I'm fine, I'm fine!"

Ruben smiled slightly, but when he saw Karl kneeling on the ground, he asked with a puzzled face, "What's going on?" Sonya

could only tell the story of David saving him with the nine-turn resurrection needle. When Ruben heard it, he was immediately surprised.

He felt that David could see the illness in his body, so he should have some tricks, but he didn't expect it to be so powerful that even Karl, the vice president of the Chinese Medicine Association, would kneel down to worship his teacher!

"Little brother, this is the second time you have saved me. From now on, you are the great benefactor of my Su family. As long as you say a word, I, Su, can do anything, and I will never refuse!" Ruben said excitedly

.

"President Su, it's just a small effort. Besides, you have been doing good deeds for a long time, and this is your blessing!" David said flatly, but then changed the subject. Ping is a little brother, but he changed his name to respectful Mr. He was really afraid that David would not save

him .

In order to survive, he is willing to give all his wealth to David. As the richest man in Horendel, Ruben has a lot of assets, and now he wants to give it all to David. Anyone who sees it will be envious.

"Boss Su doesn't have to be like this. Since I met you, I will naturally save you. It's just that I still need some rare medicinal materials, so I need you to prepare them!" David has no money to buy medicines for Ruben, and the medicinal materials he needs are priceless

.

"Sir, just say what you need!" Ruben nodded quickly, and then said to Sonya, "Yuqi, prepare paper and pen to record it!" David felt uncomfortable when Ruben suddenly changed his address to Mr. David, so he said, "Mr. Su, my name is David, you can just call him by his first name!" A full medicine list was given to

Su

Yuqi

!

"Mr. Su, most of the medicinal materials on this list are the medicinal materials you need, but a small part is for my mother. My mother is blind. If she wants to be cured, she also needs some medicinal materials!" David followed Ruben truthfully

.

David's mother Barbara's eye disease was caused by crying for too long, so she became blind. It is not difficult for David to cure it!

It's just that with his current ability, it may be difficult to prepare the medicinal materials for treatment, so he simply asked the Su family to prepare together.

However, there were two things that David worried that the Su family would not be able to find them. One of them was the writing brushes with a certain spirituality, such as the writing brushes used by writers for a long time, which had spirituality.

Or brushes made of spiritual animal hair are also available, these spiritual brushes are just one of them!

Cinnabar is also needed. Although cinnabar is very common now, the cinnabar that David needs to use is made of small-leaf red sandalwood or old mountain sandalwood that is more than a hundred years old. With a spiritual brush, you

only need to touch Barbara's eyes a few times, and you can basically see things.

Although David also wrote these two things on the list, he didn't expect the Su family to find these two things. These two things are rare but not sought after, and only those who understand can tell the difference!
