Chapter 3068

Chapter 3068

Ji Yun fell silent after hearing Shi Tieqiao's words, and it was obvious that he was very worried at this moment!

And David said with a puzzled expression, "What kind of sect is this Cloud Piercer? And what is that ink sea? How can there be treasures?"

Looking at David's puzzled look, Yihe explained, "This Chuanyunmen is a sect in the Eastern Territory Continent, and it is also a sect whose main business is airship transportation." "

As for the ink sea, it is a sea, because the sea water is as black as ink, so it is called the ink sea, but that The ink sea is very strange, all the aircraft flying over the ink sea will fall for no reason, even flying monsters can't fly over!" "It is rumored that the land of the ink sea is

an ancient battlefield. It was a fierce battle, and this sea of ink was formed with the blood and souls of the dead monks who fought in the battle. It was extremely strange, so the sea of ink became a no-fly zone, and no aircraft was allowed to fly over the sea of ink!"

" Even trying to cross the sea of ink is very difficult..."

David became even more confused after hearing Yihe's explanation, and asked in confusion, "East Region Continent? What is this place?"

"Mr. Chen, This Eastern Territory Continent is nothing more than a continent to the east of the Celestial Realm. The entire Celestial Realm is divided into five regions, five continents in the east, west, north, south, and middle, just like the three emperors and four kings of our beast race, and several great demons of the demon race. The first thing is, human monks also divide regions according to several continents." "

Each region is under the jurisdiction of a domain master, and the continent we are in is the northern domain, so there is a northern domain master sitting on the entire continent. It's just that the Celestial Realm occupies a vast area, with continents criss-crossing each other, and each faction is also intertwined, constantly fighting." "

Like the Cloud Piercing Sect following the Feitian Sect, this situation occurs because of disputes over interests. , but this kind of trivial matter, the domain owner will not interfere."

"Only when a large-scale battle occurs, or the resurgence of the demons makes one party The mainland is in chaos, so the domain lord will send someone to negotiate and suppress it, if it can't be resolved, then the domain lord will come in person."

"In fact, it has been hundreds of years, and I have never seen any domain masters, and it seems that I have never heard of them appearing. Gradually, people may forget the existence of domain masters!" "But the dividing line of the five

continents There are still some, it seems that this time, the Cloud Piercing Sect has crossed over its own territory and snatched the airship and business of the Feitianzong!"

Yihe explained the structure of the entire Celestial Realm to David in detail, which made David Feeling shocked, he didn't expect that there is such a person as the domain master in the world of heaven and man!

But it's normal to think about it. If the celestial and human realm is so huge, if it is really chaotic and disorderly, the celestial and human realm would have been destroyed long ago!

But it hasn't appeared in hundreds of years. I don't know if the so-called five-domain domain master really exists!

"Do you know what level the strength of these domain masters has reached?"

David was very curious, what kind of existence would it be for a person who can control a continent in a place like the Celestial Realm!

Yihe shook his head and said, "I don't know either. I haven't seen or heard of it. It seems that I haven't heard of anyone who has seen the domain master, and I haven't seen the domain master make a move. But I think it should be in the realm of immortality." Now, the reason why these people don't like to show up to take care of things is probably because they are waiting for ascension." "

After all, to become a real immortal, nothing is a big deal!"

"Transforming an immortal..." David fell into deep thought, He didn't know how terrifying the power would be at this level.

For a while, the airship fell into silence. Ji Yun looked out of the window with worry in his eyes. He, who used to eat and drink without worries, seemed to feel the pressure at this moment!

Chapter 3069

After a day and a night of flying, the airship finally landed in Feitianzong!

At this time, all the Feitianzong left behind were old, weak, sick and disabled, and most of them followed the suzerain to Mohai!

Shi Tieqiao is staying behind Feitianzong, taking care of some things!

"Mr. Chen, I can only take you here. I want to take this airship and rush to Mohai."

Ji Yun said to David apologetically!

"Do you need my help?"

David asked Ji Yun!

After all, Feitianzong is a commercial sect, and its disciples are not very strong, so if there is a conflict, Feitianzong has no advantage!

"No need, the Cloud Piercing Sect is just like us, there are not many experts." "

Besides, the Cloud Piercing Sect crossed the border to provoke, so it shouldn't bring many people."

Ji Yun shook his head and refused David's help !

He knew that David still had a lot of things to deal with, and the dispute with Chuanyunmen was not as serious as imagined!

As a business sect, all they care about is profit, and they don't really work hard.

"Okay then, take care of yourself and let me know anytime if you need it!"

David took out several sound transmission jade slips and gave them to Ji Yun.

For David, this simple sound transmission jade slip can be easily refined!

Although David also wants to go to Mohai to see what it looks like and what treasures are there, but right now he has more important things to do!

"Thank you, Mr. Chen."

Ji Yun took the sound transmission jade slip and thanked him very much!

But just when David was about to take Yihe and the others back to the Demon Imperial City and take it back from the tiger's hands, a disciple of the Feitian Sect hurried over!

"Elder Shi, Eldest Young Master, something is wrong, something is wrong..."

the Feitian Sect disciple said anxiously!

"What's wrong?" Ji Yun frowned!

"The suzerain led people to chase the person who pierced the cloud gate, and entered the ink sea. It has been three days since I can't contact you." "

This is a message from the brother who stayed behind..."

Said the disciple of the Feitian sect!

"What? My dad has entered the ink sea?"

Ji Yun's face suddenly panicked. You must know that the ink sea is extremely strange, and people often disappear, so you must take a spirit boat to cross the ink sea, and you must be extremely careful!

Now Ji Yun didn't expect that his father would carelessly chase into the ink sea in order to chase the person who pierced the cloud gate, and he couldn't get in touch for three days. It seems that something must have happened!

At this time, Ji Yun suddenly felt at a loss. He was just a son-in-law at ordinary times, and he had never taken on any major responsibilities. Now that his

father was missing, the responsibility of the entire Feitian Sect suddenly fell on him!

David looked at Ji Yun like that, and said, "Ji Yun, don't worry, I'll accompany you to Mohai." "

Mr. Chen, you..."

Ji Yun knew that David had a lot of things to do. Woolen cloth!

"I just want to see what treasures are in Mo Hai, and maybe there will be some adventures!"

David said with a slight smile, he said this on purpose, so that Ji Yun could feel at ease!

After finishing speaking, David looked at Yihe and said, "Yihe, take the others back to the Demon Imperial City, you must ensure their safety, and you must take care of the Jade Cauldron Sect to prevent the Jade Cauldron Sect from being attacked." ..."

Now that Yihe's strength has recovered, it will be a breeze to take back the Demon Imperial City and deal with mere tigers!

And that Hu Yixiao, as long as Yihe stepped forward to protect the Jade Cauldron, Hu Yixiao would never want to touch the Jade Cauldron!

So it's the same whether David goes back or not, it's just that the god king bow can't be retrieved for a short time!

"Mr. Chen, Mohai is weird and unpredictable. If you go, be careful..."

Yihe told David!

Chapter 3070

"I know, you have to beware of that King Li, and prevent Mingli King City from attacking Yaohuang City."

David said!

Yihe nodded, and then prepared to leave with a few girls!

"David, I...I want to be with you..."

At this time, Gao Qilan whispered!

She came all the way from the extreme north just to follow David, now that David left her aside, she felt bored!

"Miss Gao, the land of the Black Sea is very dangerous, and I don't know that place. You may be in danger if you follow me.

" I offended the Fengmomeng, maybe the people of the Fengmomeng are chasing me everywhere now!"

David said truthfully!

"I'm not afraid. Since I choose to follow you, I'm not afraid of danger. If you are really killed, then I will follow with death..."

Gao Qilan's eyes were full of firmness, expressing her love for David.

Looking into Gao Qilan's eyes, David didn't know what to do for a while!

After all, Liu Ruyan, Huofeng, and Yu Jiameng were all there, and they definitely wanted to follow him. If Gao Qilan agreed, what would the others do?

David can't favor one person over another, and if these women follow him, it will definitely be very dangerous!

“Master, let Sister Qilan follow you, let’s go to Demon Imperial City.” “

After all, Sister Qilan hasn’t slept with you yet, you have to let him taste it...” “

Or else he’s a big girl , follow you for nothing...”

Huofeng saw David’s worries, so she said!

Huo Feng’s words were neither serious nor serious, and immediately made Gao Qilan blush!

David was also extremely embarrassed, coughed lightly and said, “Okay, let Miss Gao follow me, you and Yihe go back to the Demon Imperial City, don’t run around, when I finish dealing with Mo Hai’s affairs, just let me go.” I’ll go find you!”

The three women all nodded, and after telling David to be careful, they followed Yihe on the road to Demon Imperial City!

And Ji Yun followed David and Gao Qilan, boarded the airship and headed towards Mo Hai!

At this very moment, within the palace of Demon Imperial City, Huben is holding a banquet!

And on top of the banquet were several generals from Mingli Imperial City, these people came to assist Huben in controlling the Yaohuang City!

It is said to be an assistant, but in fact it is treating Huben as a puppet. Li Xing wants to make the entire Mingli King City annex the Yaohuang City!

Beside Huben, two very coquettish women kept pouring wine into Huben!

These two women were also sent by Li Xing, in order to make Huben forget about Princess Isa!

Huben is also not polite, at the banquet, he played hands with the two women, not caring about other people's eyes, now he is the Demon Emperor, in the entire Demon Emperor City, he is the biggest!

Just when Huben was immersed in the tenderness of the two women, suddenly the sky became dark, and gusts of wind began to howl!

"Why did the sky suddenly change?"

Huben looked out the window, a little surprised!

Accompanied by a gust of wind, the gate of the palace was suddenly blown open, and a figure slowly walked in from the outside!

Looking at the figure walking in, Hu Ben frowned, with some doubts in his eyes!

But when the figure walked into the hall, Hu Ben's eyes suddenly widened, and the fear in his eyes immediately permeated!

"The demon... the demon emperor..."

Huben pushed the two women aside and looked at Yihe in shock!

He didn't expect that the demon emperor Yihe came back!

In the main hall, those generals of the Mingli King City were all taken aback when they saw Yihe Yaohuang, and then got up to be vigilant!

"Hu Ben, can you sit in the seat above the main hall?"

Yihe said with a cold expression!

Huben trembled all over, and hurriedly got down from the seat.

“General Huben, the Demon King Yihe has been poisoned by our Mingli King City, and has long since lost his skills. What are you afraid of him doing?” At

this time, a general from Mingli King City said!
