

A Man Like None Other Novel

Chapter 3096

That would be no fun!

Seeing that Ye Fengqing pulled back again, David had a sneer on his face, since this guy underestimates him so much, let him improve his memory!

David originally wanted to dodge. After all, Ye Fengqing is a cultivator in the Transcending Tribulation Realm. Even if he didn't use all his strength to slap him, the power is not small!

Now that Ye Fengqing actually pulled back his strength again, then David didn't plan to hide!

Seeing that David didn't hide or dodge, the Demon Mountain Ghost Elder frowned slightly, and stepped forward to stop him!

Because of Ye Fengqing's slap, if David didn't dodge, he would definitely not be able to bear it!

Seeing that the Devil Mountain Ghost wanted to stop him, many monks surrounded him in an instant, surrounding the Devil Mountain Ghost!

They don't allow Lao Mo Shan Gui to do anything, if Mo Shan Gui Lao follows Ye Fengqing, then this spirit ship will definitely sink, and then all of them will be finished!

The Devil Mountain Ghost frowned when he saw so many people surrounding him, but he was helpless!

And Ye Fengqing saw that David was motionless and looked at him with a sneer on his face, thinking that David had been frightened out of his wits!

Seeing that Ye Fengqing's palm was about to slap David with coercion, a cold light flashed in David's eyes, and he finally moved!

"Holy Light Fist..."

David clenched his fist suddenly, and then bursts of bright light burst out from the fist!

Endless power surged out from David's punch!

Boom...

David's punch hit Ye Fengqing's palm fiercely!

In an instant, there was a bang!

The burst of breath caused the spirit ship to shake violently, and the entire deck began to crack!

At this moment, everyone started to panic!

And that Ye Fengqing's eyes widened in shock, and he flew upside down, hitting the deck heavily, the deck collapsed instantly, and the whole person fell into the cabin!

The magic circle around the spirit boat collapsed in an instant under the violent aftermath, and many people were blown to the ground!

None of them had any mental preparations. In their view, David was nothing more than an ant, who would die with a light twist.

Unexpectedly, this ant burst out with the power of a beast!

“Quickly, repair the spirit ship, absolutely don’t let the spirit ship collapse...”

a staff member wearing a gossip robe shouted!

Soon, many staff members of the spirit ship got busy and repaired anxiously, for fear that the spirit ship would collapse and sink directly in the ink sea. In that case, none of them would survive!

And many other monks, while shocked, also hurried to help, after all, this is a matter of life and death!

The whole spirit boat was in chaos, only David had a calm face. After all, he had the holy tortoise, so even if the spirit boat sank, it had nothing to do with him!

Moshan Guilao looked at David blankly at this time, his eyes were full of surprise!

What surprised him wasn’t that David could knock Ye Fengqing down, he was surprised how David knew the Holy Light Fist!

“Miss Gao, Ji Yun, let’s go...”

Looking at the messy spirit ship, David decided to take them away on the Holy Turtle!

The reason why he did it just now was because of Ye Fengqing’s carelessness, not because he really had the strength to defeat Ye Fengqing!

Now, taking advantage of the chaos of the spirit boat, they should leave as soon as possible. If Ye Fengqing really wants to risk his life and give up the spirit boat, David can’t help it!

“Wait a minute...”

The Devil Mountain Ghost stood in the way of David and the others!

"What do you want to do?" Ji Yun asked with a guarded expression!

David waved his hand to tell Ji Yun to shut up, and then looked at Moshan Gui Laodao, "Senior, I don't know why you stopped us?" "

If you want to ride the holy tortoise together, please, my holy tortoise can do it." Take the few of us."

Just now, David saw that the Devil Mountain Ghost Elder helped him, and in David's opinion, the Devil Mountain Ghost Elder was not as cruel as in the legend!

Chapter 3097

"I don't want to ride your holy tortoise. If I need it, I can tame a holy tortoise."

The Devil Mountain Ghost shook his head!

David was right when he thought about it. This Demon Mountain Ghost is quite powerful. He tamed a holy tortoise but let it go. If the spirit ship really sank, he can tame a holy tortoise again!

"Then I don't know why senior stopped us?" David asked in puzzlement!

"I want to know, who did you learn your Holy Light Fist from?"

Moshan Guilao asked seriously!

"Follow what an old senior learned." David replied!

But he didn't directly mention the wind demons. After all, in the whole world of heaven and man, many people hate the demons. Necessary misunderstanding!

"Which old senior are you following?"

Moshan Guilao asked!

"This..." David hesitated!

"You man, how can you get to the bottom of it? Who did you learn from? Do you have to tell you?"

Gao Qilan was a little displeased, obviously David didn't want to say it, but the devil mountain ghost kept asking!

The Demon Mountain Ghost Elder ignored Gao Qilan, but looked at David and said, "Your Holy Light Fist is extremely pure and powerful. It is obviously the direct descendant of the Fengmo lineage." "But as far as I know, after the battle between God and Demon

, The Fengmo was destroyed, and the Fengmo lineage also fell apart, and now there is no one who knows this pure Holy Light Fist."

Hearing the words of Moshan Guilao, David pondered for a moment and said, "To be honest, my Holy Light Fist was precisely Senior Feng Mo personally taught it."

When Moshan Guilao heard this, he was immediately shocked, "Impossible, absolutely impossible, Fengmo Patriarch..."

Having just said this, Moshan Guilao suddenly closed his mouth, as if realizing that he Wrong word!

And David keenly caught the words of the old demon mountain ghost, and frowned instantly, "Fengmo patriarch? Are you a demon cultivator, from the wind demon lineage?" Seeing this, the old demon mountain ghost could only nod his head, "That's right.

" , I am indeed a demon cultivator, belonging to the Fengmo lineage. In order to survive, I have practiced complete exercises, so the aura on my body can change in an ever-changing manner. This is

also to prevent people from knowing my identity as a demon." Because of this, my strength has not improved for hundreds of years, and I have been guarding Tianmo Mountain, hoping that one day I can rectify the name of my Fengmo lineage." "The ancestor of Fengmo has been dead for thousands of years, and even

those who have seen him His apprentices and grandchildren are all dead and injured now, how could he teach you the Holy Light Fist in person?" The

Demon Mountain Ghost did not believe what David said, after all, it was too outrageous.

"Senior Fengmo is not dead, his remnant soul was suppressed in the demon-suppressing tower in the secular world. I rescued Senior Fengmo by chance, and he taught me the Holy Light Fist." "He also said

, Give me a chance, see you at Tianmo Mountain..."

David said truthfully!

"What? Patriarch Fengmo is not dead? Has he returned to Tianmo Mountain? Why haven't I seen him?"

Moshan Guilao's face was full of excitement, and his body was trembling slightly!

"Then I don't know. Maybe he is just a remnant soul, and he doesn't want people to know. Maybe he will appear when he recovers his body." David also didn't understand why

Feng Mo never showed up!

But think about it, Feng Mo only has a wisp of remnant soul left, and his strength must be greatly reduced. If he shows up now, he might be suppressed again!

Maybe he thought it would not be too late to show up after he regained his physical strength!

The Devil Mountain Ghost stared at David, "You didn't lie to me?"

"What did I lie to you, does it mean anything to me?"

"And my Holy Light Fist can't be faked, right?"

David smiled lightly!

At this time, Moshan Guilao had completely believed in David. After all, David's Holy Light Fist would never be learned by anyone except Feng Mo himself.

Chapter 3098

"Patriarch, please be respected by your disciples..."

said Moshan Guilao, and he was about to kneel down to David! This time, David was frightened, and he hurriedly stepped forward to support the old ghost of Moshan,

"Senior, what do you mean?"

Disciple, in this way, you will be my patriarch."

"When I see my patriarch, I should give a big salute..."

Moshan Guilao explained!

When David heard this, he quickly shook his head, "Senior, I just accidentally saved Senior Feng Mo. He taught me the Holy Light Fist. I'm not his disciple, and Senior Feng Mo never said that he accepted me as a disciple."

"Although Patriarch Fengmo didn't say anything, but he told you to go to Tianmo Mountain to find him, then he must have meant that." "

Even if you are not a disciple of Patriarch Fengmo, but you saved us Patriarch, that is also the great benefactor of our Fengmo clan, and I should bow down to you."

Said Moshan Guilao, he was about to kowtow to David!

David held on to the Devil Mountain Ghost, and said with embarrassment, "Senior, don't do this, such a big gift, it's a shame for the younger generation."

David really didn't expect that the Devil Mountain Ghost was old and looked fierce , but he does things so openly, it's not like the rumors at all!

Just as David was arguing with Moshan Guilao, a terrifying aura burst out from behind him!

"Well, David, you dare to hide your strength and lure me into being fooled."

"If I don't kill you today, I swear I won't be human..."

Ye Fengqing slowly flew out of the cabin, his eyes full of tears. Strong killing intent!

In front of so many people, he was punched flying by David, which is simply too embarrassing!

Also embarrass them for the Seal of Demons, if the leader finds out, it will be troublesome!

Feeling the aura of Ye Fengqing's body, Gao Qilan and Ji Yun's expressions changed, as if their entire bodies were being suppressed by a mountain!

The coercion of the monks in the Transcendence Tribulation Realm is not something they can bear!

Seeing this, David's face became extremely ugly. If Ye Fengqing really used all his strength, he would have no way to deal with it!

Although he can escape, what about Gao Qilan and Ji Yun?

Just when David and the others were under Ye Fengqing's terrifying coercion, they suddenly felt their bodies relax!

I saw rays of light erupting from the body of Moshan Guilao, covering the three of them!

Seeing this, Ye Fengqing frowned, "Old Demon Mountain Ghost, what do you mean?" "

I don't mean anything, as I said, no one can threaten my integrity." "

Now that the spirit ship is damaged, many people are Rushing to repair, you still want to do something on the spirit ship, you don't want to live, I still want to live."

Moshan Guilao said flatly!

Ye Feng looked at Moshan Guilao coldly, with an increasingly gloomy expression on his face.

"Are you trying to fight against my entire League of Demons?" Ye Fengqing threatened the old ghost of the Devil Mountain!

"I don't want to fight against you Fengmomeng, but I don't want to die either." "

So as long as I'm on this spirit ship, if you want to make a move, it's absolutely impossible..."

Moshan Guilao said with determination on his face!

At this time, other monks also gathered around, this time they didn't stop the Demon Mountain Ghost Elder, but Ye Fengqing!

Just now Ye Fengqing slapped David, and David was sent flying, and the whole spirit ship was damaged.

If Ye Fengqing was doing it now, the spirit ship would definitely be over, it would sink 100%!

At this time, none of the people dared to regard David as an ant!

"Master Ye Rudder, you can't do anything anymore, or we're all going to die."
"

That's right, the slap just now almost destroyed the whole spirit ship." "

Now that the spirit ship is damaged, we definitely can't do anything anymore."
"

Many monks surrounded Ye Fengqing, not letting him do anything!

Chapter 3099

Ye Fengqing's face became very ugly, but there was nothing he could do, and he didn't want to cause public anger!

After all, in the face of the choice of life and death, everyone can do anything!

If this forces everyone to fight against him, even if he is in the Tribulation Realm, he probably won't be able to stand up to so many people!

“Boy, I remember you. As long as you dare to go ashore, I will kill you.”

Ye Fengqing threatened David!

David didn't care, he had the holy tortoise, he could go ashore at any time, as long as he left here, he didn't believe that Ye Fengqing would still find him!

What's more, even if Ye Fengqing doesn't chase and kill him, I believe that the Fengmomeng will not give up with him.

Therefore, David is not afraid of the people of the Fengmomeng, they are already like this anyway.

“Mr. Chen, you should leave on the back of the Holy Turtle. As for Ye Fengqing, I will keep an eye on him. If he dares to attack Mr. Chen, I will not spare him.

“ I'll hide when the time comes, and I'll just hide for decades.”

Moshan Guilao said to David!

“Thank you senior, as long as I go ashore, I won't necessarily be afraid of that Ye.”

David said with a slight smile!

As long as he returns to the Demon Imperial City, with Ye Fengqing's strength, it is impossible for him to enter the Demon Imperial City, and then let Yihe handle him!

After bidding farewell to the Devil Mountain Ghost, David took Gao Qilan and Ji Yun and jumped onto the back of the Holy Turtle!

Then under the order of David, the Holy Turtle galloped towards the small island!

When Ye Fengqing saw David leaving in the Holy Turtle, his face was livid with anger, and his teeth were chattering!

"Return journey..."

Ye Fengqing shouted loudly, the spirit ship was damaged, and it was not suitable for continuing to sail on the Black Sea!

"Rudger, the spirit ship is damaged. It needs to be repaired and the formation must be rearranged before it can continue sailing."

A staff member wearing a gossip robe ran over and said!

"Then hurry up and fix it!"

Ye Fengqing yelled with eyes widened angrily!

The staff was so scared that they rushed to repair it!

But at this moment, the spirit boat suddenly shook, and the dozens of holy tortoises wrapped around the spirit boat again and started to move forward!

At this moment, everyone panicked, not knowing where these holy tortoises were going to take them!

The spirit ship was damaged, and there was no way to stop the holy tortoise with spells. All I could do was watch these holy tortoises engulf the spirit ship and move forward! " These holy tortoises

are proficient in spirituality and have a gentle temperament. They never take the initiative to attack humans, so they may not be in danger when they move forward with a spirit ship."

Let's go treasure hunting."

said the old Demon Mountain Ghost!

After hearing this, everyone felt that what Moshan Guilao said was reasonable, and they all relaxed a lot. They all went back to their rooms and let the holy turtles lead the spirit boat forward!

And David, the three of them, sat on the back of the holy turtle, although the conditions were not as good and comfortable as those on the spirit boat.

But on the back of this holy tortoise, you can face the wind and waves, and look at the scenery of the ink sea, which is also a special feeling!

Chen Pingduan sat on the back of the turtle, holding the Wind Bead in his hand. In this way, no matter how fast the holy tortoise could swim, they would not be blown by the wind!

Looking at the fixed wind bead in his hand, feeling the breath of wind inside, and the whistling sound of the wind, David didn't know what this fixed wind bead could bring to him!

Can you help yourself understand the origin of wind?

David has never practiced exercises related to wind, nor has he obtained the breath related to wind!

The only one hooked up with wind power is David's Wind Walk!

David held the Wind-fixing Orb tightly, trying to get his consciousness into the Wind-fixing Orb, to see if he could absorb the breath of wind in the Wind-fixing Orb!

But after trying many times, they all failed, and there was no way to absorb it!

"You can't swallow the Wind Bead, can you?"

David looked helpless!

Chapter 3100

In this way, the three of them sailed on the back of the holy tortoise for three full days before they vaguely saw the appearance of the small island!

"Damn it, I thought it would be very close, so this small island is so far away..."

After seeing the small island, David couldn't help cursing!

After staying on this turtle's back for three days, although I didn't eat or drink or be hungry, I was too aggrieved.

The holy tortoise swam towards the small island, David stretched vigorously, and looked at the small island that appeared from afar!

But soon, the holy tortoise suddenly stopped moving forward and continued to swim in place!

David frowned when he saw this!

"Mr. Chen, what's the matter?" Ji Yun asked puzzled!

"It seems that other monsters are about to appear in this ink sea."

David said!

As soon as David finished speaking, in the pitch-black surface of the Mohai Sea, jet-black sea water surged. In this sea water, a faint blue light was emitted, just like the eyes of monsters!

Buzz...

Suddenly, something flew into the sky from the sea of ink, brought up a large amount of sea water, and fell down with a splash!

If it wasn't for David and the others who had already prepared for it and formed a shield of spiritual energy around their bodies, the sea water would have drowned them long ago!

The sea was flying, and a ray of light suddenly flew over David and the others' heads, and then a bright ray of light burst out between the dark sky and the earth, like the scorching sun!

A monster with a strange shape and a pair of fleshy wings stared at David and the others!

"What kind of monster is this? It looks so scary?"

Gao Qilan trembled a little when he saw the monster!

She was in the extreme north, and she had never seen such a terrifying monster!

David and Ji Yun didn't know what kind of monster it was, after all, many people had never seen these monsters in the sea!

Looking at the monster in front of him, David seemed a little nervous!

If it is on land, David is not afraid, but in the sea of ink, David has no place to stay!

Moreover, in the sky above the Black Sea, even for the most powerful monks, it is difficult to stay in the air for a long time. In this way, they have no way to deal with the monsters that can fly in mid-air!

The terrifying monster in mid-air swooped down towards David and the others.

Seeing this, David asked Ji Yun to protect Gao Qilan, while he sacrificed the Dragon Slaying Sword, intending to fight with the monsters!

Just as the monster swooped down, suddenly the holy tortoise spewed out a stream of sea water from its mouth!

The sea water was like a sharp sword, heading straight for the monster!

Seeing this, the monster dodged in a hurry, then flapped its wings, and let out bursts of screams from mid-air, as if mocking the Holy Turtle!

Seeing this, the holy tortoise also let out a roar!

He saw three water waves approaching from far to near, and soon arrived in front of David. Under these three water waves, there were actually three smaller holy tortoises!

David instantly understood the meaning of his holy tortoise, so he said to Gao Qilan and Ji Yun, "Let's jump on the backs of other holy tortoises..."

After finishing speaking, the three of them jumped on the backs of other holy tortoises!

Without David and the others on its back, the huge holy turtle raised its head, and immediately flew into the sky from the sea of ink!

Then, a jet of water spewed out from the holy turtle's mouth, heading straight for the monster!

There was panic in the monster's eyes, it flapped a pair of fleshy wings, and flew towards the sky desperately!

That water column was like a sharp sword, directly piercing through the wings of that monster!

The monster was in pain, let out a scream, and then fell into the sea!

Plop...

With a loud noise, the sea was splashed with huge waves!

The holy tortoise also swooped down from mid-air and plunged into the sea of ink!

When David saw the surface of the ink sea, huge bubbles kept popping up, and the water seemed to be boiling!

But after a few minutes, the sea returned to calm!

The holy tortoise was full of blood, and a beast pill was hanging out of the water!
