

A Man Like None Other Novel

Chapter 31556

Looking at the hundreds of people raising their arms and shouting, Jin Dong and Luo Xi's faces were full of tension, but after they looked at each other, they still walked out!

"The two of us are demon cultivators. It has nothing to do with Mr. Chen. You are dealing with the two of us, so attack us two."

Jin Dong looked at Ye Fengqing and said!

Although Jin Dong and Luo Xi were afraid, they didn't want David to take risks for themselves!

"You two go back..."

David said to Jin Dong and Luo Xi!

"Mr. Chen, we appreciate your kindness, but today..."

"You go back, even if the two of you sacrifice voluntarily, they will not let me go. It's just an excuse."

"What's more, they're all a bunch of mobs, so there's nothing to be afraid of!"

David said slowly!

Seeing David's confident expression, Jin Dong and Luo Xi slowly backed away!

But Ye Fengqing said with a grim face: "David, you, a little monk of the Composite Realm, dare to laugh at us as a mob.

"Now that I'm on the shore, I can kill you in a hundred ways!"

"Really? Then try..."

David said provocatively!

Seeing David's indifferent expression, Ye Fengqing suddenly had a bad premonition for some reason!

Reminiscent of what the staff member said just now, and the attitude of other staff members!

Then when he thought of being in the small island, that David lured away the Silver Feather Eagle, and now David's fearless demeanor!

Ye Fengqing was really afraid that this guy David would have some special skills, such as summoning a golden dragon, if that was the case, he would be in danger!

"Hmph, if you cooperate with the demon cultivator, everyone will be punished. Even if I don't do anything, these people will still be able to take your skin off." After Ye Fengqing finished speaking, he looked

at Moshan Guilao and Ji Lianzhan and said, "Please ghost Lao and Ji Zongzhu leave immediately, don't get entangled with Moxiu, or you will be implicated in a fight!" "

Ye Fengqing, don't talk nonsense, I am also Moxiu, why don't you do it to me? Bully the weak and fear the hard You bastard, I now admit that I am a demon cultivator, you all come at me."

Moshan Guilao tore off his black robe, and said with a fierce look on his face!

Ye Fengqing's face turned red. In fact, he already knew the identity of Moshan Guilao, but because of Moshan Guilao's strength, he pretended not to see it and didn't provoke Moshan Guilao!

He didn't expect that Moshan Guilao would admit it himself, and even expose him in public, slapping him in the face!

"Old Demon Mountain Ghost, what nonsense are you talking about? I didn't expect that you are also a Demon Cultivator. You are hiding too deeply. Since you are also a Demon Cultivator, don't think about leaving today." Ye Fengqing said pretendingly

!

“I don’t even think about leaving. If you dare to touch Mr. Chen, I will try my best to cultivate myself. Even if I die together, I will drag you all behind.

” The clan aura broke out, and he didn’t hide it at all, with a desperate attitude!

This frightened many monks, so many of them came to join in the fun and catch the demon cultivators.

Who would have thought that a great demon cultivator like Moshan Guilao, who had crossed the Tribulation Realm, planned to die together before he even made a move!

Who can bear this?

Many monks backed away quietly, for fear that they would be hurt when the old ghost from the Devil Mountain died together!

The world of heaven and man is a law of the jungle, how can these monks work together!

All of them have their own mentality!

Ye Fengqing was also taken aback when he saw that the Devil Mountain ghost was planning to die together before he even made a move!

Chapter 3157

he didn’t understand, what benefit did David give the Devil Mountain Ghost, it was worth letting the Devil Mountain Ghost work hard!

“Sect Master Ji, do you want your Feitian Sect to join in with the Demon Cultivator?”

Ye Fengqing asked!

“I can get involved with whoever I like. What do you think you are, and you still care about me.” “You know what you are in the

Seal of Demons, you know better than anyone else.” “

If you dare today To besiege Mr. Chen, I, Ji Lianzhan, will fight to the end with all the family property of Feitianzong.” “

At worst, they will all die here, and no one will die...”

Ji Lianzhan finished speaking , the aura of crossing the tribulation realm burst out instantly!

Many monks saw that Ji Lianzhan was going to die together, and they all dispersed in an instant. Half of the hundreds of monks left at once!

Many people are not members of the Sealed Demon League, nor are they members of the Zhou family, so who would accompany them to work hard together!

Seeing that Ji Lianzhan was about to die together, Ye Fengqing suddenly felt dizzy!

He never thought that these people would defend David so much!

Originally, Ye Fengqing wanted to make people rush up and clean up David!

Even if David could really summon the golden dragon, facing so many people, he would drown him with a mouthful of saliva!

But in this situation, the fight has not yet started, and half of the people have run away!

If it is really urgent, Moshan Guilao and Ji Lianzhan will all die together, then he, the sub-helm of the Sealing Demon League, will be finished!

Zhou Tai’s face was also full of embarrassment, trembling!

With great difficulty, he coaxed and deceived several masters of the Zhou family to come here!

If it’s all folded here, and it’s still for women, then his father will definitely skin him when he goes back!

The Zhou family can have such prestige and strength in this area, thanks to a few masters who have crossed the tribulation realm!

If these masters are all dead, the Zhou family will be trampled under their feet in minutes!

“David, you have the ability to fight me one-on-one, do you dare?”

“If you win, I can spare these demon cultivators a way out.”

Ye Fengqing knew that gang fights would be impossible, so he wanted to follow David alone. pick!

After all, he is in the Tribulation Crossing Realm, and David is only in the Combined Body Realm. There is a big difference in strength, and the strength is a world of difference!

Ye Fengqing didn't believe that David could beat him!

David glanced at Ye Fengqing, his eyes were full of disdain: “Just you fighting with me?” “

Why, I'm not enough?” Ye Fengqing was taken aback!

“It's better to let you and the members of Fengmomeng come together. If it's just you, I don't even have the desire to make a move!”

David said flatly!

When Ye Fengqing heard this, he immediately furiously said: “What are you bragging about, come here if you have the ability, I can deal with you, a monk of the Composite Realm, more than enough.” David saw that Ye Fengqing insisted on fighting alone, so he waved his hands and said: “Then

you Let's do it...”

“What? Wouldn't I be laughed at if I attacked you, a monk in the Composite Realm, from the Tribulation Transcending Realm first?” Ye Feng said with a cold smile

!

“If I do it, you won't have a chance to do it!” After David finished speaking, he raised his eyelids slightly, and looked at Ye Fengqing without any fluctuation in his eyes!

hum.....

In the next second, the violent power of the dragon, like a golden dragon, instantly shot up from the top of David's head!

The dragon crystal on David's chest shone with dazzling light!

The power of the rolling dragon filled David's whole body!

A terrifying force is constantly erupting!

The ground under David's feet began to collapse, and David's figure shot out instantly as an afterimage!

The terrifying sonic boom sounded like thunder!

David made a move, fiercely and viciously, without the slightest hesitation, and the speed was extremely fast!

One punch and

one instant, David's blurred figure came in front of Ye Fengqing, and at this time Ye Fengqing just came back to his senses, and immediately let out a loud shout, and the breath in his body also exploded instantly!

"Hmph, lifeless thing, I'll let you know how powerful I am!"

Ye Fengqing's face was gloomy, and his breath was condensed on his fist, and he punched out fiercely!

With this punch, Ye Fengqing also exhausted all his strength, and with his strong breath, he showed all the power of Transcending Tribulation Realm!

No matter whether David is really as perverted as the staff said, Ye Fengqing dare not underestimate the enemy casually!

Therefore, he directly exhausted all his strength!

Ye Fengqing is very confident that his punch with all his strength will definitely defeat David!

call!

David also punched, and the void exploded under this punch!

Two fists that contained an extremely strong aura, without any moves, directly collided head-on!

boom!

At the moment of the collision, with the two people as the center, the aftermath spread to the surroundings, the surrounding ground began to tremble continuously, and the wind blew violently!

People around all turned back to avoid the terrifying aftermath!

The moment the fists of the two people came into contact, Ye Fengqing's expression changed instantly, because he felt the violent power of the dragon under David's punch, like a flood, with a force of destruction, enough to destroy everything in front of him everything!

That soul-shocking breath far exceeded Ye Fengqing's expectation!

"How could this be? It's impossible..."

Ye Fengqing was terrified in his heart, his eyes were full of shock and disbelief, he couldn't imagine that the aura emanating from a cultivator at the Composite Realm was even stronger than his Tribulation Transcending Realm!

You must know that he tried his best and unreservedly burst out all the breath in his body!

Even so, David's aura can crush him instantly, which proves that David's real strength is absolutely impossible to be in a state of fit.

Just when Ye Fengqing was terrified, the power of the dragon in David's body was still exploding, and the breath that Ye Fengqing erupted was instantly crushed by this power of the dragon!

When Ye Fengqing's aura was completely defeated, he felt an incomparably violent force hitting his heart fiercely!

Ye Fengqing's body flew upside down in an instant, flying hundreds of meters directly, and then fell heavily on the ground, his whole body was embedded in the ground, he didn't know whether he was alive or dead!

Two people fight against each other, but it is just a moment!

When Ye Fengqing was knocked into the air, many people around hadn't realized what was going on!

Seeing someone being knocked into the air, some people even mistakenly thought it was David who was knocked into the air!

After all, it is reasonable for David, a cultivator in the Composite Realm, to be directly knocked into the air with a cultivator in the Crossing Tribulation Realm!

It's just that when they saw that the person who was knocked into the air was Ye Fengqing, all of them opened their mouths and were so shocked that they couldn't speak!

Especially Zhou Tai and those masters he brought!

Everyone's eyes are full of disbelief.

However, the monks who had seen David kill the Silver Feather Eagle and the Bone Cliff did not change at all, because they knew the result from the beginning!

The strength shown by David had convinced them a long time ago, otherwise, the staff on the spirit boat would not have risked being killed and would not have set sail to find David.

David slowly withdrew his fist, and then set his sights on that Zhou Tai!

"Do you want to compare with me too?"

When David's voice sounded slowly, many shocked monks woke up!

Chapter 3159

Just when I fart

Zhou Tai looked at Ye Fengqing, whose life and death were unknown, his whole head was buzzing!

Ye Fengqing, a cultivator who crossed the Tribulation Realm, was punched flying by David, and his life and death are unknown?

It's really off the charts!

And those elders of the Sealing Demon League all opened their mouths, not knowing what to say!

Zhou Tai's Adam's apple was rolling, and he didn't dare to look directly at David!

For a while, no one dared to look at David, and no one dared to speak!

"Cough cough cough..."

A cough sounded, and it was Ye Fengqing who made it, proving that he is not dead yet!

Seeing that Ye Fengqing was not dead, several disciples of the Sealing Demon League immediately went over to help Ye Fengqing up!

Ye Fengqing's face was pale, his chest was sunken, and he looked extremely weak, as if he might die at any moment!

The disciples of the Sealing Demon League supported Ye Fengqing and walked over!

Ye Fengqing looked at David with puzzlement and anger in his eyes!

"Kill him, kill him together..."

Ye Fengqing yelled out with all his might!

After roaring, he spat out a mouthful of blood and became even weaker!

Hearing Ye Fengqing's order, the four elders of the Sealing Demon League could only put on a posture and stood in front of David!

The four faced David alone, but their eyes were full of fear, and they no longer had the disdain and contempt before the beginning!

When Ji Lianzhan and Moshan Guilao saw David being dealt with by the four tribulation-crossing elders from the Fengmomeng, they immediately stood by David's side!

Although the four tribulation-crossing realm elders, the three of them don't need to be afraid at all. After all, these four tribulation-crossing realm elders are only first and second ranks of the tribulation-crossing realm, and they can handle it!

Seeing Ji Lianzhan and Moshan Guilao stand up and stand together with David, the expressions of the four Fengmomeng elders became extremely ugly!

The four of them are against David and the three of them, they can only be beaten, there is no chance of winning!

Seeing this situation, Ye Fengqing also knew that the elders under him had no chance of winning, so he looked at Zhou Tai and said, "Zhou Tai, why don't you let the masters of your Zhou family take action?"

"The matter of following David has nothing to do with my Zhou family, and the eradication of demon cultivators is also a matter of your Sealing Demon League, and I don't want to get involved." Zhou Tai shook his head hastily, just now

David punched Ye Fengqing into the air, and directly It scared Zhou Tai!

"You..." Ye Fengqing was so angry that his liver hurt from Zhou Tai's words, he glared at Zhou Tai and said, "If you don't get involved, then what are you doing with your Zhou family's tribulation-crossing master?"

"Is it okay for me to bring people to watch the fun? Is watching the fun illegal?"

Zhou Tai looked at Ye Fengqing's dying look, and he was no longer afraid of him!

Pfft.....

Ye Fengqing was so angry by Zhou Tai that he spat out another mouthful of blood!

“David, I just brought people to see the fun. I don’t mean to compare with you. If you said cruel things to you on the spirit boat, just treat me as a fart.” After Zhou Tai finished speaking, he took the Zhou

family Those masters of the Tribulation Realm stepped back and stood together with the other monks!

Those casual cultivators who originally wanted to follow the Demon Sealing League to eliminate demons and defend the Tao, saw that Zhou Tai led others to retreat, and they also retreated!

Of the more than a hundred people that had been summoned, only a dozen or so people from the Fengmomeng were left facing David and the others!

David looked at Zhou Tai’s attitude, and gave a faint smile. This Zhou Tai didn’t seem to be a pure fool, and he knew how to judge the situation, especially the attitude of bowing his head, which was very quick.

David knows that in the world of heaven and man, strength is the most important thing!

If he hadn’t shown such formidable strength today, I believe that more than a hundred people would have swarmed up and killed them all!

Ye Fengqing was a little dumbfounded at this moment, relying on him, the people of Fengmomeng, how could he beat David and the others!

One must know that Devil Mountain Ghost Elder is a monk of the third rank of Transcending Tribulation Realm, and his strength is the highest among these people!

Chapter 3160

Sifang Lai He Ji

Lianzhan is also a master of Tribulation Transcending Realm. Although David looks like a Composite Body Realm, his real strength is probably higher than the third rank of Tribulation Transcending Realm!

What's more, there are Jin Dong, Luo Xi, Ji Yun and others who are at the eighth or ninth rank of the Composite Realm!

The dozen or so people from Fengmomeng are not opponents at all!

Just when Ye Fengqing was a little at a loss, and the four elders of Transcending Tribulation Realm were flustered, David spoke slowly!

“Sect Master Ji, old ghost, you two step back, I can deal with the mere four elders of the first and second ranks of Tribulation Transcending Realm!” Chen

Ping's words immediately surprised everyone!

If David said this at the beginning, they might not believe it at all, and they would definitely say that David is bragging!

But now that David said this, many people thought it was possible!

“Mr. Chen, although these four people only have the strength of the first and second ranks of the Tribulation Transcending Realm, but the heroes cannot withstand the crowd. If the four of them join forces, even the third rank of the Tribulation Transcending Realm may not necessarily be opponents.” The Demon Mountain Ghost reminded Chen

Ping road!

“Senior, don't worry, I'm sure, you step back...”

David smiled, his face was extremely confident!

Seeing this, Moshan Guilao and Ji Lianzhan had no choice but to retreat!

Seeing David being so supportive, Ye Fengqing was extremely happy, and said to the four elders: “You four, you must kill him, and you must not let him live.” The four elders nodded, and the panic just now also disappeared

. A little bit of it was eliminated, and a little bit of anger appeared on his face!

David is alone, and he wants to fight against the four of them. This is obviously looking down on the four of them!

When the four elders of Fengmomeng surrounded David, everyone's eyes were on them!

It's an unrivaled anecdote that a cultivator in the Composite Realm wants to fight against four cultivators in the Transcending Tribulation Realm alone!

These people all watched without blinking their eyes. After all, David just punched Ye Fengqing too fast, and many people didn't see clearly before it was over!

So this time, they wanted to see how abnormal David's strength was!

Especially the spectacle of fighting against the four tribulation realms alone in the fit state, none of them want to let go of the wonderful scene!

For a moment, the atmosphere became tense, and no one was talking!

Gao Qilan felt a little nervous at the moment, after all, they were facing four masters who had crossed the Tribulation Realm!

"Miss Gao, you don't need to be nervous, Mr. Chen will be fine, these four elders of the Sealing Demon League will be killed by Mr. Chen soon."

Ji Yun saw Gao Qilan's nervousness, so he comforted him softly!

During the time Ji Yun has been with David, he has already started to blindly worship and trust David!

If David said that he could beat an immortal with one punch, Ji Yun would believe it too!

At this time, the four elders of the Sealing Demon League stared at David closely, and locked David directly!

Everyone's aura began to bloom, and the strong aura circulated in the body, and finally burst out directly, surrounding the whole body!

A tyrannical aura emanated out, enveloping David!

Facing the breath of the four people, David's face was calm, without any waves on his face, his eyes were as deep as an abyss, and he couldn't see any emotion!

"Do it....."

One of the elders shouted, and the four of them made a move at the same time!

Under everyone's gaze, the four elders actually made the first move. They were afraid that if David made the first move, they would have no chance!

So plan to strike first!

Four figures burst out like shooting stars, the four figures flew into the air, their hands suddenly joined together, and a strong aura burst out instantly!

"Congratulations from all directions..."

The four shouted loudly, and in an instant four breaths shot out like a torrent, and they saw shadows faintly flying across the sky, rushing towards David extremely swiftly!

The four of them are killing moves as soon as they make a move, and the four of them attack together, the cooperation is quite tacit!
