

A Man Like None Other Novel Chapter 3181

Full Read Online **Chapter 3181** of the novel **A Man Like None Other**

Chapter 3181

Elder Qi looked at Li Xing who was caught. Although he wanted to rescue him, he was unable to do anything!

“I would like to advise you, even if you capture the young master, it is absolutely impossible to get King Li to retreat.” “King Li has

great ambitions. He cannot give up annexing the Demon Imperial City for the sake of his son. This opportunity.”

“If his son is dead, he can still live. Anyway, with his strength in the tribulation period, it is easy to survive for hundreds of years.” “

And he has countless concubines in the harem, so it will be very easy to give birth to several sons. Easy!”

Elder Qi said to David!

“Elder Qi, what are you talking about? My dad will not ignore me...” When

Li Xing heard what Elder Qi said, he immediately yelled angrily!

Elder Qi’s words, aren’t they pushing him towards death?

If he had no value at all, David would definitely kill himself!

“Don’t worry, I’m not asking King Li to retreat. I just want to use his son in exchange for something.”

David knew that princes and generals were generally extremely cold-blooded people who would give up everything they were about to get for the sake of a son. Territory, they won’t do it!

David never thought about using Li Xing to threaten King Li to withdraw his troops!

“What do you want to change?” Elder Qi asked!

“God King Gong...” David said calmly!

“God King’s Bow?”

Elder Qi was suddenly startled, his eyes as wide as bells!

“Why does King Li have the God King’s Bow? Are you mistaken?”

Elder Qi looked at David doubtfully!

Apparently, Elder Qi also knew about the Divine King’s Bow, but he didn’t know that the Divine King’s Bow was in the hands of King Li!

“Whether it’s in his hands or not, just send the message.”

After David said that, he directly carried Li Xing and walked towards the Demon Emperor City!

“Elder Qi, save me, save me, tell my dad quickly and give him that bow.”

Li Xing shouted!

He didn’t know what the God King’s Bow was. No matter what it was, it was not as important as his own life!

It wasn’t until David carried Li Xing into Demon Imperial City that Elder Qi sighed and turned to leave!

As soon as he entered the Demon Imperial City, Yihe led everyone to greet him.

Because the fighting below the city attracted the attention of the soldiers on the city wall, they reported it to Yihe!

When Yihe saw David carrying Li Xing into the city, he couldn’t help but said: “Mr. Chen, what... is this?”

Yihe thought David broke into the enemy camp at night, We caught this Li Xing!

“This kid came down from the city, and I happened to see him, so I caught him...”

David said lightly!

“Great, if we catch this guy, King Mingli will no longer dare to attack the city. We can just use Li Xing to threaten his father to withdraw his troops.”

Isha looked at Li Xing, whose face was swollen and full of fear. Said happily!

“You think too simply. It’s impossible for King Li to retreat for Li Xing.”

Yihe said slowly!

“Why? Did he just watch his son die?”

Isa didn’t understand why!

Yihe didn’t explain, and he didn’t know how to explain it, because this is the emperor’s home!

If one day, Isha is caught and Ihe is asked to give up the entire Demon Imperial City, Ihe probably won’t give up either!

Because he couldn’t ignore the entire Demon Imperial City soldiers for the sake of Isha!

“Okay, let’s not discuss this anymore. Even if they attack the city tomorrow, it doesn’t matter. I have set up another attack formation outside. As long as they dare to attack the city, there will be no return for them!” Chen

Ping Seeing Yihe’s embarrassment, he hurriedly said!

“With Mr. Chen here, I feel much more at ease.”

Yihe nodded, and then ordered people to put Li Xing in prison!

Everyone went to rest and wait for tomorrow’s battle!

Chapter 3182

Just when everyone was resting, screams came from the dungeon of Demon Imperial City!

I saw that Li Xing was tied up with five flowers, and Isa whipped Li Xing with a whip!

Isha already hated Li Xing deeply, so she took this opportunity to take revenge!

Li Xing was beaten and screamed repeatedly, but here, the screams of heaven and earth did not work.

“Please, don’t fight, don’t fight...”

Li Xing begged Isha.

But Isa was completely indifferent, and kept whipping the whip in her hand!

In the end, Isa actually pulled out a dagger!

Li Xing was frightened when he saw this scene!

“You...what are you going to do?”

“I tell you, if you kill me, your entire Demon Imperial City will be buried with you.”

Li Xing’s face was full of horror, and he threatened Isha loudly!

“Don’t worry, I won’t kill you. Killing you will be too easy for you.”

Isa’s face was filled with a sinister smile, which made Li Xing tremble all over!

I saw Isha holding a dagger and slowly approaching Li Xing!

Then a cold light flashed in his eyes, and he stabbed the dagger towards Li Xing’s lower body!

“Ah...”

Li Xing screamed, and blood instantly flowed out of his trouser legs.

The severe pain caused Li Xing to faint.

Seeing Li Xing fainted, Isha left with satisfaction!

And that Li Xing will never be a man again in this life!

.....

In the army camp of Mingli King's City!

King Li was still sleeping soundly, but he was woken up by Elder Qi!

"What's the matter, are you shouting so late at night?"

King Li said with a displeased look on his face!

If it were anyone else who had called him out at night, King Li would have scolded him!

But seeing that it was Elder Qi, King Li was still polite!

"Prince Li, Young Master, Young Master..."

Elder Qi looked nervous and didn't know what to say!

"What's wrong with Xing'er? Did he find a few more women to fool around in the camp?" "

I've told him a long time ago that it's a battle between large armies. Don't do that kind of thing in the camp. The impact will be bad. This guy I just don't listen."

King Li thought Li Xing was looking for a woman in the camp!

"Prince Li, the young master is not looking for a woman. The young master was captured by the demon emperor city."

Elder Qi said with a face of shame!

"What?"

King Li stood up with a cry and said with a look of disbelief on his face: "What did you say?" "

I said that the young master was captured by people from Demon Imperial City.”

Elder Qi lowered his head and whispered!

“How could this happen? Did the people from Demon Imperial City enter the camp without anyone noticing?”

“Are all those patrolling dead? Who is on duty tonight? I’m going to kill him!”

King Li roared!

He thought Li Xing was captured by the people from Demon Imperial City when he was in the camp!

“Prince Li, I followed the young master to the Demon Emperor’s City. I met the people from the Demon Emperor’s City and was taken away by them…”

Elder Qi had no choice but to tell what happened and follow Li exactly. The king said it again!

After hearing this, King Li frowned, with a bit of doubt in his eyes!

“Besides Na Yihe, is there anyone else in Demon Imperial City who is your rival?”

King Li didn’t understand. All the masters in Demon Imperial City were killed, so how could there be any masters who could transcend the calamity realm?

And it’s even stronger than Elder Qi!

“That guy looks like he is only in the Fusion Realm, but his burst of strength is comparable to that of the Tribulation Realm. Moreover, this guy also has the evil spirit of Dao patterns that is exclusive to our Yin Demon lineage, so I fell into his trap. Let him take his hand.”

Elder Qi explained!

He didn’t say that he was not as strong as David, but that he was careless and fell into David’s way. This could be regarded as saving some face for himself!

Chapter 3183

“There is actually a Tao pattern of evil spirit. Could it be that he is also a member of your Yin Demon lineage?” King Li said in disbelief!

“No, although he possesses Dao Mark evil spirit, he is not from our Yin Demon lineage. I can still see this.”

Elder Qi shook his head!

“What do you think this person’s name is?” King Li asked!

“It seems to be called David!” Elder Qi said!

“David?” Prince Li pondered for a moment: “I heard Xing’er mention it.” “

They captured Xing’er, did they leave any conditions?”

“Yes, David said, if you want to let the young master go, , we need to exchange it for the God King Bow.” Elder Qi said!

When he heard the words “God King Gong”, King Li’s body visibly trembled, and then he cautiously looked outside the tent. After finding that no one was there, he relaxed a little!

No one knew that he owned the God King’s Bow, but he didn’t understand how David knew about it!

Seeing King Li like that, Elder Qi was a little surprised and said: “King Li, is it true that the God King’s Bow is in your hand?”

King Li did not speak, but lightly drew his palm in the air, and a ray of light flashed, A mahogany box appeared!

After the box was opened, the God King’s Bow was placed inside!

King Li always carried the God King Bow with him and placed it in the void space to prevent anyone from stealing it!

Seeing the God King’s Bow, Elder Qi’s eyes were shining like light bulbs!

King Li stretched out his hand and took out the God King’s bow!

“It’s really strange, how does this guy know that the God King’s bow is in my hand?”

King Li muttered to himself!

“Prince Li, could it be someone close to you who leaked the news?”

Elder Qi said!

“It’s impossible. No one knows that I have the God King’s Bow in my hand, not even Xing’er.”

King Li shook his head!

“Prince Li, now we are not discussing how David knew about it, but we should be discussing how to rescue the young master.”

Elder Qi said!

“Exchanging the God King’s Bow for Xing’er, I always feel like it’s a bit of a loss...” King Li knew the value of the God King’s Bow, which was much more valuable than a son!

Li Xing, this son, has no use except causing trouble and playing with women everywhere!

Seeing King Li say this, Elder Qi was immediately speechless.

“King Li, I heard that this God King’s bow requires a lot of strength to pull. I wonder if King Li can pull this God King’s bow?”

Elder Qi asked!

King Li shook his head and said: “I have tried many times, but it hasn’t moved at all. If I could pull it, I wouldn’t be hiding the God King’s bow.” “Whoever will be dishonest will just use the God King’s bow.

” Just shoot him to death with your bow.”

Elder Qi saw that King Li couldn’t pull the God King’s bow at all, so he said: “King Li, since the God King’s bow can’t be pulled, then this thing is useless no matter how good it is, why not use him to pull the young master’s bow? Come back.”

“King Li, you can’t even pull it. I believe no one in the Demon Imperial City can pull the Divine King’s Bow. As long as we replace the young master and capture the Demon Imperial City, the Divine King’s Bow will still be the same. In the hands of King Li.”

King Li listened to Elder Qi’s words, nodded in approval and said: “Elder Qi is right, then tomorrow I will use the God King Bow to return Xing’er first and then talk...”

“As long as Xing’er is replaced, I will immediately launch an attack on Demon Imperial City. I will kill all the people in Demon Imperial City...”

King Li’s eyes were full of murderous intent. Elder Qi on the side felt the murderous intent and couldn’t help but tremble!

He knew that this King Li was cruel and ruthless, and since he said such words, he would definitely do it!

When the city is massacred, the Demon Imperial City will be a mountain of corpses and a sea of blood!

Looking at Elder Qi’s expression, King Li smiled faintly and said: “Elder Qi, I will kill everyone in Demon Imperial City by then, so I can help you practice.”
“By then, there will be countless dead souls

refined by you. “Aren’t you happy?”

“Happy, happy...” Elder Qi said with a smile!

Chapter 3184

The next

morning of exchange!

When Li Xing was brought out of the dungeon, he was very weak!

Seeing Li Xing like that, Yihe immediately knew who did it!

“Isha, did you do this?” Yihe asked Isha!

“Yes, I did it. This guy deserves to be like this.”

Isa waited for Li Xing to say viciously!

“Nonsense, this Li Xing was captured by Mr. Chen and has other uses. If you torture this Li Xing to death, wouldn't you miss a big deal?” Yihe scolded Isa

!

When Isa heard this, she rolled her eyes and didn't dare to speak anymore!

“As long as you have the right words, it's fine, but I don't know if King Li will pay attention to his son!”

David was also a little worried at this time. After all, the God-King Bow is a magic weapon. If King Li doesn't change it, it will be in trouble. !

David and his group took Li Xing to the tower, then tied Li Xing to a rope and hung him up high!

Not long after, they saw a large group of people walking only a few hundred meters away from Demon Imperial City!

This time, King Li personally led the team!

When he saw Li Xing hanging high on the tower, endless anger burst out from his whole body!

“Yihe, you don't dare to fight me with a real sword. What's the point of catching my son secretly? If you have the guts, let my son go and let us fight alone!”

King Li looked at Yihe on the tower. , said loudly!

Yihe glanced at David, and David yelled at the city: “You must be King Li. Stop talking nonsense. Have you got what I want?”

“Hand over your things now, and I will let your son go. It's that simple...”

King Li looked at David coldly, his eyes full of coldness!

“I brought it, please let my son go...”

King Li said slowly!

“Okay...”

David picked up Li Xing and prepared to exchange with King Li!

“Mr. Chen, to prevent fraud, I will go with you...”

Yihe said to David!

If during the exchange, King Li cheats, David will be in danger!

“Don’t worry, I have my own arrangements. You can take good care of me here.”

David said with a slight smile!

“David...”

Gao Qilan, Yu Jiameng, and Liu Ruyan all gathered around, they were all worried about David!

Isa saw David surrounded by several women, and the expression on his face was indescribably complicated!

At first, she thought that she was more than enough for David. After all, she was the princess of Demon Imperial City!

But now, Isha feels a little inferior because David is so outstanding and there are many outstanding women around him!

Isha feels like she has no competitiveness!

Yihe looked at his daughter’s expression and knew what she was thinking, so he stepped forward and said, “Isha, if you are also worried about Mr. Chen, you can go over and have a few words with him!” Isha looked

at Gao Qilan and the others finally shook their heads!

“David, otherwise we go with you. It’s too dangerous for you to go by yourself.”

Gao Qilan said to David!

“Yes, let’s go together. Although we are not strong, we can still help you block the danger.”

Yu Jiameng also said!

Here, Yu Jiameng’s strength is the lowest, but she is now David’s, so she can use her life to protect David from danger!

“Don’t be impulsive. What will we do if you have a problem?”

Liu Ruyan persuaded David!

It seems that they don’t want David to exchange with King Li!

“Look at the looks of you guys. I’m not going to die. I’ve already said it. I have my own arrangements. It will be absolutely fine.” After

David said that, he jumped down from the tower with Li Xing in hand!

Chapter 3185

Watching David heading towards the army in Mingli King’s City, Gao Qilan and the others were extremely nervous!

“Miss Gao, Miss Liu...you don’t have to worry about Mr. Chen. Mr. Chen will be fine. He set up a magic circle outside last night. Those people can’t hurt Mr. Chen.”

Ji Yun hurriedly faced Gao Qilan and the others comforted him!

Hearing what Ji Yun said, Gao Qilan and the others felt a little relieved!

“Isha, you go and inform the guards to pay attention and be ready to welcome Mr. Chen back at any time...”

Yihe said to Isha!

Isa nodded and then went to prepare!

David, on the other hand, carried Li Xing and slowly walked to King Li. They were tens of meters apart and stood opposite each other!

King Li looked at his son, who was covered in scars and his trouser legs were covered in blood, and anger burst out in his eyes!

King Li's eyes were fixed on David. This was the first time he saw David.

This guy who is similar in age to his son can defeat Elder Qi!

"Are you David?"

King Li asked coldly!

David didn't speak, just nodded!

"You want to trade my son for the God King's Bow, but you let my son get hurt like this. Isn't it a bit too much?"

King Li gritted his teeth and asked, suppressing the anger in his heart!

"Too much?" David couldn't help but raise the corner of his mouth: "I only said that I would exchange your son's life for the God King's Bow, but I didn't say that I couldn't hurt him." "You should stop talking nonsense. Now that

your son is here, what are you doing?" Do you want to change it? If you don't change it, then I'll slap him to death."

"How dare you..." King Li opened his eyes angrily, and no one dared to threaten him!

David looked disdainful and slapped Li Xing in the face!

Pah...

There was a crisp sound, and Li Xing screamed after being beaten!

"Stop, you dare to beat my son in front of me, you are looking for death, you are looking for death, do you know?" The

violent aura from King Li's body burst out, and he roared loudly!

"Still threatening me?"

David rolled his eyes, and then slapped him a few more times!

When Li Xing saw that David really wanted to kill him, he cried out to King Li:
“Dad, why are you so cruel? I am your biological son. My mother died early,
how could you treat me like this... ..”

“Stop...”

Just when David was about to slap Li Xing on the head, King Li finally stopped
loudly!
