Chapter 3194

Escape

Yihe and the others looked at this scene without any change in expression, after all they all knew David's identity!

And that King Li was stunned when he saw the golden dragon behind David and the power of the dragon that David erupted from!

"You...you are actually the real body of the golden dragon?"

King Li opened his mouth wide. He never thought that David was actually the real body of the golden dragon!

No wonder David's physical body is so strong after fighting for a long time!

"I know now, I'm afraid it's too late, I'll let you see the real power of the beast clan..."

David said flatly!

King Li frowned slightly, the vision behind him kept shaking, and the aura inside kept circulating.

"Even if you are the true form of the Golden Dragon, today I will let you die without a burial place..."

King Li roared, and suddenly the sky and the earth darkened, and King Li's body grew larger again, reaching dozens of people. Got taller!

Like a small mountain in front of David, King Li used magical powers. Since David is the true form of the Golden Dragon, with pure physical strength, King Li knew that he could not defeat David, so he started to use magical powers!

In the darkness, King Li covered the sky with his claws, and slapped David down!

In front of King Li, David was as weak as an ant.

Everyone could only see that the overwhelming darkness was pressing down, the whole world was shaking violently, and the entire void seemed to be trampled to pieces!

Facing King Li's terrifying and sharp blow, David did not show any panic. His whole body instantly rose up from the ground and faced the hill-like King Li in front of him!

King Li's claw missed, and his eyes were fixed on David. His whole body was radiating light, and black runes began to flow around his body!

Soon a huge ball of light appeared and bombarded David!

"This King Li is really desperate, even using the runes at the bottom of the box..."

Yihe frowned slightly when he saw this!

People of their level usually have their own life-saving methods. Although they don't understand the runes and spells, they can spend a lot of money to buy them!

And these runes have become a life-saving means for many people, and they will not be used unless absolutely necessary!

But now, King Li actually used the runes, which shows that he already attaches great importance to David!

The true form of the Golden Dragon is enough for King Li to take seriously!

boom!

The ball of light exploded, the void trembled, and David was directly sent high into the sky by the terrifying power of the explosion, as if he was thrown up.

David's figure quickly disappeared and disappeared into the sky!

King Li looked up, and finally there was a smile on his lips!

But being forced into such a situation by a Fusion Realm monk is embarrassing enough!

“David.....”

Seeing that David was blown away and even his shadow was gone, Gao Qilan and the others all shouted nervously!

Yi He and Ji Yun also frowned and looked high into the sky, but there was no trace of David!

King Li, who was like a mountain, looked down at Yihe and said: “Ihe, surrender obediently, otherwise the entire Demon Imperial City will die.”

Yihe looked at King Li coldly, his eyes full of He said firmly: “I will not surrender. We, the people of Demon Imperial City, would rather die in battle than surrender.” After

Yihe finished speaking, a raging aura began to erupt from his body, and his whole body continued to expand. stand up!

“Miss Gao, Miss Liu, I’ll hold King Li in a while, and you guys can take the airship and leave here quickly.” “

Isa, you leave too, and I will lead the soldiers of Demon Emperor City to buy you time.”

Yihe knew that, He was no match for King Li at all, all he could do was delay the time and let others escape.

“Dad, I won’t go, I want to be with you.”

Yisha cried and shook her head!

Chapter 3195

“You will definitely die if you stay, and you may also be insulted. You must not stay.”

“You leave now, otherwise it will be too late... “

Yihe said with a serious face!

“Yihe, are you still dreaming about letting others escape? The entire Demon Imperial City is surrounded by me, who can escape?” After

King Li finished speaking, he raised his extremely huge sole and stepped on it hard!

Rumble...

Like an earthquake, the entire Demon Imperial City shook. The defensive formation outside the Demon Imperial City instantly collapsed under King Li's kick. !

When Yihe saw this, his face became extremely ugly, but there was nothing he could do. King Li's strength had exceeded his imagination!

The two of them are both at the fourth level of the Tribulation Realm. Although there is a gap, it is not particularly big.

But now, King Li has awakened his beast soul, and now the gap in strength between Yihe and King Li has widened!

Just when Yihe was at a loss, suddenly a stream of light seemed to fly quickly from the sky!

When the stream of light came closer, they discovered that it turned out to be David!

Seeing that David was fine, Yihe and the others were all happy!

And King Li stared at David and snorted coldly: “Boy, you are not dead yet, so I will give you a ride...” After King Li

said that, the rune lit up again, A ball of light appeared again!

Seeing this scene, Yihe and the others became nervous again, fearing that David would be knocked out again!

Just as the ball of light slowly appeared, David calmly took out the God King Bow!

Golden light flashed on the God King's bow!

When King Li saw David take out the God King's Bow, he said disdainfully: "What's the use of taking out the God King's Bow? You can't pull it either..." "

Who said I can't pull it?"

After hearing this, David grabbed the bow with one hand and pulled the bowstring with the other!

Along with the bending of the God King's bow, the bowstring was pulled!

Seeing David pulling the God King's bow, King Li was dumbfounded and didn't even care about the condensed ball of light!

"This...how is this possible?" King Li was puzzled!

He tried many times, but the God King's bow couldn't be pulled at all, and it didn't even move at all!

But David, a Fusion Realm monk, could pull the God King's Bow. Is this too outrageous?

As the God King's bow was pulled, an arrow of light appeared, and golden light from all around continued to converge towards the light arrow of the God King's bow!

Even the light ball condensed by King Li suddenly dispersed at this moment, and all the light focused on the light arrow!

Everyone who saw this scene was dumbfounded. The aura emanating from the light arrow on the God King's bow made everyone tremble with fear!

Feeling the terrifying aura of the God King's Bow, King Li began to have panic in his eyes, and his huge figure kept retreating!

In the end, King Li turned around and started running, completely ignoring his men!

King Li, who was as tall as a mountain, turned and ran backwards, leaving tens of thousands of soldiers behind him unable to dodge, and was trampled to death by King Li!

"Dad...Dad...wait for me..."

Li Xing saw this and chased King Li desperately, but he was injured and walked with a limp. Got it!

Elder Qi could only pull Li Xing and run as fast as he could!

Looking at King Li who was escaping, David's eyes were dull, and his hand that had fully drawn the God King's bow suddenly relaxed!

Buzz...

The arrow of light instantly cut through the void and headed towards King Li.

The light arrow burned with blazing flames. When David shot the God King's bow, he actually planted the source of fire on it!

Feeling the dangerous aura behind him, King Li quickly looked back!

When he saw the light arrow trailing a long flame, King Li panicked!

This was an arrow of light shot from the God King's bow, and he couldn't bear it!
