Chapter 3196

King Li let out a roar, and directly lifted a huge boulder of 10,000 tons, trying to block the arrow of light with this boulder!

boom!

There was an explosion, and the arrow of light shot onto the 10,000-ton boulder, causing a shocking explosion!

Tens of thousands of tons of boulders instantly turned into powder, endless flames fell like fire rain, and the hair on King Li's body began to burn!

And at the feet of King Li, countless soldiers of King Mingli City also died under this rain of fire!

King Li was burned by the flames and screamed in pain!

The whole person fell to the ground, rolling continuously, and barely managed to put out the flames on his body!

The fire on King Li's body was extinguished, but his soldiers were in misery!

His mountain-like body fell to the ground and rolled around, crushing many of his soldiers to death!

But how can King Li care so much now? It's important for him to save his life!

David is the true form of the Golden Dragon, which has exceeded his expectations. Now David can actually pull the God King's bow. It is simply outrageous. King Li never thought of it!

After extinguishing the flames on his body, King Li climbed up with difficulty, preparing to escape again!

But David pulled the God King's bow again, and this time, three light arrows appeared directly on the God King's bow, and endless light flowed on the God King's bow!

It was as if the light from the entire world had been absorbed by the God King's bow to form these three arrows of light!

Seeing the God King's Bow in David's hand, three light arrows suddenly appeared. King Li became even more panicked and kept running forward with his legs!

Every step you take will cause the earth to shake and the sky to collapse!

The soldiers of Mingli King City who came with King Li suffered a lot this time. Many of those who could not dodge were trampled to pieces by King Li!

Whoosh whoosh...

David loosened his fingers, and three light arrows shot out instantly, but not all three light arrows were heading towards King Li!

One light arrow headed towards King Li, one light arrow went straight to Elder Qi, and the remaining light arrow pointed at Li Xing!

As long as these three people die, the army in Mingli King's City will be leaderless and completely defeated!

"Dad, save me, save me..."

Li Xing shouted miserably when he saw a light arrow heading straight for him!

When Elder Qi saw this, he also threw Li Xing away, jumped up, and quickly moved his body, trying to avoid the blow!

But the light arrow was like it had eyes. No matter how hard Elder Qi tried to dodge, he couldn't dodge it at all!

I saw a ray of light penetrating Elder Qi's chest, and thousands of golden lights radiated from Elder Qi's body!

Boom.....

Elder Qi's body exploded directly, turning into a rain of blood and falling, not even a body!

When Li Xing saw this scene, his legs became weak from fear, and he fell to the ground, constantly calling for King Li to save him!

But King Li can't save himself, so how can he save Li Xing!

In Li Xing's horrified eyes, he watched helplessly as he was penetrated by the light arrow, and then turned into flesh by thousands of golden lights!

When King Li saw that his son was dead, he was extremely angry and roared continuously, but he had no choice but to desperately resist David's attack!

"The God King's Bow is indeed a divine weapon. No wonder so many people risk their lives for the God King's Bow. It's really amazing!"

Yihe looked at the power of the God King's bow and couldn't help but sigh!

At this moment, King Li was hit by an arrow in the thigh and fell to the ground!

The vision behind him has also disappeared, and the huge body is retracting at an extremely fast speed!

Soon, King Li turned into the size of a normal person, and David slowly walked up to King Li with the God King Bow in his hand!

David was now wearing an indestructible golden body and holding the God King's Bow!

The whole person is like a golden-armored war god, extremely majestic!

David looked down at King Li. King Li was now like a defeated rooster, and the hostility had long since disappeared!

Without too much nonsense, the God-King Bow in David's hand flashed with light, and a light arrow shot out, heading straight for King Li's forehead!

The light arrow passed through King Li's forehead, killing him instantly and on the spot!

Chapter 3197

the death of King Tianli, all the troops in King Mingli's city began to flee!

Seeing this, Yihe led the soldiers of the Demon Imperial City to charge and kill them!

Chased all the way to King Mingli City!

"David, are you alright?"

Gao Qilan and the others gathered around, seeing that David's face was not looking well, so they asked with concern!

"I'm fine!" David smiled lightly!

But just after finishing speaking, David felt dizzy, and fell to the ground in an instant!

Pulling the Shenwang bow several times in succession consumes a huge amount of David's strength, and at this time David is a little bit out of strength!

Seeing that David had passed out, several women hurriedly carried David back to Demon Imperial City!

David was stunned for three days!

And within these three days, Yihe led people to completely occupy Mingli King City!

Occupying Mingli King City has increased Yihe's strength a lot!

"Mr. Chen, haven't you woken up yet?" Yihe looked a little nervous as he looked at David, who was still unconscious.

It's been three days, and David has been in a coma for three days!

"I'm not awake yet, but my body is fine. It's just a coma caused by excessive power consumption."

Liu Ruyan checked David's body every day. She knew that there was nothing wrong with David's body!

“Although the God King’s Bow is good, it consumes too much physical strength. I have prepared some more resources so that Mr. David can recover faster.” Yihe collected a large amount of resources

from Mingli King’s City and planned to let David absorb them all. , so that David can recover quickly!

As soon as Yihe finished speaking, David slowly opened his eyes!

“David...” Seeing that David was awake, Liu Ruyan shouted excitedly!

“Mr. Chen!”

Yihe also hurriedly stepped forward!

David stood up slowly, glanced around and said, “How long have I been unconscious? How is the Mingli Royal City?” “

Mr. Chen, you have been unconscious for three days. I have already taken the Mingli Royal City. You don’t have to Worry.”

Yihe said quickly!

“That’s good, please inform me that I have the God King’s Bow in my hand, and you must not reveal a word about it.”

David warned Yihe!

David knew that if this news spread, he would become the target of public criticism, and everyone would probably make trouble for him and want to kill him!

“Don’t worry, Mr. Chen. I’ve told you a long time ago. No one will dare to leak a word.”

Yihe also understood the importance of the God King’s Bow. How many people fought for the God King’s Bow with bloodshed. If he knew about David’s hand There is a God-King Bow in it, so why don’t you go crazy and cause trouble for David!

“Has the Fire Phoenix come back yet?” David asked again!

“It will take a few days for Miss Huofeng to return. Mr. Chen, just rest in peace and cultivate yourself. I will handle the rest.”

Yihe told David to have a good rest and stop thinking so much!

Just as David was chatting with Yi He, suddenly Nie Heng ran in!

“Nie Heng, why did you come back? Didn’t I ask you to follow the third elder back to the Jade Cauldron Sect?”

Seeing Nie Heng running back, Liu Ruyan asked in surprise!

The matter in Demon Imperial City was resolved, so Liu Ruyan asked the third elder to return with everyone from the Jade Cauldron Sect!

But just a few days after leaving, Nie Heng came back!

“Sect Master, the Jade Cauldron Sect was occupied by Hu Yixiao. He took advantage of Mingli Royal City to attack Demon Imperial City. When our Jade Cauldron Sect came to help, he led his people to capture the Jade Cauldron Sect.” “Then Mingli Royal City

. They deliberately put us into the Demon Imperial City so that if the Jade Cauldron Sect is empty, then Hu Yixiao can easily succeed.”

Nie Heng said breathlessly!

Liu Ruyan frowned when she heard this. She didn’t expect that Hu Yixiao hadn’t given up yet!

“Damn it, this Hu Yixiao is really audacious. Now that King Li is dead, and the city of Mingli King is under my command, he still dares to make trouble.

” Let that Hu Yixiao have an opportunity, I will personally take someone to the Jade Cauldron Sect, destroy that Hu Yixiao, and help you take back the Jade Cauldron Sect.” Yihe’s face was full of anger, a little Hu Yixiao can

still It’s the other way around!

Chapter 3198

“The, now that Mingli Royal City has just been captured, it is not particularly stable yet. Demon Imperial City also needs you, so you don’t need to go. I’ll go to the Jade Cauldron Sect to have a look. “

David stopped Yihe!

“Mr. Chen, your body...”

“My body is fine. Even if I am weak, if I want to kill Hu Yixiao, I only need to move my fingers.”

David said calmly A smile!

After hearing this, Yihe also smiled, David even killed King Li, so if he wanted to kill Hu Yixiao, he could just move his fingers!

“When Huofeng comes back, ask her to go to the Jade Cauldron Sect to find me...”

David warned!

After finishing speaking, David took Liu Ruyan and Nie Heng to Jade Cauldron Sect!

But Gao Qilan and Yu Jiameng also chased after them, they wanted to go to the Jade Cauldron with David!

Originally, David wanted them to stay in the Demon Imperial City, after all, it would be safer to stay in the Demon Imperial City!

But the two of them were unwilling to stay in the Demon Imperial City and insisted on following David to the Jade Cauldron Sect!

David had no choice but to let the two of them follow!

And Yisha looked at the back of David and the others leaving with a very complicated expression!

Seeing Yisha’s expression, Yihe could only step forward and pat Yisha on the head, because Yihe couldn’t help with this kind of thing!

Yihe knows David's identity very well, so Yisha is not worthy of David at all!

But if Yisha can become David's woman, Yihehui will be very happy, but it all depends on the fate of the two!

At this time, outside the Jade Cauldron Sect, the third elder brought many Jade Cauldron Sect disciples, so they could only guard outside the Jade Cauldron Sect!

Hu Yixiao occupied the Jade Cauldron School, and they couldn't get in at all!

Moreover, with their strength, it is simply impossible to win the Jade Cauldron Sect again!

One must know that there are generals sent by King Li to accompany Hu Yixiao!

That general was a ninth-level monk in the Fusion Realm. Not to mention the three elders, even the Supreme Elder of the Jade Cauldron Sect came forward and was defeated by this general from Mingli King City.

The current Hu Yixiao is full of joy and pride, he doesn't even know that Mingli King City has been destroyed!

Hu Yixiao thought that the Demon Imperial City had been captured, and the third elder and the others had led people to escape from the Demon Imperial City!

"Third Elder, I advise you to be aware of current affairs. Now the Jade Cauldron Sect is mine, and I have also reached a strategic cooperation with King Li. From now on, the elixirs refined by our Jade Cauldron Sect will be given to King Mingli City. "

And Mingli Royal City will continue to provide medicinal herbs and various resources to our Jade Cauldron Sect, and the safety of Jade Cauldron Sect is also responsible for Mingli Royal City." "Now that Demon Imperial City is finished,

this area, Mingli King City is the biggest, don't you understand?"

Hu Yixiao said to the third elder!

“Hu Yixiao, stop dreaming. The city of King Mingli has been over for a long time, and King Li has been killed by Mr. Chen. You are still here dreaming about the Spring and Autumn Period.” “Now if you obediently give up the Jade Cauldron Sect, maybe you can

still You can survive, or you will die without a place to bury you when the suzerain returns.”

The third elder snorted coldly!

“Hahaha...” After hearing this, Hu Yixiao laughed loudly: “Is there something wrong with your brain? Then don’t I know David’s strength?” “Even if he has some strength during this period

, Qi Yu, no matter how fast his strength grows, he is still just a Fusion Realm monk, it is simply ridiculous that he can kill King Li.”

“I will give you ten minutes to think about it now. If you don’t submit to me, then don’t blame me for being rude and kill you all directly.”

Hu Yixiao didn’t believe what the third elder said!

David, a cultivator at the Composite Realm, was able to kill King Li, a fourth-rank cultivator at the Transcending Tribulation Realm, it was simply nonsense!

The third elder saw that Hu Yixiao didn’t believe him, so he didn’t say anything else, he could only beg Nie Heng to quickly move in to rescue the soldiers!

Chapter 3199

As soon as the people from Demon Imperial City arrive, it will be Hu Yixiao’s death!

Ten minutes passed quickly. Seeing that the third elder had no intention of surrender, Hu Yixiao began to exude a violent aura!

“Third Elder, since you are so stubborn, don’t blame me...”

Come on, Hu Yixiao soared into the sky and headed straight for the Third Elder!

The third elder was not Hu Yixiao's opponent, but when he saw Hu Yixiao take action, he also rose with his aura!

But just as the third elder was preparing to fight, a breath suddenly came from behind him!

Hu Yixiao, who jumped up, was directly hit by this breath, and flew backwards!

Then he fell heavily to the ground, vomiting blood, and was seriously injured!

Hu Yixiao was confused. He didn't understand who could have such strength. He could make himself seriously injured and fall to the ground with a breath out of thin air!

"The little Fusion Realm monk really doesn't know how high the sky is and how high the sky is..."

David's figure slowly appeared, followed by Liu Ruyan and the others!

Seeing David appear, the third elder suddenly looked surprised.

Hu Yixiao frowned. He discovered that David's strength had been promoted to the eighth level of the Fusion Realm in a short period of time, and he was as strong as the elders who followed them!

Hu Yixiao didn't know that the Supreme Elder of the Jade Cauldron Sect was not even considered an ant in David's eyes!

"You're not dead? Did you also escape from Demon Imperial City?"

Hu Yixiao looked at David and asked!

"Escape?" David smiled coldly: "Why should I escape? It is King Li who should escape, but King Li will never have a chance to escape in the future. He has been killed by me..."

"You're talking nonsense. King Li is a great monk in the Tribulation Realm. How could he be killed by you?" "

You dare to talk nonsense about our King Li. You deserve to die..."

A general in armor next to Hu Yixiao yelled!

“There are people from the Jade Cauldron Sect and Mingli King’s City who almost let you slip through the net.”

After David finished speaking, he walked directly towards the general!

That general was a ninth-level monk in the Fusion Realm. How could he be afraid of David? He roared angrily and charged forward with weapons in hand!

When David saw this, he waved his palm lightly, and a terrifying aura burst out from David’s body!

Boom...

David just waved his hand lightly, and the general of the ninth level of the Fusion Realm exploded and turned into scum!

Seeing this scene, Hu Yixiao was dumbfounded!

Ninth level of Fusion Realm?

Turning into a scumbag with just a wave of his hand?

David’s blow to him just now was merciful, otherwise he would have become a scumbag now!

Hu Yixiao didn’t understand how David, an eighth-level Fusion Realm monk, could have such strength!

But now he doesn’t dare to think too much, it’s important to save his life!

So Hu Yixiao fell to his knees and began to beg for mercy!

“Spare your life, spare your life, I don’t dare to do it anymore...”

Hu Yixiao kowtowed like a fool, but David didn’t even look at him!

“Ruyan, it’s up to you to decide how to punish him!”

The reason why David didn’t kill Hu Yixiao just now was because he wanted Liu Ruyan to make up his own mind!

After all, Liu Ruyan is now the leader of the Jade Cauldron Sect!

Liu Ruyan nodded, and then walked towards Hu Yixiao with a cold face!

“Spare your life, Master, please spare your life...”

Hu Yixiao looked at Liu Ruyan walking towards him and began to beg for mercy again!

But Liu Ruyan didn't have the slightest pity. If Hu Yixiao didn't try to attack the Jade Cauldron Sect again, Liu Ruyan wouldn't want to argue with him!

But Hu Yixiao is determined to be a traitor, how could Liu Ruyan let him go!

I saw a cold light flash in Liu Ruyan's hand, and Hu Yixiao's head flew out instantly!

The crisis in the Jade Cauldron Sect was solved by David with a wave of his hand!

This is strength!

David recalled that when he first came to the Jade Cauldron Sect, he was targeted and suppressed, but now he can make the Jade Cauldron Sect fall apart with just a wave of his hand!

This is the change brought about by strength!
