### **Chapter 3251**

the atmosphere in the entire Ji family hall became a little tense!

Even if David is called, Ji Lianjun cannot let the people from Juman Palace take David away!

Let's not talk about David saving the old man of the Ji family. Regarding David's origin space of stars in the universe, Ji Lianjun knew that David would definitely become a tycoon in the future!

By that time, the Ji family will probably be nothing more than bullshit in David's eyes!

Now Ji Lianjun wants to befriend David while David has not yet developed. When David truly becomes a powerful figure, the Ji family will also be able to benefit from it!

About ten minutes later, Ji Cheng came back, but it was only him, not David following him!

"What's going on?" Ji Lianjun saw this and asked quickly!

"Father, Mr. Chen is not in the room. He seems to have left..."

Ji Cheng said truthfully!

"I think you let David run away on purpose, right?"

When Qin Jingyun heard this, he was immediately unhappy!

Ji Cheng gave Qin Jingyun a cold look and ignored him!

Ji Lianjun began to think deeply. He knew that David could not leave Ji's family. If David wanted to leave, he would definitely tell him!

Suddenly, Ji Lianjun thought that his daughter Ji Meiyun could not be found!

Thinking that David was not here now, Ji Lianjun seemed to understand something!

He knew that Ji Meiyuan must have brought David into the ancestral land through the secret passage!

Very few people knew about the secret passage, but Ji Meiyuan knew that now that both of them could not be found, there was a high possibility that they had entered the ancestral land through the secret passage in advance!

Although the ancestral land prohibits outsiders from entering, Ji Lianjun still has no objection to David entering!

“Brother, now that David has run away, how can we explain to Juman Palace?” “

He was responsible for this matter. Now that he is gone, Juman Palace will definitely not agree.”

Ji Lianying faced Ji Lianyun Ask!

It was obvious that Ji Lianying was helping the people of Juman Palace speak!

“Since Mr. Chen is not here, we can let everyone in Juman Palace leave temporarily. When Mr. Chen comes back, I can personally deliver him to everyone in Juman Palace, right?”

Ji Lianjun said!

“Master Ji, that’s not okay. If you break my son’s arm, I will ask for an explanation today. If not, then don’t blame me for being rude.” After Qin Hetian finished speaking, everyone in the Juman

Palace got into position . !

There was a sudden sound of footsteps even outside, and then the whole hall began to shake, as if there was an earthquake!

Everyone looked through the window and found that there were many people from the Juman Palace coming outside. They were all tall and powerful, and the ground shook with every step they took!

It was obvious that the Juman Palace was already prepared to fall out before he came!

Seeing this scene, Ji Lianjun's face turned cold: "Qin Hetian, this is Huanglan City, our Ji family, not your Juman Palace. Do you want to run wild here, do you think I'm afraid of you?" Ji Lianjun finished his words

, The aura on his body surged, and Ji Cheng instantly drew out his long sword, and many of the Ji family's children also started to fight!

The scene was tense, and the war was about to break out...

"Brother, are you going to follow the Juman Palace in a bloody battle on this day for David?" "

You are ignoring the interests of the rest of us, you... How did you become the head of the family?"

"We managed to survive until the ancestral land was opened, why should we give up like this?"

Ji Lianying took the opportunity to attack Ji Lianjun!

Upon hearing this, other branches of the Ji family also started to attack Ji Lianjun. After all, when the fight broke out, they and other branches also suffered. The ancestral land was finally opened and there was no way to enter!

At this time, Ji Lianjun became the target of public criticism and became very embarrassed. He knew that the sudden appearance of Juman Palace today must have been planned. This was Ji Lianying's trap.

But Ji Lianjun had no choice, and he couldn't help himself at this time!

## **Chapter 3252**

"I have already said that when Mr. Chen comes back, I will personally deliver it in front of everyone in Juman Palace. If this is not enough, what do you want me to do?" "

Now that Mr. Chen is not here, I can still Can't we transform him?"

Ji Lianjun said with anger on his face!

"Since David is not here, we can discuss it with Palace Master Qin and make up for it in other ways. Why use swords and guns!"

Ji Lianying said!

"Okay, I'll give them whatever they want. Do you want money or fairy grass resources?"

Ji Lianjun compromised and sent these people from the Juman Palace away first!

As long as the ancestral land is closed, Ji Lianjun will take action against Ji Lianying without hesitation!

Originally, he was worried about brotherhood, but now it seems that he is overthinking it!

"Palace Master Qin, what compensation do you need for this?" Ji Lianying asked Qin Hetian!

"My Juman Palace is not a beggar. We don't have any money or resources. I don't need them." "

But I heard that your Ji family's ancestral land has been opened, and there are a lot of helpless people in it. I just hope that you can Let my son also enter the ancestral land of your Ji family and see it!"

Qin Hetian said!

"Palace Master Qin, it seems that your son has not yet understood his origins. Even if he enters our Ji family's ancestral land, he will not gain much. Why bother?"

Ji Lianying looked at Qin Jingyun and said!

Although Qin Jingyun is a third-level monk in the Tribulation Realm, he has not understood the origin. Even if he has the helpless origin, it is of little significance to him!

“Master Ji Er, you don’t know this. I am more than just one son.”

After Qin Hetian finished speaking, another tall young man walked in from the outside!

This young man looks somewhat similar to Qin Jingyun, but his aura is obviously stronger than Qin Jingyun’s!

“This is also my son Qin Jingyu. Not long ago, my son just opened the origin space. I heard that there are many origin fantasy beasts in the Ji family’s ancestral land. As long as you kill the origin fantasy beasts, you can have the opportunity to understand the origin. I want my son to try Try.”

Qin Hetian said!

“I didn’t expect that Palace Master Qin has a son who has also opened the origin space. He is really young and promising!”

Ji Lianying looked at Qin Jingyu and said with surprise!

Ji Cheng looked at Ji Lianying’s face and became angry. It was obvious that Ji Lianying and Qin Hetian were acting!

Obviously Ji Lianying just went to Juman Palace some time ago, how could he not know that Qin Hetian has two sons!

Moreover, the conditions proposed by Qin Hetian today were most likely those proposed by Ji Lianying!

After all, how could the Juman Palace in the Northern Territory know so clearly about the situation in the Ji family’s ancestral land?

Now Ji Lianying is still acting in front of everyone, and Ji Cheng is furious just looking at it!

Ji Lianjun looked at his younger brother with a cold face, and his eyes began to have murderous intent!

He didn’t expect that Ji Lianying would dare to betray the Ji family’s ancestral land!

The conditions proposed by Qin Hetian must also be what Ji Lianying meant. Ji Lianying used this as a bargaining chip to let Juman Palace cooperate with him!

“Brother, do you think the condition proposed by Palace Master Qin is acceptable?”

Ji Lianying looked at Ji Lijun and asked!

“What do you think?” Ji Lianjun said with a cold face: “Don’t you know the rules of the Ji family’s ancestral land? Outsiders are not allowed to enter the ancestral land. It doesn’t matter whether the people from Juman Palace follow our Ji family, how can they enter my Ji family’s ancestral land? ...”

“Brother, I know there is this rule, but I also know that outsiders can enter the ancestral land as long as the head of the house takes out the head order.”

“When our ancestors made the rules, they said that as long as they can be of great help to our Ji family, even outsiders can enter!”

Ji Lianying said!

When Ji Lianjun heard this, he slammed the table angrily and said, “How can this Juman Palace help our Ji family? Can my Patriarch’s order be given to anyone at will?” “Brother, isn’t the situation now special? You should open

it Some, otherwise none of us will be able to enter the ancestral land.”

Ji Lianying said quickly!

## **Chapter 3253**

“Even if we don’t enter the ancestral land, I can’t let the people from Juman Palace in...”

Ji Lianjun roared, his face turned red!

“Master Ji, since you don’t agree to this condition, then don’t say anything and let your fists do the talking...” After

Qin Hetian finished speaking, the auras of those in the Juman Palace rose again!

“Master, just let the people from the Juman Palace go in. So what, they are just one person, how much Wuhu Origin can they use.” “

That’s right, we can’t all be prevented from entering the ancestral land because of this matter. Yeah.”

“The development of our side factions is already slow. After waiting for so many years, if we can no longer enter the ancestral land, how can we, the children, improve our strength?”

Those side factions began to put pressure on Ji Lianjun again!

Ji Lianying had a slight smile on his face. He was sure to defeat Ji Lianjun today!

If Ji Lianjun allows Qin Hetian’s son to enter the ancestral land, then he has fulfilled his promise to Qin Hetian, and Qin Hetian’s cooperation with him will definitely be fine.

If Ji Lianjun insists on going his own way and not allowing Qin Hetian’s son to enter the ancestral land, then he will offend many branches of the Ji family!

In this way, Ji Lianying can win over these side clans and isolate Ji Lianjun. The next position of head of the family will definitely fall into his hands!

So no matter what Ji Lianjun chooses today, Ji Lianying is in a state of guaranteed victory!

Ji Lianjun looked at the collateral members and then glanced at Ji Lianying who had a faint smile on his face. His face turned red with anger and his body was trembling slightly!

Ji Lianjun knew that this was Ji Lianying’s trap, but even though he knew it was a trap, he had to break into it!

Seeing his father being so angry, Ji Cheng said angrily: “Ji Lianying, what are your intentions in colluding with Juman Palace? Don’t think that no one knew about your visit to Juman Palace some time ago.”

Ji Cheng has been following Ji Lianying to the Juman Palace, so just now Ji Lianying acted with Qin Hetian, and he couldn't stand it!

Now he wants to expose Ji Lianying's cover!

Ji Lianying's face turned cold: "Ji Cheng, I am your second uncle. How dare you treat me like a child? Didn't your father educate you?" "Ji Cheng, how dare you call my father by his first name

? You still falsely accuse my father of colluding with the Juman Palace? Do you have any distinction between elder and younger? You are disrespectful and have to obey the family law." Ji Yue stood up and shouted at Ji Cheng!

"Ji Yue, you call my brother by his first name. You have no respect for your elders and you have to obey the family rules."

Ji Meiling said helping Ji Cheng!

"Ji Meiling, you are a little kid, do you have the right to speak here? You should go find your sister, maybe she is sleeping under the quilt of some wild man." Ji Meizhen also started to speak

!

"You..." Ji Meiling's face turned red with anger, but she was indeed not as good as her sister Ji Meiyuan when it came to talking.

Ji Lianjun looked at the chaos at the scene, frowned and said, "Okay, shut up..."

Ji Lianjun shut everyone's mouths with one sentence.

"Second brother, you are right. This matter is up to you. I can take out the Patriarch's Order and let the people from Juman Palace enter the ancestral land!" Ji Lianjun

compromised, and finally took out the Patriarch's Order helplessly.

When Ji Lianying saw this, he immediately smiled and said: "Brother, I still have the overall concept and understand the general situation. How about you become the head of the family..."

After receiving the order of the head of the family, Ji Lianying gave the order of the head of the family to Qin Jingyu, and then Ji Lianying and Qin Hetian looked at each other and smiled!

After settling this matter, everyone started heading towards the Ji family's ancestral land!

A team of dozens of people finally entered the Ji family's ancestral land!

Among them, Qin Jingyu was the most conspicuous, almost two heads taller than the others. Ji Yue and Ji Meizhen walked to both sides of Qin Jingyu, talking and laughing!

Ji Meiling could only stare at them fiercely, not daring to say anything. Now that she had entered the ancestral land by herself, Ji Cheng was no longer qualified. Ji Meiling didn't know where to run, and she was so weak that she couldn't do anything!

## **Chapter 3254**

“Second sister, don't be afraid, there is still me...”

At this time, Ji Yun, who was mixed in the crowd, walked up to Ji Meiling and whispered!

Ji Meiling glanced at Ji Yun and nodded with a smile. Regardless of Ji Yun's strength, at least with Ji Yun here, Ji Meiling wouldn't feel too lonely!

Just as Ji Meiling and Ji Yun were talking, Ji Meizhen discovered Ji Yun not far away!

“Brother, look, isn't this the pharmacist that Ji Cheng hired? Why did this guy come in too?”

Ji Meizhen pointed at Ji Yun and said!

At that time, Ji Cheng called David and the others and said that they were all pharmacists, so Ji Meizhen and the others also regarded Ji Yun as a pharmacist!

Ji Yue glanced at it, then smiled coldly and said, "It must have been Ji Cheng who caused this guy to mix in with the team and enter the ancestral land. He didn't notice that he was still wearing the clothes of our Ji family." "But it doesn't matter

. , Even if he wears the clothes of the Ji family, it is useless to enter the ancestral land. He will not be able to pass Taizu's test by then." "When Taizu finds this

guy out, I will see how they explain it."

Ji Yue did not say Ji Yun was exposed on the spot, but he had to wait until he was caught by Taizu after entering the ancestral land, which would be hilarious!

The group of them quickly walked into the ancestral land, and then walked into the main hall!

The Taizu of the Ji family is still sitting in the middle of the hall, his eyes slightly closed!

Seeing this, all the disciples of the Ji family knelt down and worshiped on the ground, and then loudly said: "Disciples of the Ji family, pay homage to Taizu..."

Taizu slowly opened his eyes and looked directly at Qin Jingyu!

There is no need to check the bloodline, it can be seen at a glance that Qin Jingyu is not a member of Ji's family!

"What's going on? Why did outsiders come in?"

Taizu asked coldly!

"Taizu, this is Mr. Qin from Juman Palace. Because Juman Palace is kind to our Ji family, the head of the family has allowed Mr. Qin to enter the ancestral land. There is a family head order here." Ji Yue hurriedly gave the family head order to Taizu

. Look!

Taizu just glanced at it and didn't say anything. Instead, he waved his hand and opened a light door behind him!

The light door opened and everyone could enter the ancestral land, but Ji Yue was full of doubts!

“Taizu, don’t you check our identities? What if there are outsiders mixed in?”

Ji Yue asked Taizu!

“No one will sneak in, I have already checked, these people all have the blood of the Ji family!”

Taizu said lightly!

“Taizu, you...are you making a mistake? Do you want to check again?”

Ji Yue obviously saw Ji Yun and mingled with the team, but Taizu did not find out!

“Are you questioning me?”

Taizu looked at Ji Yue coldly!

At this glance, Ji Yue was so frightened that he knelt down and kowtowed:  
“Taizu, calm down, I dare not question Taizu...” “

Taizu, there are indeed outsiders in this team.”

Ji Meizhen After saying that, he stepped forward and pulled Ji Yun out of the team!

“Ji Meizhen, what are you doing?” Ji Meiling stepped forward to stop him!

“Ji Meiling, you mixed outsiders into the team and entered the ancestral land. This broke the rules of the Ji family. Just wait for Taizu’s punishment.”

Ji Meizhen said with a sneer!

“Taizu, this person is not my Ji family. He is the pharmacist who was hired by Ji City. Yet he put on my Ji family’s clothes and got in. This obviously doesn’t take Taizu seriously.”

Ji Yue quickly pointed at Ji Yun and said!

Taizu just glanced at Ji Yun and then said: “No one can sneak into the ancestral land in front of me. This person has the blood of the Ji family and is not an outsider...” “What?”

Ji Yue and Ji Meizhen were stunned!

“Taizu, how is this possible? He...”

Ji Meizhen simply didn’t believe that Ji Yun could be a member of Ji’s family!

“You don’t believe me?” Taizu glared at Ji Meizhen. Ji Meizhen’s knees instantly softened and she knelt on the ground!

## **Chapter 3255**

Ji Yun Seeing that her identity has been exposed, she simply does not hide it, kneels directly in front of Taizu and says: “Junior Ji Yun, pay your respects to Taizu...”

Ji Meiling also knelt down He said, “Taizu, the sixth brother is the only son of the third uncle Ji Lianzhan. He just came back some time ago.” When

Ji Yue and Ji Meizhen heard this, they were all shocked. It turned out that Ji Yun was the son of their third uncle Ji Lianzhan. But they have been kept in the dark!

“Okay, let’s all go in. Don’t waste time. There are only three days to open the ancestral land this time. How much you can harvest depends on your own luck.” Taizu waved his hand and asked everyone to quickly enter the ancestral land

!

As for the disputes within the Ji family, Taizu didn’t bother to care. He just wanted to protect the ancestral land!

Soon, everyone passed through the light gate and entered the ancestral land!

It was the first time for many people to enter the ancestral land, so they were very nervous. Ji Yun also clenched his fists slightly, with a very nervous face!

“Sixth brother, don’t be too nervous. There is nothing scary in the ancestral land. As long as you don’t go too deep, there won’t be any danger.”

Ji Meiling comforted Ji Yun!

When everyone felt a flash of white light in front of their eyes, a beautiful scenery surrounded by lush green trees and mountains appeared in front of them!

Many people were very surprised when they saw this.

They thought that this ancestral land was filled with an aura of terror and was covered in gray chaos!

But I didn’t expect that the beautiful scenery of Qiongsan Mountain greatly exceeded many people’s expectations!

And the aura here is many times richer than the aura of the heaven and human world, even the original aura is very rich!

It’s just that many of these people have not opened the origin space, so they cannot realize the origin!

“Brother, you said that the third uncle’s son is here, and the uncle is hiding it from us. Does he have any intentions?”

Ji Meizhen glanced at Ji Yun not far away and said!

“Hmph, he must have an agenda. It seems that the third uncle is doing well outside. Although the sixth brother is not strong, the friends he has made are very powerful, especially that David. Not only is he a pharmacist, but he is also Can break Mr. Qin’s arm.”

“It seems that the uncle must want to follow the third uncle secretly, and then combine the power of the third uncle to drive out our lineage.”

Ji Yue analyzed carefully!

After all, Ji Lianjun must have his own selfish interests in concealing Ji Yun’s identity, otherwise he wouldn’t have concealed it.

“Brother, your analysis is so right. It seems that we have to take action and try to win over the sixth brother. If the third uncle’s lineage can support us, then

the position of the head of the family will definitely belong to the father.” Ji Meizhen whispered

. Said!

“Well, let’s go there...” Ji Yue nodded!

Soon, Ji Meizhen and Ji Yue walked towards Ji Yun!

“Sixth brother, I really didn’t expect that you are the third uncle’s son. Why didn’t you tell your sister earlier? If you had told me earlier, there would be no misunderstanding.”

Ji Meizhen came over and followed Ji Yun to get close!

“That’s right, Sixth Brother, you treat us too much as outsiders. Now that we know your identity, we will definitely take care of you.” “Don’t look at the beauty of

this ancestral land, but it contains a lot of dangers. You’d better come with us. If anything happens, we’ll have

someone to take care of you.” “Follow Ji Meiling. She can’t protect herself. How can she take care of you!”

Ji Yue also stepped forward to win over Ji Yun!

“Ji Yue, Ji Meizhen, what do you want to do? The sixth brother will not be with people like you. Do you want to get something from the sixth brother?”

Ji Meiling asked, glaring at Ji Yue and Ji Meizhen!

“Ji Meiling, don’t talk nonsense. What can we get from the sixth brother? We are just worried about the safety of the sixth brother.” “

You are the only one now, can you protect the safety of the sixth brother? If there is danger in this ancestral land, What should I do?”

Ji Meizhen asked disdainfully!

## Chapter 3256

“I can, even if it costs my life, I will keep my sixth brother safe...”

Ji Meiling said angrily!

“Okay, let’s stop arguing. We are all a family. Why do this?”

“Second sister is alone and relatively lonely. I’d better stay with her...”

Ji Yun chose to follow Ji Meiling in Together!

However, Ji Yun didn’t say too much. After all, he and Ji Meiling were not as powerful as Ji Yue and Ji Meizhen, not to mention that they also had Qin Jingyu!

So Ji Yun said this to temporarily make Ji Yue and Ji Meizhen not hostile to him. Otherwise, they would go bad in the ancestral land and attack him and Ji Meiling, which would be troublesome!

Ji Meizhen wanted to say something else, but was stopped by Ji Yue, and then said with a smile: “Sixth brother, you can follow whoever you want, but when you encounter danger, you must call us in time...” “Thank you, second

brother. ....” Ji Yun nodded!

Ji Yue and the others left, and everyone else also dispersed to look for opportunities. There were only three days, and no one dared to delay!

“Sixth brother, let’s go too. In addition to being helpless, this ancestral land also has many other resources. If we are lucky, it would be good to find the magical weapons left behind by our ancestors.” Ji Meiling said to Ji Yun

!

Ji Yun nodded, and then followed Ji Meiling into the ancestral land!

.....

Deep in the mountain col, David was still desperately fighting with those original fantasy beasts.

As he continued to kill those original fantasy beasts, David gradually gained some insights!

David knew that he was not far away from understanding the origin of the metal system!

However, David's body was already covered in scars at this moment!

You can imagine how difficult it is to kill these original fantasy beasts with your body and fists alone!

After killing another origin fantasy beast, David fell to the ground, breathing heavily, and his clothes were in tatters!

Even some of her clothes were not covering her body. Ji Meiyuan walked up to David and looked at David with admiration in her eyes!

"When you are tired, rest for a while. The ancestral land will be open for several days, so there is no need to rush..."

Ji Meiyuan advised David!

"No, I have to understand the origin of the metal system as soon as possible!"

David shook his head and stood up hard!

Only after comprehending the origin of the metal system can David begin to absorb the original aura of Wuzhu, and the origin of illusion, thunder and lightning, and the origin of fire in his body all need to be supplemented by the original aura!

David must make full use of his time here and must not waste any time!

A good place like this cannot be found at any time!

Ji Meiyuan saw that David was so persistent, so she couldn't stop him and could only follow behind!

At the same time, at the entrance of the mountain col, Ji Yue, Ji Meizhen and Qin Jingyu also walked in!

There are the most origin fantasy beasts in this mountain col, so many Ji family children will not come in. After all, they have not opened the origin space, so it is useless to come in!

But this time Ji Yue and Ji Meizhen accompanied Qin Jingyu!

“Mr. Qin, most of the origin fantasy beasts here are mainly of the metal element, so the chance of you understanding the origin of the metal element is very high.”

Ji Yue said to Qin Jingyu!

“Master Qin, this origin fantasy beast needs to be killed with the power of the physical body. You cannot use spells or magical weapons. Only in this way can you realize the origin of the metal element as quickly as possible.”

“It’s just that this will be a bit dangerous, and you must be physically strong to withstand the attacks of those original fantasy beasts.”

Ji Meizhen said to Qin Jingyu!

“Hahaha, I, the Juman Palace clan, may not be able to compare with others in terms of magic, but in terms of physical body, who can be better than us barbarians?” “We have been

tempering our bodies since we were young. Even if I am motionless now, ordinary weapons can’t be compared with others.” Don’t even think about hurting me at all.”

Qin Jingyu laughed, this was simply child’s play for him!
