I am a quadrillionaire chapter 2494-Perry almost went crazy.

He could not afford to provoke her and he could not hide from her either.

So, he had no choice but to enter The Spirit Cage.

He was already in a bad mood and had nowhere to vent.

So, one could say that Jumbo Court was just the wrong place at the wrong time.

Hence, Perry was not about to spare Arian this time.

The family he had an arranged marriage with was not significantly inferior to the Campbell family.

Perry knew his worth.

Arian was just the captain of a main city in The Spirit Cage, and he was nothing to the Campbell family.

“Perry, I’m going to say this now. Don’t even think about committing outrages now that I’m here.” Arian was mad as well.

He waved his hand and the team captains who followed behind him took action. They quickly stood in a line in front of the entrance of Jumbo Court to stop the guards of the Campbell family.

Anyone who could be the team captain of the law enforcement team would be an elite.

Perry’s guards were not their opponents at all.

After all, he was just a direct descendant who was not valued.

He was nothing compared to those talented direct descendants who were cultivated to be the heirs of the family.

“Arian, you asked for this. How dare you behave atrociously in front of my family? You’re so bold! Today, I’ll let you know that you’re just an ant to my family!”

Perry grinned maliciously and was about to take action.

He knew his people were not the opponents of the law enforcement team, but he refused to believe that Arian would dare to do anything to him.

If Arian hurt someone from the Campbell family, his days as the captain of the law enforcement team would come to an end.

Not only that, he might even lose his life.

When Perry was about to take action, a voice caused his blood to run cold.

“Perry, you’re here. I’ve looked everywhere for you.”

Perry knew this voice very well.

This voice could even be described as his nightmare lately.

It was this voice that would wake him from his dreams every night.

The only reason he came into The Spirit Cage was because he was hiding from the owner of this voice.

He turned around to look as his body shook uncontrollably.

He saw a 250 to 300-kg woman with extraordinary looks, standing there like a mountain.

Everyone around her moved away.

They were worried that they might not be able to avoid her in time.

The woman’s appearance attracted countless gazes as well.

Someone at the scene failed to control themselves and vomited their dinner from last night.

Vomiting started all around.

The woman's smile disappeared and she said sternly, "Find the ones who threw up and force them to eat whatever they threw up. Kill the ones who do not eat their vomit."

"Yes, Miss!"

Someone replied immediately.

The people who threw up were caught and forced to lie on the ground to eat their vomit.

The other onlookers quickly left.

Everyone covered their mouths and dared not make a sound, let alone throw up.

The woman would kill if there were disagreements.

Not only was she hideous, but she was also vicious and merciless.

Unfortunately, she was born into a huge family and looked like trouble at first glance. So, they could only run away.
