

I am a quadrillionaire chapter 2595-“Little girl, the soul is the most fragile thing in the human body. When I help you recover, you may feel a little pain and discomfort. You must persevere, and you must not pass out, understand? Otherwise, all efforts will be wasted!”

Sylvio informed Pebbles in advance so that she would persist.

Even though he thought Elora would get through it, he couldn't be sure since Elora had lost her memory and become a little girl in her teens again.

So, it would be better to tell her first.

“Don't worry! Sylvio, I will be fine,” the little girl replied seriously.

“That's good! Let's not waste any more time. Let's get started!” Sylvio urged.

“Okay! Sylvio, what do I need to do?” She asked.

“You don't have to do anything! Just hold on.”

“Okay, I'll be fine.”

“We'll do it right here? Or somewhere quieter?” Sylvio asked.

“Of course, we'll do it here. I can't leave. I have to watch the door for Davey. What if someone disturbs Davey at a critical moment if we leave?”

“Okay, we'll do it here.” Sylvio knew he was asking

unnecessary questions.

Pebbles would not even lead the way for him, let alone change her location.

Sylvio took a few steps to Pebbles.

“Sit cross-legged and close your eyes. No matter how painful it gets, you must endure. It won't take long.”

“Okay.”

After the little girl said that, she sat down cross-legged.

Sylvio waved his hand and the medicine he made appeared around Pebbles.

A visible gust of green smoke billowed from it.

“Little girl, breathe it in with all your might.”

Pebbles did exactly that. Her body was like a whirlpool absorbing all of the green smoke around her.

Sylvio placed one hand on Pebbles’ head and started to use his soul power to help her restore her damaged soul.

As the treatment progressed, the little girl started to show an excruciating look on her face.

She clenched her fists and gritted her teeth.

She remembered Sylvio’s words and persisted. She could not pass out or the effort would go to waste.

Time passed slowly.

The little girl’s soul power was being restored under Sylvio’s treatment.

Old memories appeared in Pebbles’ head.

On Earth, David walked out of his place of seclusion and met everyone. After he chatted with them, he decided to go back to The Spirit Cage.

He could not stay too long.

The little girl would not budge from the door and would not leave.

David sat inside the secret room, opened the system and chose to enter The Spirit Cage.

Soon, he was back in his house in Amber City of The Spirit Cage.

He got up and walked to the door to call Pebbles.

When he opened the door, the scene made him widen his eyes.

He saw Pebbles sitting on the ground with a pained look on her face.

At the same time, there was a hand on her head, and the owner of the hand was a strange old man.

David's first reaction was that Pebbles' enemy had found her and was attacking her.

Judging from her expression, David knew she must be in great pain. He was fuming.

David could not hold back his anger when he saw this.

His soul, recently elevated to Heavenly Overlord, erupted.

Boom!

A ball of energy, so potent that it could shake the entire Spirit Cage, burst from his body.

Countless powerhouses in The Spirit Cage felt this horrifying energy and were unable to stop themselves from trembling.

The master of this energy was unquestionably an Overlord, and not just a novice Overlord either.

The people in Amber City felt this intense energy the most.
