

The Ex-Husband's Revenge By Dragonsky

Chapter 2330

Chapter 2330

"Baam!"

Following a gigantic noise, Leon's attack and the Fourth Apostle's attack collided.

The Fourth Apostle's energy tore through Leon's spiritual energy and darted toward him.

Leon did not waver and took the hit with his Mirror of Sovereign. At the same time, he launched a Double Attack, sending a wave of true energy in the Intermediate Overlord State toward the Fourth Apostle.

"What?! How's this possible?!" The Fourth Apostle gasped in disbelief.

He thought that Leon was too powerless to fend off his initial attack, yet not only did Leon succeed in doing so, he did not even budge.

He could not fathom how Leon managed such a thing and what shook him the most was that Leon managed to attack while he was still on the momentum of the first attack, which caught up off guard.

Before he could react, Leon's Double Attack struck him in the chest and he was instantly sent flying.

Once he landed on the ground, he puked blood and it was evident that he suffered internal injuries.

Luckily for him, Leon was not an overpowering martial artist and the Double Attack did not impose severe damage to the Fourth Apostle; If he took Leon's attack at his full strength, he would suffer far more than internal injuries.

"Leon beat the Fourth Apostle? How's that possible?"

Everyone, including the Southern Boss, Devon, Arthur, Angus, and the others, was stunned as they gaped at Leon in disbelief.

The Southern Boss and Devon thought that a powerful martial artist like the Fourth Apostle could easily defeat Leon, yet to their bewilderment, the Fourth Apostle was defeated by a single blow by Leon.

It was so surreal that they struggled to believe what they just saw.

"Great! Good job, Mister Wolf!"

Arthur, Angus, and the others snapped out of it and beamed with excitement.

None of them imagined that Leon could defeat the Fourth Apostle, who was in the intermediate Almighty State, at such a young age; such talent was unheard of and almost terrifying.

It was at this moment that they finally understood why Leon challenged the Four Apostles; He was never bluffing and was confident in defeating the Fourth Apostle.

They all underestimated Leon.

Leon was about to go after the Fourth Apostle when he was suddenly reminded of something and stopped. "It's you!"
