

An understated Dominance – Dahlia and Dustin Chapter 1467

An understated Dominance – Dahlia and Dustin Chapter 1467

Chapter 1467

At this moment, the bald man was shocked and panicked.

He never dreamed that this matter would be related to the Thompson family.

You know, the Thompson family ranks second among the eight wealthy families, second only to the Langfords Family.

Especially in medicine, it is the leader.

Even the director of the medical bureau is supported by the Thompson family. I am just a small director. How dare I offend the Thompson family?

The bald man trembled, and said anxiously: "Thompson...Young Mr. Thompson, there must be some misunderstanding in this matter. The Thompson family is a model in the industry and has a good reputation. They will never break the law knowingly."

"Really? What's the matter with Jade Dew Ointment? Didn't you want to arrest people just now?" Samuel Thompson asked coldly.

"No, no, no...it's all a misunderstanding!"

The bald man waved his hands in fright: "The people in our medical bureau are only in charge of medical matters. They don't have the power to arrest people. Naturally, I won't exceed my authority. As for the problem of Jade Dew Ointment, the subordinates must have made a mistake. After I go back, I will We must investigate carefully and give justice to the Thompson family!"

"Hmph! That's pretty much it."

Samuel Thompson unfolded his folding fan and said calmly: "Remember, as an official, you must handle things fairly in the future and don't listen to the villain's slander!"

“Yes, yes, I remember it.”

The bald man nodded repeatedly and secretly breathed a sigh of relief.

Fortunately, it didn't cause a big disaster, otherwise today would be over.

“Hey! Aren't you going to arrest someone? Why haven't you done anything yet?!”

At this time, the middle-aged man next to the coffin couldn't help but speak.

“Arrest someone? Arrest who?”

The bald man frowned, his eyes a little unkind.

“Jade Dew Ointment killed my father. All relevant personnel must be arrested immediately!” the middle-aged man shouted.

“Hmph! You want to arrest me? Who do you think you are?”

The bald man said with a cold face: “Besides, what evidence do you have to prove that Jade Dew Ointment killed someone!”

“This is the proof of buying the medicine, here is the autopsy report, and the medicine left on my father's wound, all of which can prove that he was injured by Jade Dew Ointment!” The middle-aged man showed various proofs.

“Stop! These are all perjury!”

The bald man grabbed it and tore it into pieces: “I don't know where you got these things, but I'm warning you, if you dare to cause trouble again, don't blame me for arresting you all!”

Hearing this, the middle-aged man was furious: “You corrupt official! You actually help profiteers oppress the common people. You must have been bribed. I want to sue you! I want to sue all of you!”

“Snapped!”

As soon as he finished speaking, the bald man slapped him and shouted: "Insolent! It is a serious crime to slander an official! If you still dare to talk nonsense, be careful and go to jail!"

"you—!"

The middle-aged man was angry and angry, and looked at Owen Stratford and Isabela unconsciously.

Didn't you agree to act together? Why did this guy get cold feet?

How to act this special girl?

"Director Zack, the bodies of the deceased are here, and there is so much evidence. Why don't you arrest him?" Owen Stratford said solemnly.

I spent money to invite you here, but you turned the tables and lost all your professional ethics.

"Mr. Stratford, this matter is obviously a misunderstanding. I suspect that someone reported a false case, so a detailed investigation is needed." The bald man said perfunctorily.

If you offend the Stratford Family, you just have a few financial backers. If you offend the Thompson family, you will be dismissed from your post or jailed at the worst.

He can still tell which is more important.
