

An understated Dominance – Dahlia and Dustin Chapter 1507

An understated Dominance – Dahlia and Dustin Chapter 1507

Chapter 1507

“So beautiful! So noble!” “Who is this beauty, why haven’t I seen it before?”

“This beauty, this temperament, should be at the top of the rouge list.” Not a little restless.

Regardless of whether they were men or women, everyone had a look of surprise on their faces.

Stonia has outstanding people and many beautiful women. But stunning beauty like this is very rare, especially the cold and noble temperament, like a fairy coming out of a painting, which makes people feel unreal.

“Cousin!” Julie Anderson’s face lit up when she saw the person coming, as if she had seen a savior, and she hurriedly greeted her. “I asked you to come over to discuss business, but the deal failed and you were asked to pay 100 million in compensation.

What happened?” Dahlia said coldly. “I...” Julie Anderson was at a loss for words for a moment. She couldn’t just say that she was showing off her power here with the golden order from Lord Eugene Montgomery’s palace, and then was taught a lesson, right?

“Sister Dahlia, this is what happened... “Victoria Sterling reacted very quickly, stepped forward immediately, and explained the matter with embellishment. After finishing the matter,

she added: “Sister Dahlia, we tried to persuade them with good words, but in the end they didn’t appreciate it, and even poisoned us. And asking for compensation is really too much! “

“Yeah? Who is so arrogant? How dare you poison them in public?” Dahlia asked coldly.

“It’s Dustin and that woman!” The two of them are in cahoots! Victoria Sterling stretched out her hand and pointed. “Huh?”

“After seeing Dustin’s face, Dahlia couldn’t help frowning slightly, quite surprised: “It’s you? Why are you here? “It’s strange, every time she meets Dustin, she has an inexplicable sense of familiarity.”

Lancaster’s medicine has my share, why can’t I be here? “Dustin responded lightly.

“Sister Dahlia, do you know this kid?”

“At this time, a young man with a rather harsh appearance beside her suddenly spoke. This man’s name is Gary Montgomery, and he is one of Lord Eugene Montgomery’s sons. He is good at business, he is insidious and cunning, he has many tricks, and he will do everything for his own benefit.

.“I’ve met him a few times, but I’m not familiar with him. “Dahlia said. “That’s it.

“Gary Montgomery smiled. Looking at Dustin, his eyes were a little colder. Since you are not familiar with him, then you don’t have to worry about it.”

Dustin, you are poisoning and blackmailing, do you know What will be the consequences?

“Dahlia said coldly. “It was me who poisoned it, and it has nothing to do with uncle. If you want revenge, just target me.” “Abigale said calmly.

“Dustin, don’t you feel ashamed to let a little girl of yours take the blame for you?

“Dahlia’s eyes were piercing. “Mr. Nicolson, the tone of your mouth is full of accusations, as if everything is our fault. Why don’t you ask first, what have these people around you done?” ” Dustin said lightly. “No matter what they did, it is not the reason for you to poison people! “Dahlia said righteously.
