An understated Dominance – Dahlia and Dustin Chapter 1501

### Chapter 1501

"Bang!"

A clear slap suddenly resounded throughout the entire lobby.

Julie Amberson, who had just shouted all kinds of things, was knocked to the ground on the spot, dizzy and confused.

"Huh?"

Everyone around was dumbfounded, their eyes widened, and some couldn't believe it.

No one expected that Dustin would be so bold, even daring to fight people from Lord Eugene Montgomery's Mansion.

The most important thing is that Julie Amberson still has the golden coin of Lord Eugene Montgomery's palace in her hand, and her status is high.

Hitting Julie Amberson was equivalent to hitting Lord Eugene Montgomery in the face.

Is this guy crazy? !

"You...you actually dare to hit me?"

Julie Amberson covered her face, feeling shocked and stunned, but mostly in disbelief.

Since joining the forces of Lord Eugene Montgomery's Mansion, she has risen through the ranks and become a powerful figure sought after by everyone.

Normally no matter who other party are, they have to follow her and support her, and they don't even dare to say a harsh word.

However, this guy in front of her actually slapped her in the face in public.

what is this?

This is simply arrogant and audacious!

"What's wrong with beating you? You gathered a crowd to make trouble and are unreasonable. Shouldn't I hit you if you making scene?" Dustin said coldly.

"My surname is Mu! I'm from Lord Eugene Montgomery's Mansion!" Julie Amberson shouted.

"Pa!"

Dustin didn't say anything. He raised his hand and slapped Julie Amberson again, causing Julie Amberson's nose to bleed: "Lord Eugene Montgomery's house is really unfortunate to have people like you!" "

Bitch! You dare to hit me? You will die. It's settled! I'll make you pay the price!"

Julie Amberson roared angrily, taking out her mobile phone as she spoke, preparing to call someone.

"Julie Amberson, if I were you, I wouldn't make this call." Dustin said calmly.

"What? Are you scared now? What the hell were you doing so early?"

Julie Amberson said with a fierce face: "Dustin! Even if you kneel on the ground and kowtow to beg for mercy, I won't let you go easily! Just wait. Go and die!"

"Afraid? What am I afraid of? Afraid of you pretending to be a tiger? Or a dog relying on human power?"

Dustin sneered: "Julie Amberson, have you ever thought about the token you stole in your hand after the reinforcements from Lord Eugene Montgomery's Palace arrived? , how will you explain it?"

As soon as these words came out, Julie Amberson froze, and the speed of dialing the number slowed down.

"Dustin! Stop talking nonsense here!" She pretended to be calm.

"You know whether I am talking nonsense or not."

Dustin said calmly: "Stealing the golden token of Lord Eugene Montgomery's Mansion is not a small crime. Even if Ms. Dahlia Nicolson can forgive you, the majesty of Lord Eugene Montgomery's Mansion cannot be violated. Once things get serious, Lord Eugene Montgomery's Mansion will. For the sake of reputation, they must kill the chicken to scare the monkeys. By then, I don't need to say more about what will happen to you, right?" "

You... stop scaring me here. Do you think I will be fooled by you? Stop it. It's a dream!" Julie Amberson shouted bravely.

"If you don't believe it, just call and see who of us will be unlucky in the end." Dustin said expressionlessly.

Seeing the calm appearance of the Dustin, Julie Amberson felt unsure.

As Dustin said, stealing the golden token from Lord Eugene Montgomery's Mansion can be a big matter.

It was okay with Ms. Dahlia Nicolson. After all, she was her cousin, so she might spare with a few soft words.

But if it reaches Lord Eugene Montgomery's ears, the situation will be completely different.

Once Lord Eugene Montgomery gets angry, even her cousin won't be able to protect her, so she really doesn't dare to take the risk.
