Chapter 3266

The heaven and earth shook, and the momentum was like thunder!

David holds the dragon-slaying sword, and Qin Jingyu holds a stone hammer, constantly following the huge origin fantasy beast!

“Hurry up...”

David shouted!

When Ji Meiyuan and others saw this, they rushed forward one after another!

And those small origin fantasy beasts swarmed up, a dense mass of darkness!

Ji Meiyuan and others retreated while fighting, drawing those small origin fantasy beasts aside! Chen

Ping followed Qin Jingyu to continuously attack the huge origin fantasy beast!

With a slap from the huge origin fantasy beast, a mountain ridge collapsed. David and the others were like ants in front of this huge fantasy beast!

The huge impact of this slap caused Qin Jingyu to fly backwards instantly!

David jumped up with all his strength, reaching mid-air, and then used the Nine Shadows Sword Technique!

I saw several identical Chen Pings appearing out of thin air in mid-air. The Dragon-Slaying Sword in his hand was swung out with all his strength, and then they gathered together to produce a dazzling sword light!

The sword light passed across the huge body of the original phantom beast, causing the phantom beast to groan involuntarily. Only a scar appeared on its body, and a lot of the metal origin was also dissipated at this moment!

David was overjoyed when he saw this. In this way, every time the original phantom beast is injured, the strength of the original phantom beast will be greatly reduced, and some of the metal origin of the body will be dissipated!

Qin Jingyu also discovered this, so he took a stone hammer and hit the head of the original fantasy beast with all his strength!

But at this moment, the aura of the origin phantom beast moved, and the metal origins around him swarmed in, directly healing the wounds on the origin phantom beast, and the aura became even stronger!

“this.....”

When Qin Jingyu saw it, he was immediately surprised. He tried to take back the stone hammer he swung, but it was already too late!

The original fantasy beast roared and slapped Qin Jingyu!

Qin Jingyu's bodyThe body, like a meteor, was directly shot away, and then the whole person was embedded in the mountain!

Qin Jingyu's body was unable to move in the mountain for a while!

This time, it depends on David's own ability to kill this original fantasy beast!

David looked at the huge origin fantasy beast and fell into deep thought!

It stands to reason that these origin phantom beasts are all condensed from the ownerless origin, and they should not have the intelligence of monster beasts, nor will they have independent consciousness!

As long as these original fantasy beasts are killed and the original aura dissipates, the original fantasy beasts will no longer exist!

But now this huge origin fantasy beast can actually use the origin in this mountain col to restore itself. This is simply too abnormal!

From this point of view, as long as this original fantasy beast cannot be killed at once, it can endlessly use its original breath to recover. Isn't this an invincible existence?

David believed that there must be something he had not discovered in this mountain col. The reason why this huge phantom beast could repair itself was

definitely not because the phantom beast itself was an act, because the phantom condensed by the source breath was It is impossible for a beast to have this kind of consciousness!

This should be something controlling the origin of the phantom beast. Now to destroy the origin of the phantom beast, it seems that we need to find this thing!

It is precisely because of this thing that the original aura in the mountain col can be condensed into a fantasy beast, but the original aura in other places cannot!

But this mountain col is extremely huge. If you want to know what is controlling this huge origin fantasy beast, it is simply harder than climbing to the sky!

David has no clue now!

Before David could think of a way, the huge origin fantasy beast had already launched an attack!

It can't wait for David to figure out a way to deal with itself!

I saw the palm of the original fantasy beast pressing towards David like a mountain!

David hurriedly used space magic, and he should have escaped from the palm of the original fantasy beast, and then began to escape towards the depths of the mountain col!

Chapter 3267

Upon seeing this, the huge origin fantasy beast went straight to chase David. When Ji Meiyuan saw David being chased by the huge origin fantasy beast, she immediately became anxious!

She didn't want to become a widow just after dedicating herself to David!

Ji Meiyuan jumped up with her sword and attacked the huge phantom beast. She planned to focus the phantom beast's attention on herself!

Ji Meiyuan slashed the original phantom beast with her sword, but it did not hurt the original phantom beast at all!

On the contrary, she herself was knocked away by the huge counter-shock force of the original fantasy beast!

Immediately afterwards, the original fantasy beast roared and slapped Ji Meiyuan with a palm! When

David, who had originally escaped, saw this, he arrived in an instant, pulled Ji Meiyuan and ran away, barely dodging the attack of the original fantasy beast!

“It’s too dangerous. What are you doing after me?”

David said to Ji Meiyuan!

“I’m not afraid that you are in danger, but I don’t want to become a widow!”

Ji Meiyuan said!

When he heard the word “widow”, David was stunned for a moment!

For Ji Meiyuan, he is more about a man’s nature. After all, he doesn’t know much about Ji Meiyuan and can’t talk about feelings!

Unexpectedly, Ji Meiyuan would have such thoughts!

Don’t they say that women in the world of gods and humans are open-minded and don’t mind anything between men and women?

“What are you doing standing still? Run quickly...”

Ji Meiyuan pushed David, who was stunned!

David came to his senses, pulled Ji Meiyuan and ran towards the depths of the mountain col!

Just when David and Ji Meiyuan were passing a mountain peak, they heard someone shouting for help!

David looked closely and found that it was Qin Jingyu. At this time, Qin Jingyu was embedded in the mountain and couldn’t get out at all!

“Ignore him, let’s go...”

Seeing this, Ji Meiyang pulled David and left, not caring about Qin Jingyu at all!

Even if Ji Meiyang hadn’t said anything, David wouldn’t have come to the rescue. He didn’t have any friendship with Juman Palace, so he wouldn’t have cared about Qin Jingyu!

The huge origin fantasy beast kept chasing David and Ji Meiyang.

When the two people fled to the deepest part of the mountain col, they found that it was a dead end. A huge mountain peak blocked the way, and on top of the mountain, there was a cave!

The original aura in the cave spewed out like a fountain. David opened the original space and felt several kinds of original aura, so he could really feel the richness of the original aura in the cave!

“It seems that the original aura in the mountain col condensed into a fantasy beast should be here!”

David said, and walked towards the cave!

Ji Meiyang didn’t understand what David meant, but she followed in!

Seeing David and Ji Meiyang walking into the cave, the huge origin fantasy beast became anxious, kept roaring, and followed them into the cave!

This time, David and Ji Meiyang were blocked in the hole and couldn’t get out!

Looking at the origin fantasy beast chasing after her, Ji Meiyang was a little puzzled and said, “Why are you taking me into the cave? It’s blocked now, and I can’t even run away.” “There must be treasures in this cave, as long as

we If you get this treasure, you can get rid of this original fantasy beast.”

David said to Ji Meiyang!

Ji Meiyang didn’t understand what David was talking about, but it was already like this and she could only continue heading deeper into the cave!

Soon, the two people arrived at the place where the huge origin fantasy beast lay!

This place is huge, and David and Ji Meiyang are as small as ants here!

And the original flavor here is even stronger.

“It’s here. The original fantasy beast in the mountain col outside was formed here and then ran out.”

David said!

“How did you know?” Ji Meiyang looked at David and asked!

After all, David is not from the Ji family, so how could he know the Ji family’s ancestral land so well!

“Guess!”

David smiled lightly!

Ji Meiyang couldn’t help but roll her eyes at David. This was all blocked here by the original fantasy beast, and she still had to guess her mood!

Chapter 3268

“The two of us will search separately to see if there is anything different here. I think there must be something in this area that condenses the original aura into a fantasy beast!” After David finished speaking, he jumped up

. . , looking towards the empty place in front of him!

Seeing this, Ji Meiyang also went in the other direction!

The origin fantasy beast roared, and then rushed towards David and Ji Meiyang!

It seems to prevent the two from searching!

“You go find him, I’ll hold this guy back...”

Upon seeing this, David said to Ji Meiyang!

“I don’t know what it is, how can I find it?”

Ji Meiyuan looked confused, she didn't even know what it was, how could she find it?

"Just look everywhere. There must be strange phenomena around that thing, and you will definitely be able to find it."

After David finished speaking, he held the dragon-slaying sword and directly followed the original fantasy beast to fight!

The indestructible golden body is activated, and with the blessing of the metal element, the light of the indestructible golden body becomes even brighter, and there are electric arcs flashing around it!

The metal element plus the thunder and lightning element, this is the best combination!

In order to hold back this original fantasy beast, David also mobilized all the power he could use!

It is simply impossible to kill this origin fantasy beast here. After all, the origin aura here is very full. As long as this origin fantasy beast is injured, a large amount of origin aura will immediately be added to repair the wound!

So here, this original fantasy beast is an immortal existence!

All David can do is to drag out as much of this original fantasy beast as possible and let Ji Meiyuan quickly find something to control this original fantasy beast!

David followed the original fantasy beast to fight, while Ji Meiyuan's face was full of anxiety and she kept looking for it!

Soon, she discovered that in the middle of this huge cave, there seemed to be a light shining unlike other places!

Ji Meiyuan hurriedly jumped down. When she got closer, she discovered that it was a stone the size of an egg that was emitting light!

And around this stone, there is aThe outlines of shadows are slowly solidifying!

Ji Meiyuan looked carefully and found that the outlines were actually the original fantasy beasts!

These original fantasy beasts are solidifying at a speed visible to the naked eye!

Seeing this, Ji Meiyuan knew that this was definitely what David was looking for!

These original fantasy beasts are also formed by condensing the original breath with this stone!

“I found it...”

Ji Meiyuan shouted loudly!

When David heard Ji Meiyuan’s shout, he turned his head and looked over!

But just when he was distracted and turned his head, the huge origin fantasy beast slapped him with a palm!

David couldn’t dodge and was shot straight away.

Even though David tried his best, he was still unable to do anything in the face of the huge original fantasy beast!

This guy is invincible and cannot be killed!

“David...”

Seeing this, Ji Meiyuan jumped up to save David!

“Don’t come over...”

David shouted in a hurry!

He has an indestructible golden body, so even if he is slapped by the original fantasy beast, he will be fine, but if Ji Meiyuan is slapped, it will be in danger!

But how could Ji Meiyuan listen to David? She was so anxious that she just wanted to save David!

But just when Ji Meiyuan jumped up, the original fantasy beast roared, and just blew out a breath, and knocked Ji Meiyuan away!

Ji Meiyuan’s body fell rapidly, and she fell heavily on the stone!

Ji Meiyuan spat out a mouthful of blood, and a large amount of blood flowed out of her body!

The blood infected the stone and was quickly absorbed by the stone!

Slowly, the light emitted by the stone turned red, and the original fantasy beasts that were about to condense all dissipated!

Ji Meiyuan's body slowly floated up, and the huge origin fantasy beast seemed to become a little frightened when looking at the stone emitting red light!
