### Chapter 3344

In a dense forest in Tianmo Mountain, five monks were resting under a tree several meters thick!

Among these five monks was Elder Fei, whose life was spared by David!

“Your Soulless Palace is such a fucking waste. You didn’t even catch a young monk in the Fusion Realm. You still have the nerve to find him.”

A young monk cursed at Elder Fei!

Elder Fei lowered his head and did not dare to breathe, because the young man in front of him was Zuo Xuan, the son of Zuo Tianzheng, leader of the Demon Sealing Alliance! Beside

Zuo Xuan is Elder Chu from the Demon Sealing Alliance who came with him.

The other two are the two helmsmen of the Demon Sealing Alliance in the southern region. For the safety of Zuo Xuan, they came to Tianmo Mountain together!

Zuo Xuan was tired of scolding, so he looked at Elder Chu beside him and said, “Uncle Chu, has David’s identity been investigated clearly? Show me...”

“

Sir, you better not worry about David’s matter. , the alliance leader has ordered the major divisions to hunt down David. I believe he won’t live long.” “

We’d better play in Tianmo Mountain for a few days, and then go back. It’s too dangerous here.”

Elder Chu knew that Tianmo Mountain The level of danger is high, so I plan to play with Zuo Xuan for a few days and then go back!

“Uncle Chu, I know you are worried about my safety, but don’t worry, I have now reached the fifth level of the Tribulation Realm, and my life will not be in danger in this Heavenly Demon Mountain.” “Besides, it’s not you and the

two The helmsman is following. No matter whether they encounter a demon cultivator or a monster, only they can escape.” “

You’d better show me David’s information, I’m very curious about this guy!”

Zuo Xuan was very curious. Said!

After hearing Elder Fei’s report, he became curious about David!

A Fusion Realm monk beat the Tribulation Transcendence Realm monks everywhere. There are really too few people like this who fight across realms!

So Zuo Xuan really wants to know who David is!

Seeing this, Elder Chu had no choice but to take out information jade slips, which record all the information they collected about David!

Zuo Xuan took the jade slip, and as a breath poured into the jade slip, David’s information instantly appeared in his mind!

After a while, Zuo Xuan returned the jade slip to Elder Chu and said, “Uncle Chu, why do you think this David, a monk in the Fusion Realm can defeat the Tribulation Realm?

” The second-grade elders joined forces and were defeated by David. He is just a small Fusion Realm monk. Isn’t this too outrageous?” Zuo Xuan didn’t understand why

David was like this!

“It’s not that it’s never happened to fight beyond a higher level. Many of Heaven’s proud men are able to fight beyond a higher level. There’s nothing strange about this. However, in addition to being able to fight beyond a higher level, this guy is also proficient in refining medicine. Even the disciples from the Soulless Palace The pharmacist can’t do anything to him, which is scary.”

We all know that the realm of pharmacists in the heaven and human world is generally not particularly high. This is because they spend all their time on refining medicine. All realms of strength It will be lower.”

“Besides, no pharmacist can achieve a certain level of achievement without practicing for a hundred or even hundreds of years, but this David is so young and has a level that can be called a medicine master. It is simply too strange!”

Elder Chu is also very curious about David!

“You put it like that, I can’t wait to meet this guy. I want to see who he is.” “Is it possible that

this guy is also a demon cultivator and uses magic skills to quickly improve his strength?”

Zuo Xuan analyzed. road!

“Sir, this guy is not a demon cultivator. If he were a demon cultivator, I should be able to feel it.”

At this time, Elder Fei, who had been scolded, spoke up!

“You feel like shit. A great monk of the sixth level of the Tribulation Realm can’t even catch the Fusion Realm. I really don’t know what my father does raising wastes like you.” “Uncle Chu, use the formation to deduce it. Let’s see what

David is doing. Tianmo Mountain?”

Zuo Xuan asked Elder Chu!

Chapter 3345

“Sir, the formation deduction consumes a lot of spiritual consciousness. If I encounter danger after the deduction, it will be difficult for me to resist.”

Elder Chu politely rejected Zuo Xuan!

Formation deduction is a type of formation that particularly consumes your spiritual consciousness. After the deduction is completed, you need to rest for a long time to recover!

But in this dangerous Demonic Mountain, if you engage in formation deduction, you will be in trouble if you encounter danger!

“Uncle Chu, you are too cautious. There are two helmsmen here, and I am now at the fifth level of Tribulation Realm. Even if I encounter danger, I can protect myself. You can deduce it immediately.” Although Zuo Xuan called Uncle

Chu, but the tone was very stern, and it obviously meant that it could not be refuted!

When Elder Chu saw this, he could only sigh softly, and then said to the two helmsmen, “You must take good care of the young master, and you must not make any mistakes...” “As

ordered...” The two helmsmen nodded!

Elder Chu found an open space, took out something similar to the Bagua Mirror and placed it on the ground. Then he drew patterns on the ground around the Bagua Mirror! The

pattern is more than an inch deep into the ground. It looks very messy and I don't even know what to draw!

Immediately afterwards, Elder Chu bit his finger and dropped a drop of blood on the Bagua Mirror!

Buzz...

The Bagua Mirror emits red light, and Elder Chu sits cross-legged, muttering something!

Soon, patterns began to appear faintly in the red light emitted by the Bagua Mirror!

As the pattern became clearer and clearer, figures like David suddenly appeared in it!

“Sir, this guy is David...”

Elder Fei pointed at David on the screen and said!

But Zuo Xuan's eyes were not on David, but on the three girls Huofeng, Cai Qiannan and Miao Miao in the team!

The three girls have outstanding looks and different figures, which made Zuo Xuan's eyes go straight!

When Elder Fei saw Zuo Xuan like that, he also shut his mouth!

“Sir, they have arrived at Tianmo Mountain...”

After Elder Chu finished speaking, he was about to stop casting spells!

After all, the longer the casting time, the greater the loss of his consciousness, and the longer it will take to recover!

“Uncle Chu, don't stop, I'm under observation...”

Zuo Xuan didn't let Elder Chu stop, his eyes were fixed on the three girls in the picture!

Zuo Xuan kept licking his lips, and the flame of desire began to rise in his heart!

Elder Chu didn't know that Zuo Xuan wanted to see women, so he gritted his teeth and persisted!

At this time, David and the others who walked into Tianmo Mountain did not know that they were being spied on!

But soon, David suddenly stopped and then looked up at the sky!

“Mr. Chen, what's wrong?” Cai Hongwei asked in confusion when he saw David stop!

“We seem to have been spied on.” David frowned and said!

“Who is it?”

Cai Hongwei looked around hurriedly, and others were instantly alert!

“Don’t be nervous. The other party is using formation deduction. I’m afraid they are far away from us now.”

David said!

“Array deduction? This kind of ancient formation spell consumes a lot of spiritual consciousness. Who is deducing us? There is nothing worthy of spying on us?” Mr. Miao asked doubtfully

!

“I don’t know, but since the other party is deducing us, it must be hostile. Everyone should be careful.” After

David finished speaking, he waved his palms suddenly!

A breath shot straight into the sky, and then the breath exploded with a roar.

Elder Chu, who was deducing the formation, suddenly spurted out a mouthful of blood at the same time as the aura exploded, and the picture on the Bagua Mirror disappeared instantly!

“Elder Chu, are you okay?”

Upon seeing this, the two helmsmen hurried forward to ask!

Elder Chu looked a little pale, shook his head and said, “I’m fine...”

Chapter 3346

When Elder Chu turned around and looked at Zuo Xuan, Zuo Xuan still had a look of unfinished content on his face!

He was very strange and didn’t understand what Zuo Xuan saw, it would be like this.

If he knew that Zuo Xuan made him persist just to see women, he would probably be furious!

“Sir, David is with the team, and there are many capable monks among them, so when it comes to capturing David, it is better to hand it over to the sub-

helm of the Demon Sealing Alliance, and you should not get involved at this time.”

Chu The elder persuaded Zuo Xuan!

“Uncle Chu, the more this happens, the more we have to take action personally. With the strength of sharing the helm, I’m afraid we won’t be able to win against David.”

Zuo Xuan insisted on taking action in person!

But Zuo Xuan at this moment is not just for catching David, but also for the three girls in the team!

In this extremely desolate Tianmo Mountain, with three girls accompanying you, Zuo Xuan will not feel lonely!

When he was at the headquarters of the Demon Sealing Alliance, in order to quickly improve his strength, Zuo Tian did not allow Zuo Xuan to play with women!

Now that he is out, no one can control him, so of course Zuo Xuan must enjoy it!

Elder Chu looked at Zuo Xuan with a look of helplessness on his face!

“You go immediately and summon all the disciples of the Demon-Sealing Alliance that you can gather.”

Elder Chu said to the two helmsmen!

“Follow your orders!” The two helmsmen went to gather men!

“And then, go and find all the people from the Soulless Palace that you can find. Demonic cultivators from the Demonic Mountain are rampant today, so there must be people from your Soulless Palace.” Elder Chu faced Elder Fei from the Soulless Palace

. commanded!

Now that Zuo Xuan has become more playful and always looking for something to do, Elder Chu had to order more people!

Zuo Tianzheng is such a precious son. If something happens, none of them will be able to survive!

After hearing this, Elder Fei could only nod his head and go find those people in the Soulless Palace alone!

“Sir, I need to recover, so let’s stay here for the time being and wait until they find people.”

Elder Chu said to Zuo Xuan!

“Okay, just listen to Uncle Chu.” Zuo Xuan nodded!

On the other side, David and the others continued to move towards the depths of Tianmo Mountain. Everyone was extra cautious because they knew someone was snooping!

“Why do I feel so eerie here?”

Cai Qiannan tightened her collar and said during the march!

“The evil spirit of the Demonic Mountain is very strong today. Your cultivation level is low and you have been shrouded in the evil spirit for a long time, so you feel gloomy. I have a pill here. You should feel better after taking it.” David took out a pill

. He handed the elixir to Cai Qiannan and said!

Cai Qiannan glanced at David, and then swallowed the pill without hesitation. Soon her body felt warm, and the frightening and gloomy feeling was gone!

“No wonder this Heavenly Demon Mountain is a holy land for demon cultivation. The yin and evil spirits in this place are very strong, so it is very suitable for demon cultivation.”

Mr. Miao said!

“Everyone uses spiritual energy to protect their hearts. If you are enveloped in these evil spirits for a long time, your body will have problems.”

David reminded everyone!

Everyone protected their hearts and continued moving forward. Along the way, they encountered the corpses of many monsters, and some monks died tragically!

Obviously, these monks first entered the Demonic Mountain and then encountered monsters, so they were exposed in the wilderness!

Here, no one wastes time over a corpse!

This is the cruel place of Tianmo Mountain. Everyone is struggling on the edge of death. They don't know when there will be danger, so no one will care about each other, but danger also comes with opportunities!

Just as everyone was marching, David suddenly stopped and shouted, "There is a demon cultivator..."

Upon hearing David's words, everyone immediately took an attacking stance!
