

The Ex-Husband's Revenge By Dragonsky

Chapter 2392

Chapter 2392

"Rodney, you reap what you sow! I shall have a piece of you for now!" Leon scoffed and landed a powerful kick on Rodney's Energy Sea Point.

"No!!!" Rodney screamed. His voice trailed off as he wailed; his power vanishing as his Energy Sea Point was destroyed.

Worried that Leon might end up killing Rodney, Arthur stepped forward. ' Mister Wolf, let's just spare Rodney's life for now! We can wait until after the Southern Boss is out of the picture."

Leon and the Thompsons were on the same boat and if Leon accidentally killed Rodney, the Southern Boss would seek revenge on both Leon and the Thompsons.

Though Leon had nothing to fear from the Southern Boss, the same could not be said about the Thompsons.

Out of consideration for the safety of other members, Arthur could not allow Leon to kill Rodney, as the Thompsons would be powerless if the Southern Boss decided to retaliate.

In conclusion, it was best for everyone to let it go for now.

"I understand." Leon nodded and let Rodney go.

"Come and take Joel and Rodney away!" Arthur waved his arm, intending to take the two back to the Thompsons' mansion and deal with Joel later on.

"Yes!" A few members of the Thompsons heeded his order and immediately grabbed Joel and Rodney.

With that, the series of events finally came to an end.

"Dad, this is over now! Mister Wolf was injured a couple of times before and we should head back, so he can rest," August said.

"Um, hang on!" Arthur mumbled thoughtfully, before approaching Leon.

In the next moment, he got down on his knees before Leon.

"Elder Thompson, what are you doing?" Shocked by his action, Leon immediately tried to help Arthur up.

However, Arthur was far more powerful than he was and he could not force him up no matter how hard he tried.

"Mister Wolf, thank you for this. You were the one who found Yonas' murderers. You even defeated the Southern Boss and the Demon Lord all by yourself! If you didn't do so, who knows what misfortune awaits US?" Arthur said earnestly.

"Elder Thompson, you are too kind. I merely did my duty," Leon said.

"No! Please let me finish! August and I fell for Rodney's trap and mistook you for the murderer. I even injured you and came close to killing you. I must apologize to you for that. Please forgive US," He then turned to August and roared, "August, come over here! Kneel and apologize to Mister Wolf!"

"Um, okay!" August hesitated for a moment, before approaching to kneel before Leon. 1
