

An Understated Dominance By Marina Vittori

Chapter 1540

The most important thing now is to find prince of wales and ask about the truth back then.

“Uncle Lorenzo, you just woke up, take a good rest first, and tell me if you need anything.”

Dustin helped Lorenzo lie down on the bed.

“Your Highness!”

Lorenzo suddenly grabbed Dustin’s arm and said solemnly: “What happened back then is in the past. Forget it. If you continue to investigate, you will only cause death. I believe that the princess is in heaven. I just hope you can live well!”

“Uncle Lorenzo, this matter is my heart knot and my sin. If I don’t investigate clearly, I will never be able to get over this hurdle in my life.” Dustin said.

“well.....”

Seeing the firm gaze of the person in front of him, Lorenzo just sighed and said nothing.

He knew in his heart that with Dustin’s stubborn character, once he decided something, he would not give up easily.

“Uncle Lorenzo, your mission now is to take good care of your health. You don’t have to worry about these trivial matters. I’m here for everything. Just rest.”

Dustin smiled comfortingly, then turned around and went out.

Lorenzo was safe and sound, and his anxious heart finally settled.

The biggest goal now is to find wales prince Owain Gwynedd who has retired to seclusion.

And to do this, only the one in the Forbidden City can help.

After walking out of the villa, Dustin dialed the mysterious number again.

Soon, a lazy female voice came over: "Hey, why are you calling again? Didn't I already give you the Ice Heart Lotus you asked for last time?"

"About Ice Heart Lotus, I have to say thank you."

Dustin said politely at first, then went straight to the point: "The main reason why I called you this time is to ask you about something."

"Stop, stop, stop..."

The woman quickly interrupted: "Logan Rhys, don't push yourself too hard. We agreed last time that I will only help you once and we will settle the matter. Are you going to go back on your word?"

"The previous favors are indeed settled, but if you are willing to help me this time, treat it as a favor that I owe you. If you have any difficult problems in the future, I will never refuse." Dustin said seriously.

"I am the master of all things in the palace, what can you do to help me?" the woman asked.

"Everyone will encounter difficulties. If you have multiple friends and multiple paths, consider it an investment. You should know the credibility of our Rhys Family." Dustin said.

"It sounds good." The woman hesitated for a moment and said, "Okay, you can tell me first. If it's not too much trouble, I can consider it."

"I want to ask you about prince of wales."

Dustin got straight to the point: "Ten years ago, prince of wales suddenly went into seclusion. I want to know where he went? Where is he hiding now?"

"prince wales? Why are you asking about him?" The woman was a little strange.

“The secret must not be leaked. If you know too much, it will be a trouble for you.” Dustin deliberately let it go.

“Forget it, I hate trouble the most.” The woman obviously lost interest.

“Is our deal completed?” Dustin asked tentatively.

“For your mother’s sake, I will help you again, but remember, this is the last time!” The woman said in a serious tone.

“No problem.” Dustin responded: “How long will it take to get the results?”

“I’ll give you an answer in three days. Just wait.” After finishing the words, the call was hung up.
