

# An Understated Dominance By Marina Vittori

## Chapter 1571

When all the dust has settled.

At the center of the explosion, a huge pit suddenly appeared.

The deep pit is about ten meters in diameter, like a dry pond, full of devastation.

On the edge of the pit, **Dustin** and **Mark Montgomery** looked at each other through the air.

The former had an expressionless face and cold eyes, still holding **Gary Montgomery's** head in his hand.

The latter's face was solemn, as if he was facing a powerful enemy.

The two of them just confronted each other, and neither of them made any rash move.

"No way? Faced with Lord War God's shocking blow, this kid actually blocked it?"

"Not only did it block it, but it didn't look like it was hurt."

"Oh my god! When did **Stonia** have such a talented person? He can actually compete with the God of war stone. Isn't it too exaggerated?"

Seeing that the two people were almost evenly matched, the senior officials of **Montgomery Palace** who were watching looked at each other in shock.

**Mark Montgomery's** power has long been deeply rooted in people's hearts.

Looking at the entire Dragonmarsh Kingdom, there are only a handful of people who can compare with it, and each one of them is an absolute genius.

For example, the twin stars of the **Spanner Family**, **Han Feiyang** of the World Meeting, and **Tyler Juding** of the Sword Sect.

Other than that, no one can surpass him.

However, today, no one expected that an unknown person who came out of nowhere could be as equal as **Mark Montgomery**.

It's really scary.

"who are you?"

**Mark Montgomery** spoke in a deep voice, with no trace of contempt in her eyes.

The punch he had just given **Todoroki** made him secretly frightened.

He knew that **Dustin's** strength was not inferior to his.

The question is, why is a small character with little reputation so powerful?

Or is it that the other party has hidden his identity? Is he a top genius carefully cultivated by a certain big force?

"You will naturally know who I am in the future, but today, I am not in the mood to play with you."

**Dustin** said a word coldly, then turned and left.

The head in his hand was still bleeding.

**Mark Montgomery** occupies a high position and holds great power, and her strength is infinitely close to that of the Grand Master.

Although he is not afraid, if he kills the opponent here, there will be endless troubles.

**Montgomery Palace** can kill **Gary Montgomery**, but it will never tolerate **Mark Montgomery** being killed.

Moreover, with **Mark Montgomery**'s status as the God of War, the officials would not give up.

By then, the entire **Stonia** will be shaken.

Therefore, he did not want to get entangled with **Mark Montgomery**, of course, provided that the other party was sensible.

If he really wants to fight to the death, he will never show mercy.

"Um?"

Seeing **Dustin**'s leaving figure, **Mark Montgomery** frowned slightly and tightened her fists, but finally gave up her plan to attack.

The strength of the two should be between equals. If they fight against each other, the final result is likely to be a loss for both sides.

It's really not worth taking such a risk for a dead chess piece.

Therefore, he will not act rashly until he is sure of victory.

"Lord God of War, are you just going to let him go?" A bald man came forward and asked softly.

"What are you going to say?" **Mark Montgomery** glanced coldly.

"This kid dared to run wild in **Yumian Villa** and even killed people from our **Montgomery Palace**. If we don't eradicate him today, it will be hard to vent his hatred!" the bald man said angrily.

"That makes sense."

**Mark Montgomery** nodded: "Okay, I will give you a chance to show off now. You go and kill him. I will definitely give you a heavy reward afterwards."

"Ah? Shall I go?"

Hearing this, the bald man's face froze and he waved his hands repeatedly: "S-Sir... I am just a civil servant. I have no power to tie a chicken. I don't know anything about fighting or killing."

"Since you don't understand, then what nonsense are you talking about here? Get away from me!"

## Chapter 1572

When **Mark Montgomery** glared, the bald man was so frightened that he trembled all over and immediately apologized and left.

Originally I just wanted to make my presence felt, but unexpectedly it made **Mark Montgomery** angry. It was really not worth the gain.

"Somebody come!"

At this time, **Mark Montgomery** waved, and two personal guards immediately ran over and asked, "What are your orders, sir?"

"Use all resources to investigate this person named **Dustin** immediately. I want to know all the details about him!" **Mark Montgomery** said in a deep voice.

"Take orders!"

The two guards responded and left quickly.

"If you dare to act wild on my territory, I want to see who you are!" **Mark Montgomery** murmured to himself with a cold face.

Know yourself and the enemy, and you can fight a hundred battles without danger.

As long as he knows the details of his opponent, he will naturally have a way to deal with him.

...

**Dustin** held **Gary Montgomery's** head and walked out of Jade Face Villa openly and honestly.

He knew that such behavior would bring him a lot of trouble, but he couldn't care about it anymore.

He must use **Gary Montgomery's** death to pay homage to **Hazel's** spirit in heaven.

And not only **Gary Montgomery**, but everyone involved in this matter will have to pay the price.

After wrapping his head in cloth, **Dustin** drove the car and headed to the **Lancaster Manor** again.

At this moment, it's dusk.

Outside the **Lancaster Family** manor, white flags were hung.

**Hazel's** death caused a huge sensation in the **Lancaster Family**, partly because of his identity, and partly because of his interests.

Jade Dew Ointment has become a hot commodity, with a steady stream of business. As one of the major shareholders, **Hazel** is undoubtedly a cash cow making money every day.

Now that the money tree suddenly dies, it is a huge blow to the entire **Lancaster Family**.

The original dream of becoming a wealthy family has now become elusive.

At this moment, in the mourning hall.

A coffin was placed in the middle, facing the door.

In the coffin, **Hazel** lay with a peaceful expression, as if she was asleep.

**Waylon Lancaster** was lying next to the coffin, crying so hard that all his tears had dried up.

The other members of the **Lancaster Family** who were present also looked sad and sighed.

The person who was fine yesterday suddenly disappeared today.

It's really hard to accept.

"**Brother Waylon**, people cannot be resurrected after death, so please bear with me and accept the change."

"Yes, **Brother Waylon**, take good care of yourself. Our **Lancaster Family** still needs you to support us."

"..."

Everyone in the **Lancaster Family** who came to express their condolences began to comfort **Waylon Lancaster** after paying homage to his body.

**Waylon Lancaster** just nodded lightly without any intention to speak.

When I think about my grief, tears will flow down uncontrollably.

"Hey! White flags are hung all over the house? Who is dead?"

At this time, a mean voice suddenly sounded at the door.

Immediately afterwards, two women came in with a group of people.

It was **Isabela** and **Victoria Sterling**!

"What are you doing here?!"

Seeing the two of them, **Waylon Lancaster** couldn't help but darken his face.

"**Patriarch Lancaster**, seeing you crying so sadly, could it be that your daughter is dead?" **Victoria Sterling** said angrily.

"Don't say it, it's true."

**Isabela** walked to the coffin and took a look, and couldn't help but sneered: "It's really a beauty's fate. She is so beautiful, but she is short-lived. What a pity."

As soon as these words came out, the eyes of everyone in the mourning hall swept over.

## Chapter 1573

"What did you say?!"

Listening to the strange words of the two people, **Waylon Lancaster**, who originally thought he was grieving, suddenly became furious.

Seeing that the situation was not going well, the two men around him immediately grabbed him and whispered:

"**Brother Waylon**, these two are both rich and powerful daughters. You must not act recklessly. You can tolerate it as much as you can."

"Yes, yes, if something happens to them here, our whole family will suffer."

After hearing these words, **Waylon Lancaster** took a deep breath and finally endured it.

"**Patriarch Lancaster**, don't be so excited. Being careful can cause serious harm to your health."

**Isabela** curled up the corners of her mouth, which was true at all.

Today she came well prepared, so she was naturally not afraid of the little **Lancaster Family**.

"What on earth are you going to do? My daughter is already dead, are you still planning to watch the joke?!" **Waylon Lancaster** shouted.

"Hey, hey, hey... **Patriarch Lancaster**, don't talk nonsense. We and **Hazel** love each other as sisters. She died, and we are also very sad." **Isabela** said hypocritically.

"Yes, when we heard the news of **Hazel's** death, we immediately rushed over to express our condolences, which is enough to prove our sincerity." **Victoria Sterling** echoed.

“The condolences are over now, you can leave.” **Waylon Lancaster** directly issued an eviction order.

“**Patriarch Lancaster**, don’t worry. We are here to commemorate **Hazel** on the one hand, and on the other hand, we also intend to make a deal with your **Lancaster Family**.” **Isabela** said with a half-smile.

“We are in the middle of a funeral now and are not in the mood to make a deal. Please come back!” **Waylon Lancaster** said with a cold face, showing no dignity at all.

His daughter is dead, so he has nothing to fear.

“**Patriarch Lancaster**, you’d better listen to our conditions before making a decision, otherwise, you will definitely regret it.” **Isabela** held her head high.

“I don’t care what your conditions are, even if it’s a huge business, our **Lancaster Family** doesn’t care about it!” **Waylon Lancaster** said solemnly.

My daughter’s body was not yet cold, and after being angry with her, these people came to discuss business in the mourning hall.

He simply didn’t take the **Lancaster Family** seriously.

“**Patriarch Lancaster**, it concerns the safety of your entire **Lancaster Family**, are you sure you don’t want to consider it?” **Isabela**’s face turned cold.

“What did you say?” **Waylon Lancaster**’s expression changed.

“Your **Lancaster Family** has offended **Montgomery Palace**, don’t you know that?” **Isabela** said calmly.

“What do you mean by this?” **Waylon Lancaster** frowned deeply.

He naturally understood that his daughter’s death was all because of **Gary Montgomery**.

But the other party’s background is too deep, and he doesn’t even have the courage to take revenge.

Because he is not only a person, but also the entire family to consider. Once he does something drastic, it will only destroy the **Lancaster Family**.

“**Patriarch Lancaster**, with the energy of **Prince Eugene Montgomery’s** Palace, it will be very easy to bring down your **Lancaster Family**. I believe you know this very well.”

**Isabela** began to hammer away: “The most important thing is that your daughter, together with **Dustin**, offended **Prince Eugene Montgomery’s** adopted son, **Gary Montgomery**. If this grudge is not resolved in time, not only will your daughter die, but your entire family will also die. Disaster!”

As soon as these words came out, the whole place was in an uproar.

**Hazel** died mysteriously, and many people had suspicions, but they were never sure.

Now after hearing **Isabela’s** words, they suddenly realized that **Hazel’s** death was due to offending **Gary Montgomery**.

No wonder **Waylon Lancaster** has been holding back, not even daring to say a word of revenge.

“It’s bad, it’s bad! I heard that **Gary Montgomery** will retaliate and his methods are cruel. If we really want to take revenge, wouldn’t we be doomed?”

## Chapter 1574

“How could this happen? Why would the **Lancaster Family** provoke people from **Montgomery Palace**?”

Everyone in the **Lancaster Family** was talking and panicking.

The **Lancaster Family** is just a second-rate family, how can it compete with such a behemoth as **Montgomery Palace**?

It is no exaggeration to say that as long as **Montgomery Palace** is willing, the **Lancaster Family** can be wiped out overnight!

“What do you want?!” **Waylon Lancaster’s** face looked a little ugly.

Although I don’t want to admit it, the **Lancaster Family** is indeed not out of danger yet.

Because the conditions they promised to **Gary Montgomery** were not fulfilled, even if their daughter was sacrificed, it would still be of no avail.

“**Patriarch Lancaster**, don’t be nervous, we are here to help you get through this difficult time.” **Isabela** said with a smile.

“That’s right, we have a deep friendship with **Montgomery Palace**. As long as we intercede, your **Lancaster Family** will definitely have peace of mind.” Old God **Victoria Sterling** said calmly.

With her relationship with **Dahlia**, it only takes one sentence to solve the **Lancaster Family**’s difficulties.

“You and I are neither relatives nor friends, why do you want to help us?” **Waylon Lancaster** asked in a deep voice.

There is no such thing as a free lunch, so he naturally doesn’t believe that these two people have such bodhisattva-like hearts.

“This brings us back to the deal I just mentioned to you.”

**Isabela** smiled and said: “**Jade Dew Ointment** is produced by your **Lancaster Family**. I believe that you have the formula and relevant pharmaceutical personnel in your hands. My request is very simple. As long as you give these things to me, I will ensure that your **Lancaster Family** has no worries.” ,How about it?”

“You’re dreaming!”

Hearing this, **Waylon Lancaster** refused: “**Jade Dew Ointment** is my daughter’s hard work, and it is the key to the development and growth of our **Lancaster Family**. You want to take it away with just a few words. You are simply greedy!”

“**Patriarch Lancaster**, **Jade Dew Ointment** is indeed extremely valuable, but compared to the lives of your entire **Lancaster Family**, it is not worth mentioning.”

**Isabela** continued to hammer and said: “If you think about it carefully, is the **Jade Dew Ointment** more important, or the lives of dozens of members of your **Lancaster Family**?”

As soon as these words came out, **Waylon Lancaster** was instantly speechless.

Yes, even though Jade Dew Ointment is very precious, it is nothing compared to the safety of the family.

If even the **Lancaster Family** is wiped out, then what's the use of this **Jade Dew Ointment** formula?

The truth is so true, but he is not willing to accept it!

It's really frustrating to have the relics left behind by my daughter and the hope for the family's rise to be handed over to others like this.

"**Patriarch Lancaster**, you should be grateful for the lives of all of you **Lancaster Family** members for using a mere formula of jade dew ointment. You know, others haven't had this opportunity yet!" **Victoria Sterling** said condescendingly.

"**Brother Waylon**, why don't you agree to them? Life is the most important thing."

"Yes, **Brother Waylon**, if the money is gone, you can make it again. If the people are gone, there is nothing."

At this moment, many members of the **Lancaster Family** began to persuade.

They were really afraid of offending **Montgomery Palace** and suffering disaster.

"**Patriarch Lancaster**, I will give you three minutes to think about it. If you don't agree after three minutes, you will be responsible for the consequences!"

**Isabela** became impatient and gave the final notice.

In her eyes, the **Lancaster Family** has no way out, and she can do whatever she wants.

"No need to think about it. Don't even think about the formula of Jade Dew Ointment. Now, get out of here as far as you can!"

At this time, a cold voice suddenly sounded at the door.

Immediately afterwards, **Dustin** walked in quickly, carrying his head wrapped in cloth.

## Chapter 1575

“**Dustin?** Why are you here?”

When she saw the person coming, **Isabela** couldn't help but frown, and her face immediately turned cold.

Previous experiences have made the two incompatible.

“**Dustin!** Why are you everywhere? What a bad luck!” **Victoria Sterling** looked disgusted.

When she visited **Lancaster's Medicine** before, not only did she not get any advantage, but she was also punished, which made her always hold a grudge.

“If you two are here because of the formula of Jade Dew Ointment, then I advise you to give up.” **Dustin** said coldly.

“Hmph! What are we going to do? It's none of your business? You should think more about yourself!” **Isabela** had a stern face.

“That's right! You're already in danger, and you still dare to meddle in others' affairs. Do you think you won't die soon enough?” **Victoria Sterling** shouted with eyes wide open.

They knew in their hearts that **Hazel's** death must be related to **Gary Montgomery**, so they came to take advantage of it.

As for **Dustin**, he is just a fish that slipped through the net. Once **Gary Montgomery's** people find him, he will definitely die without a complete body.

So now, they don't take each other seriously at all.

“The formula of Jade Dew Ointment is the result of the joint efforts of **Miss Lancaster** and I. If anyone dares to take it by force, I will never be polite!” **Dustin** warned.

“What? Scaring us?”

**Victoria Sterling** curled her lips with disdain on her face: “You are just a little martial artist, what’s so big about you? Do you really think you can compete with us? Stop dreaming!”

“**Dustin**, I advise you not to meddle in other people’s business, otherwise **Hazel**’s today will be your tomorrow!” **Isabela** said sternly.

“So, **Hazel**’s death is related to you?”

**Dustin**’s face darkened, and his eyes instantly became murderous.

“Hey! Don’t talk nonsense, we didn’t do anything!”

**Victoria Sterling** was inexplicably panicked and quickly denied it.

“**Dustin**, don’t blame me for not giving you a chance. Get out of here right now. I’ll just pretend that nothing happened. If you insist on messing around, then I’ll have to call **Gary Montgomery**.”

**Isabela** suddenly took out her mobile phone and sneered: “To tell you the truth, **Gary Montgomery** is offering a high price for your head. If he finds him, your ten lives will not be enough to kill him!”

Last time, it was because the little demon girl threatened with poison that **Gary Montgomery**’s people were temporarily given up.

Now that the situation has changed, **Gary Montgomery**’s revenge will follow.

“You can try and see if **Gary Montgomery** will respond to you.” **Dustin** said indifferently.

“**Dustin**, are you really not afraid of death?” **Isabela**’s eyes were unkind.

“Of course I’m afraid of death, but I’m afraid you don’t have the ability.” **Dustin** said.

“**Isabela**, this guy is too crazy, call **Mr. Montgomery** quickly and let him have a taste of his power!” **Victoria Sterling** couldn’t help it.

She was just a martial artist, but she didn’t believe that the other party could compete with **Montgomery Palace**.

“Arrogant and ignorant! I will definitely make you regret it!”

**Isabela** had a sullen face and immediately started making calls.

“**Miss Torby**, wait!”

When Fourth **Uncle Lancaster** saw it, he immediately panicked and quickly stopped him: “We have something to talk about, there is no need to make such an unpleasant scene.”

“Yes, yes. If we have something to sit down and talk about slowly, why would we alarm the people in **Montgomery Palace**?” Many members of the **Lancaster Family** began to smooth things over.

They don’t care about **Dustin**’s life or death, but they have to consider the safety of the **Lancaster Family**.

**Gary Montgomery** is ruthless and cunning, and will retaliate. Once he appears here, the entire **Lancaster Family** will be in danger.

**Hazel**’s death is the best example.

## Chapter 1576

So, they are afraid.

Hearing the **Lancaster Family**’s pleading, **Isabela**’s expression softened, and she said calmly: “I can give you face by not making this call, and I can even help your **Lancaster Family** resolve the disaster, but again, you must hand over The recipe for Jade Dew Ointment.”

“No problem, no problem, we are willing to hand over the formula.”  
Fourth **Uncle Lancaster** nodded repeatedly.

The **Lancaster Family**’s life is pretty good now, and there is no need to risk the whole family just for a recipe.

“**Patriarch Lancaster**, what do you mean?”

**Isabela** turned her eyes and looked at **Waylon Lancaster** again.

**Waylon Lancaster** gritted his teeth, hesitated again and again, and finally nodded.

The **Torby Family** and the **Sterling family** obviously came prepared, and with **Montgomery Palace** eyeing them, the **Lancaster Family** had no choice.

The common man is not guilty, but he is guilty of carrying the jade.

I never thought that such an example would happen to me one day.

“Very good. Those who understand current affairs are heroes. You have made a very correct decision.” **Isabela** smiled with satisfaction.

“Why are you still standing there? Get the formula out quickly.” **Victoria Sterling** urged.

“Yes Yes Yes.....”

Fourth **Uncle Lancaster** nodded repeatedly, then supported **Waylon Lancaster** and prepared to leave.

“Wait!”

At this time, **Dustin** spoke again: “The formula is the hard work of **Hazel** and I, we cannot leave it to them.”

“Hey! Is that enough? Don’t be so selfish. You are not afraid of death, but please don’t bring trouble to the **Lancaster Family**.” **Isabela** began to sow discord.

“**Mr. Dustin**, just be okay and let us go? We really can’t afford to offend these people. Only by handing over our things can we protect ourselves wisely. Please, don’t hurt us again!” Fourth **Uncle Lancaster** clasped his hands together and bowed repeatedly.

“**Dustin**, my daughter is dead. I don’t want more people from the **Lancaster Family** to die in vain. Please get out of the way!” **Waylon Lancaster** spoke in a hoarse voice.

“**Uncle Lancaster**, this matter happened because of me. I will handle it thoroughly. I promise that nothing will happen to your **Lancaster Family**.” **Dustin** looked solemn.

“ensure?”

Hearing this, **Waylon Lancaster** suddenly smiled, with a bit of sadness in his smile: “**Dustin, Dustin**, what guarantee do you have? You have no power, how can you fight with these wealthy families? Please stop being so self-righteous. , you have already killed my daughter, are you going to kill my whole family now?!”

The last sentence was completely shouted.

**Dustin** pursed his lips and said with a guilty look on his face: “I am to blame for **Hazel**’s death. I will do my best to make up for it and ensure that you have a worry-free life. This is my promise.”

“I don’t need your promise or compensation. I just ask you to stay away from us and stop harming us!” **Waylon Lancaster** roared.

“Your **Rhys**! Did you hear that? The **Lancaster Family** doesn’t welcome you, so get out of here, otherwise don’t blame us for being rude!” **Victoria Sterling** said fiercely.

“You’re welcome?”

**Dustin** turned around and said coldly: “What, you still dare to attack me?”

“So what if we do it? We came prepared today!”

**Victoria Sterling** said and suddenly made a gesture.

Soon, a group of thugs standing outside the door swarmed in and surrounded **Dustin**.

Everyone is watching eagerly, ready to make a move.

“**Dustin**, I know you have some abilities, but these people are all masters carefully selected by us. I don’t believe you can still defeat them with just a few!”

**Victoria Sterling** held her head high, looking aggressive.

Without that little witch, what is a mere warrior?

"A bunch of people like this still dare to call themselves masters? I really don't know where you got the courage."

**Dustin** glanced left and right, his expression still cold.

"arrogant!"

"Be bold!"

As soon as these words came out, the thugs started to rebuke angrily, appearing to be particularly dissatisfied.

A young boy who dared to look down on them was a fool of himself.

"Hmph! Shameless!"

**Victoria Sterling** snorted coldly and gave the order directly: "Come here! Blow him out!"

"yes!"

Hearing this, the thugs drew their swords one after another and immediately pounced on him.

"roll!"

**Dustin** stepped forward suddenly.

A powerful burst of true energy suddenly burst out.

"boom-!"

As if hit by a car, dozens of thugs were thrown several meters away and fell heavily outside the mourning hall.

One by one, they vomited blood and wailed so loudly that they couldn't even stand up.

"ah?!"

Seeing this scene, everyone was shocked.

The **Lancaster Family** was stunned, as were **Isabela** and **Victoria Sterling**.

No one expected that **Dustin** was so strong, and he knocked away more than a dozen masters in just one encounter.

too exaggerated!

"How...how is it possible?!"

**Isabela** and **Victoria Sterling** looked at each other, dumbfounded and in complete disbelief.

Just in case, when they came to the door this time, they paid a lot of money to hire a group of powerful warriors as thugs.

I thought that these warriors could work together to suppress **Dustin**.

Unexpectedly, he was defeated in one move, which was really unprepared.

How could this guy **Dustin** be so powerful?

"Now, do you still want to take action?"

**Dustin** took two steps forward. **Victoria Sterling** was so frightened that he backed away repeatedly. His face turned pale and he said in a trembling voice: "You, you, you... don't come over! I am the eldest lady of the **Sterling family**. If you dare to touch me, A hair, the **Sterling family** will never let you go!"

"Yeah?"

**Dustin** snorted coldly, raised his hand and slapped **Victoria Sterling** hard on the face, saying coldly: "I'm moving now, what can you **Sterling family** do?"

"Do you dare to hit me?"

**Victoria Sterling** covered her burning face and said angrily: "You are dead! **Dustin!** I will make you pay the price!"

"cost?"

**Dustin** raised his hand and slapped **Victoria Sterling** again, making **Victoria Sterling** dizzy, and then said: "I want to see what the price is."

"you you....."

**Victoria Sterling's** face was red and swollen, and she was gritting her teeth with hatred.

If she couldn't beat him, she would have to tear **Dustin** into pieces!

"**Dustin!** That's enough!"

At this time, **Isabela** finally couldn't stand it anymore and shouted sternly: "If you dare to mess around again, don't blame me for being rude!"

"You're welcome?"

**Dustin** sneered, slapped **Isabela** on the face, and asked, "Why are you going to be so rude?"

"Snapped!"

The slap was so hard that **Isabela** staggered and almost fell down.

For a while, there was blood coming from the mouth and nose, and his hair was scattered, making him look very embarrassed.

"You... how dare you hit me?"

**Isabela's** eyes widened and she couldn't believe it.

"What's wrong with hitting you? I can hit you if I want, what can you do to me?" **Dustin** spoke domineeringly.

At this moment, he no longer planned to hold back.

Whether it is the **Sterling family** or the **Torby Family**, as long as it is related to **Hazel's** death, everyone will have to pay the price.

## Chapter 1578

**"Dustin!** You are seeking death!"

**Isabela** threatened with a ferocious look: "I order you now to kneel down in front of me and kowtow to apologize. Otherwise, I will call **Gary Montgomery** and ask him to deal with you personally!"

As soon as these words came out, everyone in the **Lancaster Family** immediately panicked.

**"Dustin, Dustin!** You are in big trouble this time! These two are the daughters of a wealthy family. If you dare to hit them, you are pulling a tooth from the tiger's mouth!"

"Why are you still standing there? Kowtow quickly and apologize! Otherwise, once **Gary Montgomery's** soldiers and horses kill you, you will be dead!"

"You just want to die, why do you want to involve us? Our **Lancaster Family** has suffered miserably from you!"

Looking at the panicked faces, **Isabela** and **Victoria Sterling** became arrogant and high-spirited again.

So what if you can fight? Could it still be possible to defeat **Prince Eugene Montgomery's** army?

As soon as **Gary Montgomery** arrives, even if **Dustin** has extraordinary abilities, he will only be waiting to be killed.

"How's it going? Are you scared? Kneel down if you're scared!" **Isabela** shouted sternly.

"Afraid?"

**Dustin** looked like an idiot: "Why don't you try first to see if you can get through on your phone?"

"You think I'm scaring you? Okay! Don't regret it!"

**Isabela** stopped talking nonsense, immediately took out her mobile phone and dialed **Gary Montgomery's** number.

As a result, I called several times in a row and never got through.

After changing **Victoria Sterling's** mobile phone, the result was still the same.

"What? Can't get through? Do you want to try using my mobile phone?" **Dustin** sneered.

"You...don't be too proud! **Gary Montgomery** is busy now and has no time to answer the phone. I have already sent him a message. He will arrive soon. By then, it will be your death.!" **Isabela** shouted with a fierce expression.

"No need to wait, **Gary Montgomery** is already here." **Dustin** said.

"Are you here? Where are you?"

Hearing this, **Isabela** and **Victoria Sterling** looked around and began to search.

"Here, here it is."

**Dustin** gently raised his hand and threw the head he was holding at the feet of the two of them.

The head was wrapped in cloth. After landing on the ground, it rolled a few times and just broke free.

Ever since, a bloody head was clearly displayed in front of everyone.

What a coincidence, **Gary Montgomery's** face was facing **Isabela** and **Victoria Sterling**.

A pair of dead fish eyes, looking up, staring at the two women with big eyes and small eyes.

They looked at each other and were speechless.

"ah?!"

When they saw the severed head, the two women were shocked at first.

However, when they confirmed the identity of the severed head, they felt as if they had been struck by lightning and stood stunned on the spot.

A pair of eyes were as wide as copper bells, and their faces were full of fear.

"How...how is it possible?"

"**Gary Montgomery**... is actually dead?"

**Isabela** and **Victoria Sterling** were stunned and couldn't believe the scene in front of them.

Why did a person who was fine in the morning suddenly die?

Who did it?

Who dares to kill **Prince Eugene Montgomery's** adopted son?

"Don't you want to call? Come on, talk to him directly."

**Dustin** stepped forward and kicked **Gary Montgomery** in the head.

"It's...is it you?" **Isabela** quickly reacted: "Did you kill **Gary Montgomery**?"

"Yes, it's me."

**Dustin** said very calmly: "**Gary Montgomery** has done many evil things and killed **Hazel**. I wish I could kill him a thousand times!"

"You, you, you...are you crazy? How dare you kill **Gary Montgomery**? He is **Prince Eugene Montgomery's** adopted son!" **Isabela** looked panicked.

"Don't say he is an adopted son, even if he is **Prince Eugene Montgomery's** biological son, he deserves to die!" **Dustin** said coldly.

"Madman! You madman! You are making an enemy of the entire **Montgomery Palace!**" **Isabela** shouted uncontrollably.

Even though she was well-informed, she was now frightened.

Because **Dustin** doesn't play by common sense at all, he has no scruples at all and can do anything.

This guy is a typical lunatic!

## Chapter 1579

"**Dustin!** You are really dead now!"

"By killing **Prince Eugene Montgomery's** adopted son, you are provoking **Montgomery Palace**. No matter how big the Dragonmarsh Kingdom is, there will be no place for you!"

At this moment, **Victoria Sterling** also roared.

She has always regarded **Montgomery Palace** as her backer, so she went out of her way to please people like **Dahlia** and **Gary Montgomery**.

I thought that with the support of these people, she could be domineering.

However, she never dreamed that this guy **Dustin** would actually kill her patron.

This is no longer described as audacious, but completely crazy.

"Dead...dead? **Gary Montgomery** is actually dead?"

"**Dustin, Dustin!** Do you know what you did? This time we were really hurt by you!"

After a brief period of shock, everyone in the **Lancaster Family** howled.

Once **Gary Montgomery** dies, things will get into a big mess. Once the **Montgomery Palace** investigates him, the entire **Lancaster Family** will suffer disaster!

“Everyone is responsible for what he does. I killed **Gary Montgomery** with my own hands. I will bear all the consequences.” **Dustin** said calmly.

“Bear it? Can you afford it?”

Fourth **Uncle Lancaster** shouted angrily: “That is the royal family of **Stonia**, a being that covers the sky with one hand. Why do you contend with such a behemoth? You just want to die, why do you want to involve us? You, you, you... ..You are such a disaster!”

“That’s right! Our **Lancaster Family** just wants to put an end to the trouble. Now you have killed **Gary Montgomery** and brought his head to the **Lancaster Family**. You are pushing us into the fire pit. What are you thinking about?!” Everyone They all denounced angrily.

**Gary Montgomery** and the **Lancaster Family** already had some grudges. If **Dustin** didn’t mention it today, they would still have room for explanation.

Now, even if you jump into the Yellow River, you won’t be able to wash yourself away.

“**Dustin!** You are already in great danger. If you don’t want to implicate innocent people, come back to **Montgomery Palace** immediately with us to plead guilty!” **Isabela** shouted sternly.

Although **Gary Montgomery**’s death had nothing to do with her, it would be a great achievement if **Dustin** could be tied to **Montgomery Palace**.

“**Mr. Dustin!** You just said that one person is responsible for the work. I am ordering you to arrest him immediately!” **Victoria Sterling** shouted.

A stinky loser who dares to kill top dignitaries is really asking for his own destruction.

“It seems you haven’t figured out the situation yet.”

**Dustin** said indifferently: “I did kill **Gary Montgomery**, but that doesn’t mean that I will choose to apologize for his death.”

“Aren’t you afraid of the revenge of **Montgomery Palace**?” **Isabela** asked.

“What do you think?” **Dustin** asked.

One sentence made **Isabela** and the two speechless.

Yes, if the other party was afraid of revenge, how could he kill **Gary Montgomery**.

The guy in front of me is a complete lunatic.

“Also, there is one more thing.”

**Dustin** said with an indifferent expression: “You two are colluding with **Gary Montgomery**, and you are not a good person. You must bear part of the responsibility for **Hazel**’s death.

I now give you two choices: first, kneel in front of **Hazel**’s mourning hall for three days, confess your sins, and then donate half of your family property to compensate for the losses of the **Lancaster Family**...”

Before she finished speaking, **Isabela** refused: “You’re dreaming! Is **Hazel**’s life or death none of our business? Stop messing around here!”

“That’s right! Not to mention donating half of the family property, even if you ask me to burn a stick of incense or kowtow, it’s impossible!” **Victoria Sterling** shouted with eyes wide.

How could a b\*tch from a second-rate family afford her kneeling down?

“If you don’t agree, then there is only the second option.”

## **Chapter 1580**

**Dustin** said expressionlessly: “I will use all my means and connections to completely destroy your **Torby Family** and **Sterling family**!”

“The family is ruined? What a joke!”

Hearing this, **Isabela** sneered: “**Dustin, Dustin**, who do you think you are? You’re just a barefoot doctor. How can you dare to challenge the two giants?”

“That’s right! You are already in trouble, and you still dare to threaten us? To tell you the truth, I have just secretly informed the people of **Montgomery Palace**. When the soldiers and horses of **Montgomery Palace** arrive, you will not be able to escape!” **Victoria Sterling!** shouted.

In their eyes, **Dustin** was already a dead man, and now he was just lingering on.

“I have given you a chance, but you don’t cherish it. In this case, don’t blame me for being cruel.”

After **Dustin** finished speaking, he immediately took out his mobile phone and sent several text messages.

All the connections in **Stonia** were basically used.

He would make the **Sterling family** and **Torby Family** pay a heavy price.

“Pretentious!”

**Isabela** snorted coldly: “You think you can scare us by sending a few messages? How ridiculous! I have never seen any big winds or waves, so why should I be afraid of your little threat?”

“If you don’t believe in evil, then we will wait and see.” **Dustin** did not explain much.

Talking a thousand words and ten thousand words are not as effective as actual actions.

“Okay! I want to see who is unlucky today!” **Isabela** was not afraid at all.

“**Dustin!** If you have the guts, don’t run away. The troops from **Prince Eugene Montgomery’s** Palace will be here soon. Let me see if you dare to be so arrogant!” **Victoria Sterling** said sternly.

As soon as he finished speaking, a heavily armed convoy suddenly broke into the **Lancaster Family** manor.

This convoy is all military jeeps, full of people, all loaded with guns and ammunition, and full of murderous atmosphere.

On the vehicle at the front, there is also a big yellow flag with a word embroidered on it – **Montgomery!**

“It’s coming, it’s coming! **Prince Eugene Montgomery**’s troops have finally arrived!”

Seeing this scene, **Victoria Sterling** instantly looked overjoyed.

It was not in vain that she sent the message secretly, the people in **Montgomery Palace** were indeed very fast.

“**Dustin**, your death is coming, now we have won!” **Isabela** laughed proudly.

She admitted that **Dustin** was very good at fighting. He was really awesome at defeating more than a dozen martial arts masters by himself.

However, no matter how good or powerful a person is, he cannot stop the army.

Dozens of heavily armed elite soldiers, coupled with super firepower, even if **Dustin** has extraordinary abilities, as long as he dares to resist, he will be shot into a hornet’s nest immediately!

This is reality, this is power, this is an existence that ordinary people cannot compete with!

“It’s over, it’s over, it’s all over now!”

“**Dustin, Dustin!** You, this disaster star, have really caused us misery!”

When they saw the soldiers and horses of **Montgomery Palace**, everyone in the **Lancaster Family** panicked and wailed.

**Gary Montgomery**’s head was still lying on the ground.

If people from **Montgomery Palace** saw it, they wouldn’t be able to explain it even if they had a hundred mouths.

“**Dustin!** Weren’t you crazy just now? Let’s see how you die now!”

**Victoria Sterling** sneered again and again, with an expression of gloating.

She seemed to have seen the scene where **Dustin** was cut into pieces.
