

MY SUDDEN RICH LIFE

Chapter 320 Tidying Up The Examination Room

For the next few days, Trevor and Luisa would come to this classroom to study after class.

Trevor felt that his student life came back. It didn't take time for him to successfully overcome Luisa's charm. Because of Luisa's presence, Trevor became more motivated and he could focus more on his studies.

However, their pleasant study time ended two days before the exam. It was all because of an unexpected guest.

It was none other than Mattie, who was now the president of the student union. The moment she entered the activity classroom, she started giving orders.

"Luisa, don't forget to gather other students to clean the examination room tomorrow."

Mattie became more arrogant since she became the president of the student union. Obviously, she was enjoying the superiority brought by her new position.

When she saw that Trevor was also there, a trace of disgust flashed in her eyes as she said, "Trevor, I think you have occupied the activity room of our student union for a long time. So, you have to do something to repay us. You have to come here and do the tasks together with us tomorrow."

After saying that, Mattie left without looking back. Looking at the door that Mattie left, Luisa sighed.

“Trevor, well, as you can see, I can’t accompany you to study tomorrow. But you don’t have to follow Mattie’s order to do the tasks.”

In fact, Luisa had been on bad terms with Mattie since what happened with Keanu.

Being a member of the student union, Luisa had no choice but to follow Mattie’s orders. Trevor shook his head at her words and said, “I’ve almost finished my study anyway. Let’s go and do it together tomorrow.” Of course, Trevor wasn’t afraid of Mattie.

Even Aggy couldn’t do anything to him. Therefore, he wasn’t intimidated by Mattie who was just a follower of Aggy.

Just now, Mattie ordered Luisa to clean the examination room.

Trevor didn’t want her to do such kind of hard task alone.

Of course, Luisa knew that Trevor agreed to come because of her. After thinking for a while, Luisa agreed as she said, “Okay, let’s meet at the examination room tomorrow morning then.”

The next day, Trevor went to the examination room as they agreed.

When he got to the entrance of the room, he saw Luisa who had her hair tied into a ponytail. Even though she was dressed simply, she still had the temperament of youth and vitality.

Once Luisa saw Trevor, she smiled and waved to him.

Her smile was so bright that Trevor got attracted and absent-minded for a while. It also attracted many boys’ attention.

However, Luisa had no idea about it at all.

Immediately, she pulled Trevor into the room. On the other hand, Mattie had been in the examination room for a long time. She was holding a form in her hand while the other hand was on her lips as she commanded the students to do all kinds of tasks.

Therefore, she also noticed Luisa. Mattie was very jealous to see that so many boys were stealing glances at Luisa from time to time.

No matter how much she tried to get the attention from the crowd, she couldn't compete with Luisa who didn't even wear any makeup!

What was more, she even had a good relationship with a loser like Trevor.

When she saw that the two of them were coming over, she thought of using her position as the president of the student union to make things difficult for them.

With that thought in mind, Mattie put on an arrogant look on her face and said, "You! You are late! Don't you know that our student union is short of hands now?"

Now that you are here finally, go and clean the classrooms on the east side of the fourth floor."

Every floor had eight classrooms, with four classrooms on the east side and four on the other side.

Hearing her order, Trevor frowned and questioned, "But, as far as I know, each student is responsible for one classroom."

Obviously, Mattie sensed the skeptical attitude in Trevor's words and glared at him.

"Didn't you hear what I said? I told you that we don't have enough hands. Do you feel wronged?"

Let me warn you. You have to clean up the rooms and do your task well. Or else you will be accountable!’
