### Chapter 3403

All the demon cultivators were directly pierced into flesh by the arrow feathers in the sky. The arrow feathers disappeared, and the ground was covered with pools of flesh and blood!

At this moment, David was like a murderous god, his body above the void more than ten feet tall, looking at everything in front of him indifferently!

Qi Peijia's pupils shrank, and countless arrow feathers fell on him, and the black magic armor was like a bottomless abyss, swallowing up those arrow feathers!

David pulled the God King's bow again, and another burst of light arrows shot out. Qi Peijia's face showed a bit of difficulty!

Now he and David are competing with each other to see who can last until the end!

But soon, the black magic armor on Qi Peijia slowly changed. The bottomless abyss-like darkness on the black magic armor began to slowly swallow Qi Peijia!

In the end, Qi Peijia's figure disappeared, leaving only darkness. The darkness gradually faded away and disappeared without a trace!

When David saw this, he fell from the void, his face was extremely pale!

At this time, the earth was silent, and there was a strong smell of blood in the sky. The puddles of meat on the ground made people sick! Chen

Ping stood blankly. He didn't know whether Qi Peijia was dead or not!

However, he felt that Qi Peijia would not die so easily. He must have used some kind of magic to escape!

"Come out..."

David held the God King's Bow and looked not far away, at where Ning Caichen and the others were hiding!

David's eyes were sharp, and the murderous intention in his body had not subsided!

"Mr. Chen, don't get me wrong. I was just worried about your safety, so I followed you..."

Feeling the killing intent in David, Ning Caichen appeared and said hurriedly.

David said nothing and stared at everyone in the Ning family!

David was hesitant. If he let everyone in the Ning family go, he was afraid that his secret would be leaked!

But if he takes action, David can't bear it. The most important thing is that David is afraid that he won't be able to pull the God King's bow!

Feeling the murderous aura on David's body, and David's Ping's cold expression made Ning Caichen's forehead break out into cold sweat!

He understood the importance of the Divine King's Bow, and also understood David's decision to reveal the Divine King's Bow at the end, and to kill everyone!

The atmosphere fell into embarrassment for a while!

"Don't worry, you have the secret of the God King's Bow. No one in our Ning family will leak it." "

And even if you want to kill people and silence them now, you may not be able to do so." "

If you do it, both sides will lose in the end. No one can survive, it's meaningless!"

Ning Zhi broke the silence and said!

And as soon as he opened his mouth, he talked about David's pain point, and David had to look at him again!

David looked at Ning Zhi for a long time, and then slowly put away the God King's bow!

"Master Ning, don't follow me anymore, it will be very dangerous..."

After David finished speaking, he left without looking back!

David is actually very weak now. He needs to find a place to recover as soon as possible. Being able to save his life with the God King Bow is already very good!

If the God King's bow doesn't work, David can only sacrifice the dragon pattern bell, lock himself in it, and slowly wait to die...

Looking at David's leaving figure, Ning Caichen felt mixed emotions in his heart!

Seeing the God King's Bow, Ning Caichen was struggling in his heart. Who doesn't want this kind of ancient magic weapon?

If David was particularly weak, Ning Caichen didn't know if he would be tempted to snatch the God King's bow!

"You want to get the God King's Bow, but now is not the time. If you had done it just now, no one would have survived..."

Ning Zhi had already seen Ning Caichen's thoughts and said slowly!

Ning Caichen was stunned for a moment, but quickly lowered his head. Ning Caichen was a little embarrassed because his ancestor had read through his thoughts.

After all, just now he said that David saved him, but now he is doing the opposite, thinking about robbing David's things!

But in the world of gods and humans, human nature often reveals its ugliest side!
